Erik Jones, Anand Menon

European Union And Its Citizens The Social Agenda:

The European Union and Its Citizens Beverly Springer, 1994

The A to Z of the European Union Joaquín

Roy, Aimee Kanner, 2009-09-17 Over half a century old and continuing to grow in strength and authority the European Union consists of 25 member states with more on the waiting list and a population of 450 million people Its influence in foreign and domestic affairs and human rights and law reaches far beyond its earlier fields of trade and politics From the initial ideas about integration leading to the Treaty of Paris and the creation of the European Coal and Steel Community to the current reflection on the Treaty establishing a Constitution for Europe The A to Z of the European Union encompasses the most basic elements of the EU and the components that have emerged as a result of them Through the use of maps photographs a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on topics such as leaders personalities institutions enlargements member states internal policies external relations basic theories treaties and law this dictionary tells a clear and complete story about the European Union that will assist those with greater interest in understanding it

The Oxford Handbook of the European Union Erik Jones, Anand Menon, 2012-08-30 This is an authoritative one volume and independent treatment of the history functioning and nature of the European integration Written by a selection of leading scholars It covers the major institutions policies and events in the history of integration whilst also providing a guide to the major theoretical approaches that have been used to study it over time By bringing together such a distinguished cast covering such a wide array of themes the Handbook is intended as a one stop shop for all those interested in the European Union and its predecessors Written in an accessible style the volume is intended to shape the discipline of EU studies and to establish itself as the essential point of reference for all those interested in European integration both in universities and more broadly It represents a timely guide to an institution that is much discussed but often only imperfectly understood

Children and the European Union Helen Stalford, 2012-08-14 This book examines in detail the status of children in the EU Drawing on a range of disciplinary perspectives including the sociology of childhood and human rights discourse it offers a critical analysis of the legal and policy framework underpinning EU children's rights across a range of areas including family law education immigration and child protection Traditionally children's rights at this level have been articulated primarily in the context of the free movement of persons provisions inevitably restricting entitlement to migrant children of EU nationality In the past decade however innovative interpretations of EU law by the Court of Justice coupled with important constitutional developments have prompted the development of a much more robust children's rights agenda This culminated in the incorporation of a more explicit reference to children's rights in the Lisbon Treaty followed by the Commission's launch in February 2011 of a dedicated EU Agenda to promote and safeguard the rights of the child The analysis presented in this book therefore comes at a pivotal point in the history of EU children's rights providing a detailed and critical overview of a range of substantive areas and making an important contribution to

international children's rights studies

Promoting Solidarity in the European Union Malcolm G. Ross, Yuri

Borgmann-Prebil, 2010 The EU claims that solidarity is a fundamental value underlying the European social model yet often stands accused of undermining solidarity by advancing market freedoms This book provides the first extended study of the idea of solidarity in the EU context from interdisciplinary perspectives analyzing its impact on law and policy

World-Regional Social Policy and Global Governance Bob Deacon, Maria Cristina Macovei, Luk Van

Langenhove, Nicola Yeates, 2009-12-04 This volume explores the case for and the prospects of the development of world regional social policies as integral elements of a pluralistic equitable and effective system of global governance Focusing on transnational regionalism this book examines the trajectory and crossing over of the three strands of scholarly analysis within the past decade which have given rise to this volume the perceived negative impact of neo liberal globalisation upon national social policy the need for but the difficulty of securing reforms in the institutions of global social governance and the increasing salience of the world regional level of governance in handling cross border issues The authors develop an intellectual and research agenda that will also inform the political development of an international programme concerned with the social policy dimensions of regional governance Combining the perspectives and collective expertise of a team of international scholars and activists the book features Theoretical and policy cases for a focus on regionalism and social policy A mapping and analysis of social policy dimensions of regional integration processes and formations in four continents An assessment of the regional dimensions of global agencies in particular of the UN ILO WHO UNESCO UNDP including the approach to regional social policy of the UN Regional Economic Commissions and Development Banks An articulation of a multi levelled conceptualisation of global social governance within which regional associations of countries plays a significant part The book will be of interest to students and scholars of social policy development studies international relations and political science especially those focused on the public policy dimensions of globalisation regionalisation and international development

Expanded EU Kseniya M. Khovanova, Nejat Dogan, Maxym Kovalov, 2008 This book is a selection of the

scholarly works presented at the 2nd International Redefining Europe Conference in Prague 2005 as a part of the Ashburn Institute's analogous initiative the goal of which is to advance people's understanding of the future of European civilisation and to explore the varying dynamics of transatlantic relations This volume is a 2nd publication in the Redefining Europe Conference Series The third manuscript will appear in print following the Renewing the Transatlantic Relationship Prospects for Europe and the United States in an Emerging Multipolar World Conference held in Norman OK November 2008 This book is targeted at scholars and students in political science and related disciplines

Competing for Capital Kenneth P.

Thomas, 2000-10-19 As corporations search for new production sites governments compete furiously using location subsidies and tax incentives to lure them Yet underwriting big business can have its costs reduction in economic efficiency shifting of tax burdens worsening of economic inequalities or environmental degradation Competing for Capital is one of the first books

to analyze competition for investment in order to suggest ways of controlling the effects of capital mobility Comparing the European Union's strict regulation of state aid to business with the virtually unregulated investment competition in the United States and Canada Kenneth P Thomas documents Europe's relative success in controlling and decreasing subsidies to business even while they rise in the United States Thomas provides an extensive history of the powers granted to the EU's governing European Commission for controlling subsidies and draws on data to show that those efforts are paying off In reviewing trends in North America he offers the first comprehensive estimate of U S subsidies to business at all levels to show that the United States is a much higher subsidizer than it portrays itself as being Thomas then suggests what we might learn from the European experience to control the effects of capital mobility not only within or between states but also globally within NAFTA and the World Trade Organization as well He concludes with policy recommendations to help promote international cooperation and cross fertilization of ways to control competition for investment **The European Union and**

the Social Dimension of Globalization Jan Orbie, Lisa Tortell, 2009-01-13 This volume provides a comprehensive account of the European Union's social role in the world assessing the EU's ability to shape the social aspect of globalization from both law and political science perspectives Focusing explicitly on the EU the authors address the extent of coherence between the Union's international social objectives compared with the activities of the International Labour Organization ILO and with other EU foreign policy goals Various dimensions of Europe's global social role are addressed including the social dimension of EU trade relations the involvement of civil society in EU development policies the linkage between the EU's internal and external social model the export of Europe's social acquis through enlargement and neighbourhood policies the EU's international position on health gender equality children's rights and corporate social responsibility the role of the Union in the ILO The European Union and the Social Dimension of Globalization will be of strong interest to students and researchers in EU studies Globalization studies and Social Policy *Exploring European Social Policy* Robert R. Geyer, 2013-05-02 With the growing challenges of economic globalization and national welfare state retrenchment the development and future of EU social policy has become increasingly important This exciting new textbook provides a comprehensive detailed and up to date overview of this contested area and examines whether EU social policy is strengthening or weakening European social policy regimes The book begins with a general outline of the postwar development of EU social policy and its evolving relationship to the theory and practice of European integration Then it provides a detailed and theoretically engaged description of the main areas of EU social policy including labour gender anti poverty anti discrimination elderly disability youth and public health policy There is also a chapter exploring the social policy role of the structural funds particularly the European Social Fund The book concludes by arguing against both sides of the strengthening weakening debate calling for a more subtle analysis of the effects of EU social policy on national social policy regimes This book is the most up to date and comprehensive available and offers the reader a detailed and accessible exploration of the area It will be essential reading

for anyone studying the EU or national social policy as well as for practitioners in the field Social Tourism in Europe Scott McCabe, Lynn Minnaert, Anya Diekmann, 2011-10-26 This book the first on social tourism in English provides a comprehensive analysis of the various systems and practices in support of disadvantaged people s enjoyment of tourism Combining theory and practice and a truly European perspective this book provides an interdisciplinary approach to examine the concepts and contexts underpinning social tourism that will be a key reference point for students practitioners and researchers Theoretical perspectives on social tourism are assessed in the context of social inequality sustainability family diversity mobility and the welfare society The case studies cover public initiatives charities and voluntary organisations from a range of different countries including the UK Ireland Belgium Denmark and Poland covering the diversity of systems and practices in Europe *Extending Citizenship, Reconfiguring States* Michael P. Hanagan, Charles Tilly, 1999 Citizenship has come under intense discussion recently because of threats to welfare and shifting immigration policies The European Union has opened transnational citizenship rights and fledgling democracies throughout the world are struggling to establish their own versions of citizenship *Extending Citizenship Reconfiguring States* connects all these current discussions and places them in historical perspective The book presents a thematically unified analysis of changing citizenship practices over two centuries_ from the eve of the French Revolution to contemporary China Showing how rights emerge with the appearance of new social groups and the reconfiguration of states the authors identify conditions under which rights and citizenship expand as new groups develop within consolidated states as well as how rights and citizenship emerge within fragmented states with cross cutting legal jurisdictions **Social Developments in the European Union 2011** David Natali, Bart Vanhercke, 2012 2011 was a year marked by some key progress in European integration new moves towards Treaty revision new rules for economic and budgetary coordination and a more evident role of the EU in national policymaking In parallel the destabilisation of the euro zone progressed the long term effects of the Greek crisis have not been tackled by European policymakers while tension shifted from the EU periphery to the very core of the euro zone Most Member States pursued punitive austerity measures All these trends undoubtedly represent worrying signs for the future of the European Social Model The European Union is therefore dealing with crucial questions about its future sustainability the fate of the euro is in jeopardy as is the very meaning of the European integration project A new compromise is needed between economic competitiveness and social solidarity Otherwise the risk will be an increase in public disaffection towards Europe and reciprocal accusations of egoism and lack of strategic views among the Member States This 2011 edition of *Social developments in the European Union* examines the ways in which the EU has changed in this turbulent phase Institutional innovations were paralleled by new economic governance tools and further reinforcement of the austerity paradigm Beyond economic governance this volume sheds light on the state of European social dialogue the role of structural funds the fate of the social dimension of Europe 2020 and the activities of the European Court of Justice Analysis of the EU level is

complemented by a critical review of national reforms especially in the case of health care Europe in the New Century

Robert J. Guttman, 2001 A look at the future of Europe drawing on the experience and foresight of some of the leading journalists working in Europe today as well as the visions of heads of state government ministers corporate magnates entrepreneurs and young people from each of the 15 European Union member countries **The Political System of the**

European Union Simon Hix, Bjørn Høyland, 2011-03-01 The 3rd edition of this bestselling core textbook continues to give an innovative approach to analyzing researching and teaching the European Union Starting from the observation that the EU now possesses many of the attributes of modern political systems Hix and H yland argue that we should use the general theories of political science to help understand how the EU works For each of the main processes in the EU political system executive legislative and judicial politics public opinion interest groups and democracy and regulatory monetary and foreign policies the book introduces the key political science tools reviews the relevant theories and applies the knowledge in detailed descriptive analysis The third edition of this highly acclaimed and groundbreaking text has been fully revised and rewritten throughout As well as incorporating new data and the latest research it examines the consequences of key developments in the EU from enlargement to the Lisbon treaty and the 2009 European Parliament election To enhance teaching and learning our companion website is packed with resources for both teachers and lecturers Used together this creates an indispensable and accessible companion to all upper level undergraduate and Master s courses with a focus on EU Politics The methodology used in this book seeks to make the make the political system of the EU accessible to political science students as a whole as well as those specifically studying the EU New to this Edition Fully updated to cover impact of the Lisbon Treaty and latest European Parliament elections More emphasis on explanation and debates in presentation of empirical information More concise and accessible presentation of the latest research and data **Social Law and Policy**

in an Evolving European Union Jo Shaw, Josephine Shaw, 2000-12-15 The analyses in this collection address important questions about social law and policy in the evolving European Union **Tamed Power** Peter J. Katzenstein, 2018-09-05

Revolutionary changes in global and European politics have reawakened old fears that Europe will be dominated by an unpredictable German giant The same changes have fueled new hopes for Germany and Europe as models of political pluralism in a peaceful and prosperous world In fact Peter J Katzenstein explains the current reality is too complex to fit either expectation Katzenstein contends that a multilateral institutionalization of power is the most distinctive aspect of the relationship between Europe and Germany Only the observer who is aware of this important fact can understand why Germany is willing to give up its new sovereign power Although Germany is larger than any other member of the European Union and plays a crucial role in the economic and political life of Eastern Europe its power is now funneled through the institutions of the European Union rather than erupting in a narrow power defined sense of national self interest The empirical chapters of this book explore the institutionalization of power relations between the European Union and Germany

as well as the relations of Germany and the European Union with most of the smaller European states *Challenges of Social Cohesion in Times of Crisis* M. Zupi, E. Estruch Puertas, 2010 **Social developments in the European Union**

2010 Degryse C. and Natali D., 2011 2010 was a critical year for the European Union EU in at least three major respects First of all many EU countries started showing signs of increased financial stress while the eurozone began to be affected by a true debt crisis extending well beyond the highly publicised case of Greece Secondly the European Union strove to achieve renewal through its first steps to implement the Lisbon Treaty that had come into force on 1 December 2009 The third reason why 2010 represented a turning point for the EU is that the ten year Lisbon Strategy launched by the European Council in March 2000 as a framework for EU socio economic policy coordination formally reached its end in June 2010 when EU leaders adopted the new Europe 2020 Strategy All of these developments will have deep and long lasting effects on social policy at both national and supra national level This 2010 edition of Social developments in the European Union examines the ways in which the EU has tackled the main challenges related to the fiscal crisis the first steps towards implementation of the Lisbon Treaty and the launch of the EU2020 Strategy The volume sheds light on a number of aspects including the risks for the European social model and European integration project the state of the debate on revision of the Stability and Growth Pact the impact of the economic and financial crisis on pensions the new EU employment policy roadmap and more generally the tensions risks and opportunities generated by Europe 2020 **Varieties of Economic Inequality** Sebastiano

Fadda, Pasquale Tridico, 2016-03-10 Recently the issue of inequality has regained attention in economic and political debates Although this interest is welcome the debate is still mostly focused on income or wealth distribution which is an important aspect but does not present a complete view of inequality Most of the theoretical and empirical studies produced by economists concern personal income distribution or factor income distribution This is more evident in the studies of the evolution and characteristics of contemporary capitalism and globalization Varieties of Economic Inequality considers both theoretical perspectives and empirical evidence of aspects such as income gender race technology power region education and class Ultimately this text rejects the idea of supposed long run constant factor shares the positive effects of inequality and the greater importance of absolute level of income compared to its unequal distribution and instead reveals the structural inequalities that exist within societies This book advocates a move away from the focusing on inequality at the level of the individual and suggests policy for eradicating these various forms of inequality It is suitable for those who study political economy social inequality as well as economic theory and philosophy

Getting the books **European Union And Its Citizens The Social Agenda** now is not type of inspiring means. You could not lonesome going once book stock or library or borrowing from your connections to open them. This is an no question easy means to specifically get lead by on-line. European Union And Its Citizens The Social Agenda Introduction

In the digital age, access to information has become easier than ever before. The ability to download European Union And Its Citizens The Social Agenda has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download European Union And Its Citizens The Social Agenda has opened up a world of possibilities. Downloading European Union And Its Citizens The Social Agenda provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading European Union And Its Citizens The Social Agenda has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download European Union And Its Citizens The Social Agenda. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading European Union And Its Citizens The Social Agenda. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading European Union And Its Citizens The Social Agenda, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download European Union And Its Citizens The Social Agenda has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About European Union And Its Citizens The Social Agenda Books

1. Where can I buy European Union And Its Citizens The Social Agenda books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
