## **European Imperialism 1830 1930:**

*European Imperialism, 1830-1930* Alice L. Conklin, Ian Christopher Fletcher, 1999 ToFC cont Indian travellers in Victorian Britain A Burton Colonial workers in France during the Great War T Stovall An Afro German family D Reiprich and E Ngambi ul Kuo Anticolonial resistance Peasant weapons of the weak J C Scott Wage labor and anticolonial resistance in Colonial Kenya F Cooper Saint or rebel resistance in French North Africa J Clancy Smith Imagined community in anticolonial nationalism B Anderson Nation and the home P Chatterjee This book consists principally of thematically organized selections from recent historical work on French British and Dutch imperialism The volume begins with a section devoted to several of the classic interpretations and criticisms of empire so that students might better judge for themselves how recent scholarship has changed The introduction provides a brief overview of a century of historical writing on the subject to orient the reader at the outset Pref German Expansionism, Imperial Liberalism and the United States, 1776-1945 Jens-Uwe Guettel, 2012-12-17 This book traces the importance of the United States for German colonialism from the late eighteenth century to 1945 focusing on American westward expansion and racial politics Jens Uwe Guettel argues that from the late eighteenth century onward ideas of colonial expansion played a very important role in liberal enlightened and progressive circles in Germany which in turn looked across the Atlantic to the liberal democratic United States for inspiration and concrete examples Yet following a pre 1914 peak of liberal political influence on the administration and governance of Germany s colonies the expansionist ideas embraced by Germany s far right after the country s defeat in the First World War had little or no connection with the German Empire s liberal imperialist tradition for example Nazi plans for the settlement of conquered Eastern European territories were not directly linked to pre 1914 transatlantic exchanges concerning race and expansionism Modern Architecture and its Representation in Colonial Eritrea Sean Anderson, 2016-03-03 Modern Architecture and its Representation in Colonial Eritrea offers a critical assessment of architecture and urbanism constructed in Eritrea during the Italian colonial period spanning from 1890 1941 Drawing together imperial projects modernist aesthetics and fascist motives the book examines how the merger of these three significant influences yielded a complex built environment that served to emulate if not redefine Italian colonial pursuits As Italy s colonia primogenita or first born colony Eritrea and its capital Asmara not only bore witness to the emergence of politicized interiors and international expositions the colony became a vehicle that polarized issues of race and gender Exploring discourses of modernity in Africa this book moves between histories of architecture urbanism literature and media to describe how Eritrea and Asmara became a crucial fulcrum for Italy s ill fated pursuits in Ethiopia and other neighboring countries Consequently modern architecture inscribed Eritrean subjectivities while redefining technologies that affected constructions of the colonial interior Modern Architecture and its Representation in Colonial Eritrea demonstrates how architecture in Asmara reshaped the creation and reception of Italian East Africa Civilizing Missions in Colonial and Postcolonial South Asia Carey A. Watt, Michael Mann, 2011-03-15

Civilizing Missions in Colonial and Postcolonial South Asia offers a series of analyses that highlights the complexities of British and Indian civilizing missions in original ways and through various historiographical approaches The book applies the concept of the civilizing mission to a number of issues in the colonial and postcolonial eras in South Asia economic development state building pacification nationalism cultural improvement gender and generational relations caste and untouchability religion and missionaries class relations urbanization NGOs and civil society

**The Long Nineteenth Century, 1750-1914** Trevor R. Getz, Bennett Sherry, 2025-01-09 Part of The Making of the Modern World series this innovative textbook offers an introduction to the 19th century world with a focus on human perspectives through social and cultural histories Taking a period of great transition and change it shows how the actions and experiences of different communities and individuals across the world constructed contested and were affected by major trends and events With a thematic approach and focusing on social and cultural histories it connects these major trends and events to experiences of the people who lived through them Tackling politics religion economics environment empire and more with this book students will critically encounter important global trends and key events from the Industrial Revolution to the Taiping Heavenly Kingdom and the dawn of the First World War This fully revised second edition includes updated historiography throughout plus A new chapter on mobility and migration Expanded discussion on the interplay between imperialism and the environment New further reading sections and notes at the end of each chapter A primary source and interlude section in each chapter to provide historical context Additional maps and images The Long Nineteenth Century 1750 1914 offers an introduction to this era of global transformation and the crucible of modernity

**Negotiating Decolonization in the United Nations** Vrushali Patil, 2007-11-13 Combining discourse and comparative historical methods of analysis this book explores how colonialists and anti colonialists renegotiated transnational power relationships within the debates on decolonization in the United Nations from 1946 1960 Shrewdly bringing together Sociology Women s Studies History and Postcolonial Studies it is interested in the following questions how are modern constructions of gender and race forged in transnational colonial as well as postcolonial processes How did they emerge in and contribute to such processes during the colonial era Specifically how did they shape colonialist constructions of space identity and international community How has this relationship shifted with legal decolonization

**Contemporary Approaches to Dissertation Development and Research Methods** Storey, Valerie A., Hesbol, Kristina A., 2016-06-16 Uncovering the best methods for conducting and writing about research is vital to members of the academic community especially to those just beginning their careers In this regard graduate and post graduate degree programs are crucial in ensuring that future academic and professional progress will continue Contemporary Approaches to Dissertation Development and Research Methods is a pivotal reference source that focuses on current models used for doctoral dissertations and how these techniques impact future research and knowledge in various scholarly fields Featuring innovative perspectives on the design and function of doctoral programs this

book is ideally designed for practitioners researchers and academicians

**The Delamere Saga: the Untold Story of Vale Royal Abbey** Geoffrey Hebdon, 2020-02-17 This colourful and thoroughly researched history of the Lord Delamere branch of the British aristocracy focuses on the famous Vale Royal Abbey in Cheshire England The Cholmondeley family who owned the Abbey throughout the 18th and 19th centuries are described in lavish and intimate detail as they maneuvered to maintain through three generations their status as a leading family in the United Kingdom Beginning in the late 17th century we follow Charles Cholmondeley as he served as a member of the King's army in Canada in the war against the French Part I witnesses the ubiquitous Thomas Cholmondeley who purchased the title Lord Baron Delamere for 5000 from the British crown in 1821 Part II covers the 2nd Lord Delamere Hugh Cholmondeley who led a very sad and difficult life and experienced the deterioration of Vale Royal Part III reviews the life of Hugh Cholmondeley Jnr 3rd Lord Delamere his abandonment of Vale Royal Abbey and his relocation to East Africa Narcissistic Hugh was part of the notorious happy valley crowd of Kenya and their lives of debauchery sex and drugs The Vale Royal Abbey lives on today a national treasure and testament to the intriguing lives of those who occupied it over the centuries

*Moving Subjects* Tony Ballantyne, Antoinette M. Burton, 2009 Investigating how intimacy is constructed across the restless world of empire

Discourse, Dictators and Democrats Dr Richard D Anderson, Jr, 2014-05-28 Many people take the trouble to vote even though each voter's prospect of deciding the election is nearly nil Russians vote even when pervasive electoral fraud virtually eliminates even that slim chance Could people vote or protest because they stop considering their own chances and start to think about an identity shared with others With this in mind *Discourse Dictators and Democrats* presents a ground breaking theory of what language use does to politics

*Chinese Law in Imperial Eyes* Li Chen, 2015-12-22 How did American schoolchildren French philosophers Russian Sinologists Dutch merchants and British lawyers imagine China and Chinese law What happened when agents of presumably dominant Western empires had to endure the humiliations and anxieties of maintaining a profitable but precarious relationship with China In *Chinese Law in Imperial Eyes* Li Chen provides a richly textured analysis of these related issues and their intersection with law culture and politics in the eighteenth and nineteenth centuries Using a wide array of sources Chen's study focuses on the power dynamics of Sino Western relations during the formative century before the First Opium War 1839 1842 He highlights the centrality of law to modern imperial ideology and politics and brings new insight to the origins of comparative Chinese law in the West the First Opium War and foreign extraterritoriality in China The shifting balance of economic and political power formed and transformed knowledge of China and Chinese law in different contact zones Chen argues that recovering the variegated and contradictory roles of Chinese law in Western modernization helps provincialize the subsequent Euro American discourse of global modernity Chen draws attention to important yet underanalyzed sites in which imperial sovereignty national identity cultural tradition or international law and order were defined and restructured His valuable case studies show how constructed differences between societies were hardened into

cultural or racial boundaries and then politicized to rationalize international conflicts and hierarchy

*A Shifting Shore* Alice Garner, 2018-07-05 How does tourism transform fishing communities into vibrant resorts working shores into bathing beaches In *A Shifting Shore* Alice Garner traces the ways fisherfolk bathers investors and engineers understood claimed and remade the shores of the Bassin d Arcachon a prime fishing and oyster farming site in southwestern France over the nineteenth and twentieth centuries Garner s interest in the coastline a zone that resists all attempts at definition shapes this generously illustrated book Rather than taking a straightforward chronological approach to the settlement and evolution of the towns of Arcachon and La Teste Garner investigates the development of the Bassin d Arcachon s southern shores with the aim of recovering something of the lived space experienced by locals and visitors Drawing on guidebooks newspapers bylaws engineers reports medical pamphlets postcards and the accounts of literary minded holidaymakers Garner shows how investors and developers transformed Arcachon and its community beaches were rezoned and jetties constructed to favor bathers and a new railway line brought ever increasing numbers of visitors to the area She explores how fishermen and women resisted developments that threatened their livelihood or their particular sense of belonging and shows how they adapted to the changing environment and to their new roles as guides and entertainers *A Shifting Shore* while anchored in Arcachon and La Teste has much to contribute to a nuanced understanding of relations between hosts and guests in any community

**Discourse, Dictators and Democrats** Richard D. Anderson, 2016-05-23 Voting hides a familiar puzzle Many people take the trouble to vote even though each voter s prospect of deciding the election is nearly nil Russians vote even when pervasive electoral fraud virtually eliminates even that slim chance The right to vote has commonly been won by protesters who risked death or injury even though any one protester could have stayed home without lessening the protest s chance of success Could people vote or protest because they stop considering their own chances and start to think about an identity shared with others If what they hear or read affects political identity a shift in political discourse might not just evoke protests and voting but also make the minority that has imposed the dictator s will suddenly lose heart During the Soviet Union s final years the cues that set communist discourse apart from standard Russian sharply dwindled A similar convergence of political discourse with local language has preceded expansion of the right to vote in many states around the globe Richard D Anderson Jr presents a groundbreaking theory of what language use does to politics

*The Trafficking of Children* Elizabeth A. Faulkner, 2023-04-10 The phenomenon of child trafficking holds a unique position as an issue of significant contemporary relevance occupying a principal place in debates about human rights today The interchangeable terms trafficking and modern slavery evoke emotive responses and proclamations about abolition of contemporary ills viewed as the ultimate aberration when a child is involved The classification of children under legal frameworks marks them as different as other and in the context of laws implemented to address trafficking slavery and children on the move more generally this distinction is complicated This book charts the emergence decline and re emergence of child trafficking law

and policy during the twentieth and twenty first centuries It provides a systematic and comprehensive overview of the historical origins of child trafficking by utilising the wealth of information located within the non digitised archives of the League of Nations It focusses upon the Committee on the Traffic in Women and Children to engage with League of Nations policy to provide an insightful and original contribution to the current body of literature This is a book that seeks to critique the entanglements of children s rights and colonialism in relation to the mobility and exploitation of children It centralises the legacy of colonialism the undercurrents of race white supremacy patriarchy and their ongoing influence upon contemporary anti trafficking legal and policy responses Through utilizing what the author identifies as the anti trafficking machine as a theoretical framework the book challenges contemporary law and policy responses to child trafficking This theoretical framework has been adopted to illustrate a central hypothesis of the book that the contemporary anti trafficking agenda is both imperialist and a continuity of colonial attitudes **The Color of Liberty** Sue Peabody,Tyler

Stovall,2003-06-30 Traces the multiple histories of race and racial thinking over time in France and in Francophone areas of the globe **Dahomey's Royal Architecture** Lynne Ellsworth Larsen,2023-06-23 Dahomey s Royal Architecture examines the West African kingdom of Dahomey located in present day Republic of Benin The book explores the Royal Palace of Dahomey s relationship to the religious cultural and national identity of the pre colonial Kingdom of Dahomey c 1625 1892 colonial Dahomey 1892 1960 and post colonial Benin 1960 present The Royal Palace of Dahomey covers more than 108 acres and was surrounded by a wall over two miles long When the French colonial army arrived in Abomey in 1892 the ruling king set fire to the palace to keep it from falling into enemy hands Though much of the palace structure was subsequently left to ruin a portion of it was restored from which the French ruled for a short period In 1945 the colonial administration transformed part of the palace into a museum and in 1985 the entire palace was added to UNESCO s World Heritage list This book documents the palace s physical transformations in relation to its changing purposes and explores how the space maintained religious significance despite change The palace s construction destruction and restorations demonstrate how architecture can be manipulated and transformed according to the agendas of governments or according to the religious and cultural needs of a populace The palace functions as a historic record by discussing aspects of documentation revision language and interpretation Covering almost four centuries of Dahomey s history this book will be of interest to researchers and students of African art and architecture religious studies west African history and post colonial studies **The Literature of European Imperialism, 1815-1938** Lowell Joseph Ragatz,1944 **So, About Modern Europe...** David Imhoof,2020-12-10 The West Europe and the USA has kind of had its way with the world for a few centuries Why else does everyone speak English listen to hip hop and want to buy Mercedes Starting with the Enlightenment Europeans developed big ideas that have increased opportunities for people around the world and raised standards of living But those same ideas have also produced wars genocide colonialism and the potential for global environmental disaster This book describes the

origins and legacy of this mixed bag of ideas which includes everything from democracy and feminism to those old foes communism and capitalism After all it is a bag which still shapes how most people on the planet look at things today In a natural funny and engaging style So About Modern Europe expertly guides readers through the good the bad and the indifferent of modern European history convincingly arguing the need to tip the cap to the Enlightenment and its influence along the way

**The Oxford Handbook of Modern African History** John Parker, Richard Reid, 2013-10-10 The Oxford Handbook of Modern African History represents an invaluable tool for historians and others in the field of African studies This collection of essays produced by some of the finest scholars currently working in the field provides the latest insights into and interpretations of the history of Africa a continent with a rich and complex past An understanding of this past is essential to gain perspective on Africa's current challenges and this accessible and comprehensive volume will allow readers to explore various aspects political economic social and cultural of the continent's history over the last two hundred years Since African history first emerged as a serious academic endeavour in the 1950s and 1960s it has undergone numerous shifts in terms of emphasis and approach changes brought about by political and economic exigencies and by ideological debates This multi-faceted Handbook is essential reading for anyone with an interest in those debates and in Africa and its peoples While the focus is determinedly historical anthropology geography literary criticism political science and sociology are all employed in this ground-breaking study of Africa's past

**A History of Western Society** John P. McKay, 2006 A bestseller in its field A History of Western Society examines the lives of both historical figures and ordinary people using an engaging lively writing style to capture and maintain student interest The authors pay careful attention to political and cultural phenomena providing a balanced account of Western history as a whole In addition to its emphasis on social history the Eighth Edition retains the text's hallmark pedagogical features and visual appeal In order to promote critical thinking Listening to the Past features present primary source documents and Questions for Analysis that reinforce themes in social history Individuals in Society biography features focus on the impact of historical events on an individual or group and explain the actions taken by those people Images in Society photo essays promote visual analysis New coverage includes the Iceman in Chapter 1 Reformation art in Chapter 14 and eighteenth century London in Chapter 19 More emphasis has been placed on a broader view of Europe particularly Islamic regions and Europe's place in the world Chapter 9 includes a new section on Moorish Spain while Chapter 27 focuses on the effects of World War I on Arab nations The Eighth Edition devotes greater attention to women and gender issues Expanded coverage includes Spartan and Athenian women witch hunts and British women's role in imperialism Publisher
