EUROPEAN UNION POLITICS

7TH EDITION

MICHELLE CINI | NIEVES PÉREZ-SOLÓRZANO BORRAGÁN

European Union Politics

Viviane Gravey, Christopher Huggins

European Union Politics:

European Union Politics Michelle Cini, Nieves Pérez-Solórzano Borragán, 2019 Subject This sixth edition of European Union Politics builds on the success of the previous five editions by retaining and updating the chapters published in the previous version of the book Innovations in this edition include a new chapter on Brexit and a section on the migration crisis in Chapter 22 Preface

European Union Politics Michelle Cini, Nieves Pérez-Solórzano Borragán, 2016 Presentation of the book European Union Politics is the most complete current issues led textbook on the European Union Written by an expert team of contributors it fully equips students to understand the European Union and the topical debates and issues which surround it Alongside comprehensive coverage of the history theory institutions and policies of the EU the book features a whole section on contemporary issues and current debates including democracy and legitimacy in the EU public opinion the economic crisis and a brand new chapter on the future of the EU which is written by a leading expert in the subject The accessible and wide ranging nature of this text makes it the ideal starting point for all those wishing to fully understand the workings of this ever evolving subject Helpful learning features throughout the text including key points questions and examples support students learning and the book is fully supported by an extensive Online Resource Centre designed to help students take their learning further

The European Union Jonathan Olsen, John McCormick, 2018-05-04 Covering the history governing institutions and policies of the European Union Jonathan Olsen and John McCormick present the EU as one of the world's economic and political superpowers which has brought far reaching changes to the lives of Europeans and has helped its member states to take a newly assertive role on the global stage Unlike most other books on the EU this text pays particular attention to the implications of the EU for the United States Thoroughly revised with new photographs and updated tables and figures the sixth edition of The European Union explains developments that have brought severe challenges to the Union such as the Greek crisis the Brexit tensions with Russia over Ukraine and new waves of refugees into Europe Essential reading for students of European politics this book offers an up to the minute look at both the opportunities and existential threats facing this powerful institution

The European Union Jonathan Olsen, 2020-07-30 Thoroughly revised the seventh edition of this accessible and highly respected text provides a rigorous yet digestible introduction to the European Union Additionally it authoritatively explains developments that continue to bring challenges to this powerful institution in times of great political change Key features Clearly covers the history governing institutions and policies of the EU Fully updated with new tables figures and photographs In text features such as Chapter Overviews Questions to Consider and Further Reading encourage deeper research and debate Sustained discussion of transformative and historical change in the upheaval of Brexit and its ramifications and the future relationship of the UK with the EU Through reflection on destabilizing issues such as immigration and the years of refugee crisis in Europe the continued crisis in the eurozone tensions with Poland and Hungary Euroskepticism Russia and the rise of populism Increased coverage throughout of women

or minorities within the EU Jonathan Olsen presents the EU as one of the world's economic and political superpowers which has brought far reaching changes to the lives of Europeans and has helped its member states to take a newly assertive role on the global stage Essential reading for students of European and EU politics this book offers an up to the minute look at both the opportunities and existential threats facing the EU *European Union Politics* John McCormick, 2020-05-10 Cutting through the jargon of EU politics the third edition of this engaging and informative textbook examines the history institutions processes and politics of the European Union with unprecedented clarity The EU is a fascinating political experiment in regional integration and it has changed our understanding of Europe how Europeans relate to one another the role Europe plays in global politics and has even shifted our understanding of politics itself Helping to make sense of it all in the author's accessible style this book is underpinned by theory and the latest research throughout Organised in three main parts the text covers everything from the history of the EU and its treaties to the institutions that make up the EU and its policies in areas such as the economy the environment and the Area of Freedom Security and Justice This is the go to text for all students taking courses or modules on the EU as well as functioning as an accessible introduction for anyone who wants to find out more about how the EU works and what difference it makes New to this Edition Fully updated to take account of the latest developments including the ongoing Brexit negotiations the 2019 European Parliament elections and more on the fallout from the euro zone and migration crises Two new separate chapters to cover the European Council and the Council of Ministers respectively More emphasis on comparative politics throughout to compare institutions and policies Expanded debates on key issues of contention in the European project Expanded coverage of the most recent research into public opinion in the EU New Snapshot features in each chapter focusing on a particular EU country Accompanying online resources for this title can be found at bloomsburyonlineresources.com/european-union-politics-3e These resources are designed to support teaching and learning when using this textbook and are available at no extra cost **Teaching**

European Union Politics Viviane Gravey, Christopher Huggins, 2024-01-18 Why do we teach EU politics What should EU politics students learn What are the practical approaches and techniques to teaching EU politics In response to these questions *Teaching European Union Politics* analyses the interdisciplinary nature of teaching this broad subject and reflects on a wide range of educational approaches It both advances the pedagogy and practice of teaching EU politics and provides practical support for those looking to adopt innovative and learner oriented techniques *European Union Politics* Michelle|Borragan Cini (Nieves Perez-Solorzano), 2025 This edited textbook covers a broad range of topics being taught in courses on the European Union The 25 chapters are written by experts from around the world and provide extensive coverage of history theories institutions and actors policies and issues and debates *The Political System of the European Union* Simon Hix, Bjørn Høyland, 2022-04-21 Starting from the observation that the European Union now possesses many of the attributes of modern political systems Hix and Høyland take an innovative approach to analysing researching and

teaching the EU Using the general theories of political science to understand how the EU works this text covers each of the main processes in the EU political system executive legislative and judicial politics public opinion interest groups and democracy and regulatory monetary and foreign policies introducing the key political science tools reviewing the relevant theories and applying the knowledge in detailed descriptive analysis As well as incorporating new data and the latest research this new edition examines the consequences of the dramatic political and policy developments in the EU over the past decade The methodology used in the text makes the political system of the EU accessible to political science students as a whole as well as those specifically studying and researching the EU

The SAGE Handbook of European Union Politics
Knud Erik Jørgensen, Mark Pollack, Ben Rosamond, 2007-01-03 This volume is one to which anyone trying to make sense of the EU of the early 21st century will return again and again A terrific line up that combines diverse talents from North America and Europe Few books of this kind could live up to the billing definitive benchmark but this one certainly does John Peterson University of Edinburgh A most useful book that can be highly recommended A strong analytical framework coupled with unparalleled coverage of the major issues of the political science research of the EU makes this volume a formidable tool for teaching and a significant input to new scholarly research It is both relatively sophisticated and very accessible to graduate students and advanced researchers The clear writing style and the richness of information presented will certainly make this book interesting for non academic readers Igor Vidacak Institute for International Relations Zagreb Journal of Common Market Studies An admirably comprehensive source book for those interested in how the tools of political science inspire EU area studies The editors enlist leading researchers to synthesize the state of the art in their field of expertise The Handbook of European Union Politics will be an indispensable intellectual resource for researchers teachers and graduate students of the European Union Liesbet Hooghe University of North Carolina at Chapel Hill USA Presents an excellent overview of political science research on the EU It finds the right balance between establishing the state of the art and pointing the reader to theoretical diversity Highly recommended for advanced students and scholars looking for quick and solid orientation in a fragmented field and for new ideas for research Frank Schimmelfennig ETH Zurich Switzerland This is a milestone in the study of EU politics The authors include the most knowledgeable practitioners in the field and collectively they provide a comprehensive and highly competent overview of the state of theory and research on EU institutions politics and policies Fritz Scharpf Max Planck Institute for the Study of Societies Germany The European Union EU poses quite profound questions for scholars and students of the social and political sciences This benchmark handbook is designed to provide an authoritative state of the art guide to the scope of the field suitable for both established scholars and students of the EU reflect and contribute to the debates about the nature of the field of EU studies and EU politics in particular explore in detail the development of the many approaches to the study of EU politics Divided into four sections the Handbook focuses on theorizing European integration the EU as polity politics and policy making in the EU and the EU and the international

system Its appeal will reside not only in its comprehensive and authoritative coverage of the field but also in the quality of its contributors and the diversity of theoretical and methodological approaches included The resulting volume is a must have for all scholars and advanced students of the EU and European integration Discourse Analysis and European Union Politics Kennet Lynggaard,2019-09-16 This book reflects on the latest developments in discourse analysis in the context of EU politics research It explores discourse analysis as a tool to study and understand EU politics covering key conceptual methodological and research strategic questions The analytical approach advanced in this book is anchored in discursive institutionalism the newest addition to approaches in new institutionalism The author particularly focuses on discourse as a strategic resource for political purposes as a device for inclusion and exclusion in policy making and as a means of conveying and appealing to political emotions as well as the role visual discourse and imagery play in day to day EU politics Including a variety of examples using different combinations of research techniques and data material the book also addresses issues related to the study of discursive structures and agency discourse conflict and consensus causality and the time dimension in discourse analysis **Handbook of European Union Politics** Knud Erik Jorgensen,Mark A. Pollack,Ben Rosamond,2006 The EU poses quite profound questions for scholars and students of the social and political sciences Its appeal will reside not only in its comprehensive and authoritative coverage of the field but also in the quality of its contributors and the diversity of the theoretical and methodological approach included Inside European Parliament Politics Laura Landorff,2019-02-18 The study of the informal dimension of EU politics is more important than ever in order to understand how the EU system works This book presents an innovative and original study on informal cross party cross committee groupings in the European Parliament so called Intergroups Building on extensive fieldwork including semi structured interviews and observations this study shows how parliamentarians of the seventh European Parliament 2009 2014 gain a variety of social resources such as social informational and political capital in Intergroups which they subsequently mobilise to foster opinion formation across political groups and parliamentary committees and to shape the EP s agenda and policy outcomes Drawing on an interdisciplinary Bourdieusian inspired framework this book makes a valuable contribution to sociological approaches in European integration studies Shedding new light on the informal dimension of parliamentary practices and politics this book appeals to EPas well as EU scholars to students and practitioners of EU politics and civil society *The EU under Strain?* Mechthild Roos,Daniel Schade,2023-06-06 When EU member states signed the Treaty of Lisbon in 2007 they did not anticipate the manifold crises in store for them over the following years Instead of the intended consolidation of a Union which had just gone through its most profound modernisation and biggest round of enlargements the EU has since then had to weather a wide range of political economic social legal health and even military crises with major repercussions within and beyond its own territory Indeed this time of polycrisis has induced change on many levels Across the continent and its many fora of European supra trans and international collaboration established institutions rule systems and normative frameworks

have been put into question and power balances have been shifting Against this background actors from social political economic and cultural life have sought new ways to overcome the manifold pressing problems of their time be it through intensified collaboration or attempts to increasingly resolve issues at the national level This volume offers a compilation of case studies on EU crisis responses covering the most impactful of the various crises the EU has had to face in recent years It provides theoretical and conceptual guidelines for the study of political actors responses to crisis at all levels of the EU multilevel governance system and beyond

The European Union and Global Politics Richard Youngs, 2021-03-31 This accessible new textbook situates the European Union in a dramatically changed world order Resisting a more traditional and abstract introduction to the institutions structures and policy making processes of the EU this innovative new text cuts through the jargon to demonstrate how hard the EU must work to retain its international influence Taking into account the latest empirical developments including the spread of war and violence in the East with Ukraine and the ongoing turbulent politics of North Africa and the Middle East Richard Youngs an expert in the field introduces us to how the EU has been forced to act differently The book is unique in offering an outside in conceptual framework that inverts the way that the EU external action is studied and understood It unpacks the different international challenges the EU has faced in recent years including the weakening of global order the need for more protective security geo economic competition climate change and conflicts to its east and south In each case the book examines how the EU has responded and how its core international identity has changed as a result assessing whether the Union still retains strong global influence This book is the ideal companion for students taking modules on the European Union s foreign policy global politics and for students of European Union Politics more broadly at both undergraduate and postgraduate levels

European Union Politics Michelle Cini, Nieves Perez-Solorzano Borraran, 2019

The Oxford Handbook of the European Union Erik Jones, Anand Menon, 2012-08-30 This is an authoritative one volume and independent treatment of the history functioning and nature of the European integration Written by a selection of leading scholars It covers the major institutions policies and events in the history of integration whilst also providing a guide to the major theoretical approaches that have been used to study it over time By bringing together such a distinguished cast covering such a wide array of themes the Handbook is intended as a one stop shop for all those interested in the European Union and its predecessors Written in an accessible style the volume is intended to shape the discipline of EU studies and to establish itself as the essential point of reference for all those interested in European integration both in universities and more broadly It represents a timely guide to an institution that is much discussed but often only imperfectly understood

Social Media and European Politics Mauro Barisione, Asimina Michailidou, 2017-07-19 This volume investigates the role of social media in European politics in changing the focus frames and actors of public discourse around the EU decision making process Throughout the collection the contributors test the hypothesis that the internet and social media are promoting a structural transformation of European public spheres which goes well beyond

previously known processes of mediatisation of EU politics This transformation addresses more fundamental challenges in terms of changing power relations through processes of active citizen empowerment and exertion of digitally networked counter power by civil society news media and political actors as well as rising contestation of representative legitimacy of the EU institutions Social Media and European Politics offers a comprehensive approach to the analysis of political agency and social media in European Union politics by bringing together scholarly works from the fields of public sphere theory digital media political networks journalism studies euroscepticism political activism and social movements political parties and election campaigning public opinion and audience studies

National Political Elites, European Integration and the Eurozone Crisis Nicolò Conti, Borbála Göncz, José Real-Dato, 2018-06-18 The global financial economic and sovereign debt crisis since 2008 has led to increases in political disaffection among citizens a loss of legitimacy of political institutions the discredit of mainstream parties and the rise of extremist or anti system political alternatives This comparative volume sheds greater light on this critical juncture in the recent history of the European Union EU by focusing on the evolution of attitudes of national political elites It examines whether the crisis has affected the legitimacy of the EU integration project as perceived by national political elites and consequently if the elite consensus that constituted one of the most solid fundamentals supporting that project has been eroded Analysing these changes across the different dimensions in which support for the EU is organized and its relationship with the evolution of support towards European integration among citizens in member states the book addresses a basic question How have these events affected the perceptions of the EU of national political elites Ultimately it sheds light on the evolution of the relationship between the perception of the EU and the national contexts as well as the likely evolution of the project of European integration in the near future This book will be of key interest to scholars and students of political elites EU politics European integration political parties and more broadly to comparative politics European studies and sociology

The Government and Politics of the European Union Neill Nugent, 2006 A clear and comprehensive explanation of the historical development and ongoing evolution of the European Union EU revised and updated in this sixth edition

The role of European Union in world politics Linda Vuskane, 2019-12-09 Essay from the year 2011 in the subject Politics Topic European Union grade 86 Liverpool John Moores University course International politics language English abstract It is widely agreed that the EU plays an increasingly important role in world politics This essay will investigate to what extent is EU an actor in terms of its global economic political and military role It should be noted that these areas are not isolated and clearly separable On the contrary they are closely interrelated and often overlapping The essay concludes that the EU has a significant role in world politics in economic and to a lesser extent in political terms however in military terms EU has not been able or willing to develop strong foreign policy While EU s ability to translate its presence into actorness has been often criticised it has nevertheless assumed a leading role in many areas such as development assistance peacekeeping and environmental protection

The Captivating World of E-book Books: A Thorough Guide Unveiling the Benefits of Kindle Books: A Realm of Convenience and Flexibility E-book books, with their inherent portability and simplicity of access, have freed readers from the limitations of hardcopy books. Gone are the days of carrying bulky novels or carefully searching for specific titles in shops.
