Europees Sociaizekerheidsrecht:

Introduction to European Social Security Law Frans Pennings, 2003 The social security of the European Union EU has become of vital significance for persons living or working in a EU Member State The creation of the European Economic Area and near accession of the candidate Members East European countries has further increased the relevance of this law This book describes EU social security law beginning with the rules relevant to migrant workers Coverage includes Regulations 1408/71 and 574/72 and the case law of the Court of Justice of the EC The book analyses the contributions of these judgments to the developments of coordination law and to the realisation of the objective of free movement of workers In this respect the relation of the Regulation and the EC Treaty which is shown in for instance the Kohll and Decker judgments is analysed Special attention is paid to the Proposal for Simplification and Modernisation of Regulation 1408/71 A second main part of EU social security law is the law on equal treatment of men and women The Court of Justice issued several main decisions of which the Barber judgment is a wellknown example Since then the case law has been further developed and this book helps the reader to understand the present state of affairs A separate chapter analyses the combat against social exclusion of the EU and the instruments developed for this purpose This is the completely revised and updated fourth edition of an authoritative book

Free Movement of Persons within the European Community A. Pieter Van der Mei, 2003-02-24 This book explores the extent to which European Community law confers upon individuals the right to gain access to public services in other Member States Are European citizens and third country nationals who have moved to other Member States entitled to claim minimum subsistence benefits to receive medical care or to be admitted to education Does Community law provide for a freedom of movement for patients students and persons in need of social welfare benefits If so to what extent does Community law have regard for the Member States fears for and concerns about welfare tourism Besides addressing numerous detailed questions on the precise degree to which Community law allows for cross border access to public services the author analyses how Community law and the Court of Justice in particular have sought to reconcile the Community's objectives of realising freedom of movement and ensuring equality of treatment with the need to develop and maintain adequate social services within the Community In addition the book contains a detailed analysis of United States constitutional law on cross border access to public services exploring the question whether the European Community can possibly learn from the American experience

Social Security Law in the Netherlands Frans Pennings, 2022-03-21 Derived from the renowned multi volume International Encyclopaedia of Laws this book describes the social security regime in the Netherlands It conveys a clear working knowledge of the legal mechanics affecting health care employment injuries and occupational diseases incapacity to work pensions survivors benefits unemployment benefits and services and family benefits The analysis covers the field of application conditions for entitlement calculation of benefits financing the institutional framework and relevant law enforcement and controls Allowances for retirees employees public sector workers

the self employed and the handicapped are all clearly explained along with full details of claims adjudication procedures and appeals Succinct yet eminently practical the book will be a valuable resource for lawyers handling social security matters in the Netherlands It will be of practical utility to those both in public service and private practice called on to develop and to apply social security law and policy and of special interest as a contribution to the comparative study of social security systems

Cross-border EU Employment and its Enforcement Yves Jorens, 2022-12-08 This book provides insights into the complex labour and social security framework of EU employment and its enforcement Starting from an analysis of the various EU instruments and case law it outlines the complicated legal framework the practical problems involved and ways to overcome them In turn the book puts the evolution of the framework into perspective reviews the numerous modifications made over the years and describes interpretation related difficulties Since the formation of the European Community 65 years ago migration and the European labour market have evolved considerably through special patterns of temporary mobility such as postings simultaneous work in several Member States and high mobility thus leading to major questions about the applicable legal framework The interplay between the free movement of persons and services has produced a complex system of rules Which law applies when a person crosses a border that of the host State and to what extent should this State take into account the legal rules from the home State or that of the home State Does the person crossing the border have any choice in the matter The book subsequently analyses the penetration of EU market law into national systems of labour and social security law The divergent solutions and views within labour and social security law are considered and discussed from a critical point of view As the positive elements of the European story are at risk of being overshadowed by the negative consequences of the European construction social dumping being the prime example special attention is paid to the cooperation between inspection services and other stakeholders in order to guarantee efficient enforcement The latter is more than just sanctioning but also includes prevention and monitoring issues The unique strength of this book is that it brings together all legal technical aspects of cross border employment and its enforcement in both labour law and social security law in a single volume Readers will find a wealth of detailed and specialised information helping them to understand the topic in depth Accordingly the book will be of interest to academics practitioners enforcement bodies judiciary policymakers advanced law students and researchers seeking to understand the law in context

Towards a Rationalisation of the EC Co-Ordination Regulations Concerning Social Security? Yves Jorens, Barbara De Schuyter, Cindy Salomon, 2008-01-31 In proposing an alternative model for the complex EC regulations for coordination relating to social security this study concentrates on the sectors of health and employment

Social Security for Frontier Workers in Europe GVG, 2003 This work covers the complex legal and social facts which the frontier workers are faced with Although European law coordinates the differing legislation of the Member States for the benefit of the frontier workers it cannot eliminate the existing national differences in social and tax law

Research Handbook on European Social Security

Law Frans Pennings, Gijsbert Vonk, 2023-11-03 This comprehensive second edition Research Handbook discusses a wide range of timely questions and dilemmas ensuing from the present state of European social security law Presenting a kaleidoscopic concept of social security a new generation of leading experts identifies future lines of inquiry that are likely to dominate the discourse in the coming years Indirect Discrimination Christa Tobler, 2005 Introduced into European Community law by the Court of Justice through its case law in the field of free movement of workers the legal concept of indirect discrimination has evolved into one with far wider and greater relevance to many other areas of EC law as well This book analyses the concept of indirect discrimination in a broad and comparative context which encompasses both economic and social law European Yearbook 1996 J. -P Chauvet, 1998-12-01 The European Yearbook promotes the scientific study of nineteen European supranational organisations including the Organisation for Economic Co operation and Development OECD Each volume contains a detailed survey of the history structure and yearly activities of each organisation and an up to date chart providing a clear overview of the member states of each organisation In addition a number of articles on topics of general interest are included in each volume A general index by subject and name and a cumulative index of all the articles which have appeared in the Yearbook are included in every volume and provide direct access to the Yearbook s subject matter Each volume contains a comprehensive bibliography covering the year s relevant publications This is an indispensable work of reference for anyone dealing with the European institutions **European Convention on Human Rights** Council of Europe Staff, 1998-12-01 *Yearbook of the European Convention on Human Rights/Annuaire de la Convention Europeenne Des Droits de L'Homme, Volume 40 Part 2 (1997)* Council of Europe/Conseil de L'Europe, 1998-12

Grondslagen van het Europese sociale-zekerheidsrecht Frans Jozef Lodewijk Pennings, 2009 **Het Verdrag Als Tekst en Als Feit** W. T. Eijsbouts, 2002-02-15 Het Europese recht tot dusver een vak voor specialisten beleefd een wedergeboorte tot generalistisch rechtsgebied Grote leerstukken zoals dat van directe werking en rule of reason laten dit recht communiceren met de rechtsstelsels van de lidstaten Dat stelt het Europese recht voor de mogelijkheid en zelfs de eis de verdere ontwikkeling van die nationale rechtsgebieden mede te organiseren zonder dat nationale recht overigens te vervangen De omslag is te herleiden op het vallen van de Berlijnse Muur precies 12 jaar geleden en op het daaruit voortkomende Verdrag van Maastricht Deze twee gebeurtenissen dwingen de beoefenaren van het Europese recht en hun gekoesterde autonome communautaire rechtsorde ertoe zich te ontpoppen tot generalisten respectievelijk tot een communicatief en toegankelijk rechtsgebied Dat komt goed uit want in zijn huidige staat is het gemeenschapsrecht onleesbaar voor de algemene jurist en zeker voor die uit de toekomstige lidstaten om van de gewone burgers maar te zwijgen Hoe is dit te begrijpen Verdragen zijn niet alleen teksten ze zijn ook feiten en verkeren zo in de wereld van de andere feiten Die wereld is niet tekstueel Feiten gebeurtenissen zijn niet aan tekst ondergeschikt n en d plaise Derrida c s nergens niet en ook in het recht niet Als feit stond het EG verdrag aan de basis van de grote ontwikkeling van het communautaire recht Als

feit zal op zijn beurt het Unieverdrag dat voortkomt uit het vallen van de Berlijnse Muur bevrijdend werken op het communautaire recht zijn schriften en zijn geleerden W T Eijsbouts Maastricht 1946 is hoogleraar Europees constitutioneel recht en zijn geschiedenis directeur van het G K van Hogendorpcentrum voor Europese constitutionele studies en redactievoorzitter van Legal Issues of Economic Integration Hij promoveerde op 9 november 1989 Titel van het proefschrift Recht en toeval Annuaire Europeen 1998 / European Yearbook 1998 Hans Christian Kroger, P. Tigrid, C. Brooks, C. Church, 2000-12-01 The European Yearbook promotes the scientific study of nineteen European supranational organisations and the Organisation for Economic Co operation and Development OECD Each volume contains a detailed survey of the history structure and yearly activities of each organisation and an up to date chart providing a clear overview of the member states of each organisation In addition a number of articles on topics of general interest are included in each volume A general index by subject and name and a cumulative index of all the articles which have appeared in the Yearbook are included in every volume and provide direct access to the Yearbook s subject matter Each volume contains a comprehensive bibliography covering the year s relevant publications This is an indispensable work of reference for anyone dealing with the European institutions Diritto europeo dei trasporti Robert H. Wijffels, J. Vrebos, 1988 *Naar een rationalisatie van de EG - Coördinatieverordeningen inzake sociale zekerheid?*, **Recht in beweging - 25ste VRG-Alumnidag 2018** VRG-Alumni, 2018 **Documentloze vreemdelingen** Steven Bouckaert, 2007 *Aanvullende sociale voorzieningen in de Europese Unie* C. van Schoubroeck, 2003 *Practical Regulation of the Mobility of Sportsmen in the EU Post Bosman* Stefaan Van den Bogaert, 2005-01-01 Sport is recreational social educational healthful and cultural It has always been all of these things Perhaps also it has always been political In recent years however it has become something else besides economic Nowadays a lot of money is invested in sport and sporting competitions often generate enormous amounts of revenue This has entailed serious repercussions especially for the relations between individual sportsmen sportswomen and the sporting clubs and federations that act as brokers for their careers Into this protected area for decades a closed shop now come the European institutions especially the European Court of Justice and the European Commission with the declared intention of ensuring respect for the exigencies of Community law while at the same time protecting the specificity and the integrity of sport This important book presents an in depth analysis of the viability under Community law of traditional sports regulations such as transfer rules and nationality clauses both sets of rules seriously compromised by the Bosman case of 1995 The author asks in particular whether certain rules elaborated by sporting associations can withstand the test of compatibility with the free movement provisions of the EC Treaty In the light of Bosman he also rigorously investigates whether valuable arguments exist for keeping certain sporting rules and practices entirely outside the scope of the EC Treaty and whether the private nature of sporting clubs constitutes a stumbling block for the application of the relevant free movement rules *Practical Regulation of the Mobility of Sportsmen in the EU Post Bosman* comes at a moment

when clarification of where this complex and contentious matter currently lies is essential if we are to gauge where it is going The topic is of special and increasing interest as official declarations on sport were attached to the Treaties of both Amsterdam and Nice And if the draft Constitution for Europe actually enters into force sport will even become an official area of Union policy This trend confirms the value and significance of this ground breaking book for practitioners policymakers and regulators in the burgeoning field of sports law European Monographs 48
