The European Surrender John Ney,1970 The European Surrender John Ney,1970 The Americanization of Europe Alexander Stephan,2005-12-01 Recent tensions between the U S and Europe seem to have opened up an insuperable rift while Americanization deplored by some welcomed by others seems to progress unabated This volume explores for the first time and in a comparative manner the role American culture and anti Americanism play in eleven representative European countries including major powers like Great Britain France West Germany Russia Soviet Union and Italy as well as smaller countries like Austria Denmark Greece Spain Sweden and Poland Each contributor to the volume all of them highly respected experts in their field was asked to address the following four topics the role of American public diplomacy the transfer of American high culture the impact of popular culture ranging from Hollywood movies and TV to pop music and life style issues and the country specific features and history of anti Americanism The volume is enhanced by a substantial introduction by the editor which looks both at the general culture clash between the United States and Europe and at adaptations and blending processes that seem to have occurred in individual countries *Coexisting Contemporary Civilizations* Guy Ankerl,2000 Some important questions are discussed in this book Are there any civilisations other than the Western one living in our so called Global Age Eastern civilisation Is the concept of East anything more than non West Or does there exist in reality a distinct Chinese Indian Arabo Muslim and Western civilisation Is the construction of large civilisation states such as China and India an unparalleled historical achievement Do economic ties always eclipse other forms of affiliation such as those formed through kinship or between speech communities What is the role of the Latin and the Jewish Peoples in our Anglo American led Western world Is English today the global language or merely an international one Is the Chinese thought pattern closely related to its writing system Is today s world one of symmetrical interdependence Or rather one of hegemony If the so called North South or East West dialogue fails in constructing a universally accepted world civilisation then what is the appropriate arrangement for reaching such a consensus within humankind

Americanization and Anti-americanism Alexander Stephan,2007-08-01 The ongoing discussions about globalization American hegemony and September 11 and its aftermath have moved the debate about the export of American culture and cultural anti Americanism to center stage of world politics At such a time it is crucial to understand the process of culture transfer and its effects on local societies and their attitudes toward the United States This volume presents Germany as a case study of the impact of American culture throughout a period characterized by a totalitarian system two unusually destructive wars massive ethnic cleansing and economic disaster Drawing on examples from history culture studies film radio and the arts the authors explore the political and cultural parameters of Americanization and anti Americanism as reflected in the reception and rejection of American popular culture and more generally in European American relations in the American Century *Department of State News Letter* United States. Department of State,1970 *Modernities* Peter

James Taylor,1999-01-01 A thoroughly readable far reaching analysis of modernity and the modern this book focuses on the specific periods and places where ideas and practices of being modern are created and challenged Peter J Taylor contends that modernity is a multiple phenomenon that is different modern times and different modern spaces exist in a world of multiple modernities He argues that three prime modernities have been defined by the development of the modern world from mercantile modernity to British led industrial modernity to today s American led consumer modernity and illustrates the cultural expression of these modernities as acts of the ordinary such as paintings the home and the suburbs In a masterly analysis of politics and the state in terms of the modern Taylor shows how each political organization of a particular modernity creates an appropriate political reaction for instance the socialism prompted by British modernity and the environmentalism called forth by American modernity In noting the tendency of states to create spaces and eschew places he draws an intriguing parallel between nation states and home households Taylor describes the project of Americanization as a new form of modernity and also suggests an end to American hegemony *Monthly Labor Review* ,1970 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews In Search Of Elvis Vernon Chadwick,2018-02-12 The International Conference on Elvis Presley convened at the University of Mississippi in August transformed a rock and roll icon into a scholarly phenomenon Educators artists and Elvis aficionados from across the worldplus over one hundred internationally based reporterscollected on Oxford Mississippi soil to analyze and celebrate Elvis impact on the world stage From this conference which became front page New York Times Magazine news springs this book the best and brightest essays and artwork swirling around the cultural social political and iconographic figure of Elvis Presley Discussed within are such topics as Elvis as Southerner Elvis as sign system Elvis multicultural audiences Elvis and rockabilly Elvis as redneck the Elvis oeuvre and Elvis religious roots Taken together In Search of Elvis represents a daring and groundbreaking academic analysis Richly illustrated with original Elvis inspired artwork this book captures the subterranean essence of one of the most phenomenal artists to have ever lived The International Conference on Elvis Presley convened at the University of Mississippi in August transformed a rock and roll icon into a scholarly phenomenon Educators artists and Elvis aficionados from across the worldplus over one hundred internationally based reporterscollected on Oxford Mississippi soil to analyze and celebrate Elvis impact on the world stage From this conference which became front page New York Times Magazine news springs this book the best and brightest essays and artwork swirling around the cultural social political and iconographic figure of Elvis Presley Discussed within are such topics as Elvis as Southerner Elvis as sign system Elvis multicultural audiences Elvis and rockabilly Elvis as redneck the Elvis oeuvre and Elvis religious roots Taken together In Search of Elvis represents a daring and groundbreaking academic analysis Richly illustrated with original Elvis inspired artwork this book captures the subterranean essence of one of the most phenomenal artists to have ever lived News Letter United States.
