Evaluating And Weeding Collections In Small And Medium Sized Public Libraries:

Evaluating and Weeding Collections in Small and Medium Sized Public Libraries Joseph P. Segal, Texas State Library, 1976 *Evaluating and Weeding Collections in Small and Medium-sized Public Libraries* Joseph P. Segal, 1989

Weeding of Collections in Sci-tech Libraries Ellis Mount, 1986 Experts from the various specialties describe the weeding process in corporate academic and university libraries Factors affecting the weeding of materials lack of space a desire to place materials in a more suitable library changing goals of the library are explored Discussions concerning the choices for the disposal of items are insightful and innovative Library Evaluation Danny P. Wallace, Connie J. Van Fleet, 2001-01-15 Bringing together library and information science faculty and practicing library managers this work combines some of the most exciting concepts and methodologies of library evaluation with the practical experiences of those working in the field A variety of approaches e g focus groups TQM are thoroughly described then illustrated with actual case studies These cases can serve as inspiration and models to library managers and other individuals responsible for evaluation as well as to those who aspire to library management positions **Weeding and Maintenance of Reference Collections** Linda S Katz, 2013-01-11 Here is unique volume offering practical advice on weeding and maintaining reference collections It covers different types of libraries academic corporate public and problems and librarians describe in detail methods and criteria used by their libraries in weeding their reference collections Dr Pierce has organized the topics of her book into relevant chapters These chapters bound to appeal to a variety of needs address and discuss the problems and management of growing reference collections As many librarians find weeding reference books a difficult task most reference departments suffer from a lack of space as a result Collection growth reduces shelf and seating space and both books and people are lost in the clutter In reading this essential book reference supervisors will come to understand the importance of allowing reference area growth combined with effective weeding to promote an attractive and well stocked reference area Heads of reference will find Weeding and Maintenance of Reference Collections full of useful information from the specific criteria and detailed methods contributed by several librarians who have found success in weeding their reference collections to the practical hints on planning and evaluating collection contents and organization Students and faculty of library schools and information studies will gain insight into successful management of increasing amounts of reference material as the Information Age gathers momentum into the 1990s Guide to Review of Library Collections Dennis K. Lambert, Winston Atkins, Douglas A. Litts, Lorraine H. Olley, 2002-06-11 New technologies are making information more fluid but what does this mean for information providers Without a doubt it means that traditional roles are evolving and that the task of providing information demands greater expertise in exploiting new technologies and navigating their uncharted ebbs and flows of information The Association for Library Collections Technical Services ALCTS a division of the American Library Association offers a host of well integrated and forward looking services to help you find your way through these changes It is a leader in the

development of principles standards and best practices for creating collecting organizing delivering and preserving information resources in all forms It offers educational research and professional service opportunities And it is committed to quality information universal access collaboration and lifelong learning *Collection Development and Collection Evaluation* Michael R. Gabriel,1995 Contains approximately 2 000 citations to books periodical articles theses and scholarly papers in English a comprehensive guide to literature useful to all librarians interested in strengthening their collection development operation policies and procedures PUBLIC LIBRARY QUARTERLY **Fundamentals of Collection Development and Management** Peggy Johnson,2009 Addresses the art of controlling and updating your library s collection Discussions of the importance and logistics of electronic resources are integrated throughout the book Wisconsin Public Library Standards Wisconsin. Division for Library Services,1987 *Guide for Training Collection Development Librarians* American Library Association. Subcommittee on Guide for Training Collection Development Librarians,Susan L. Fales,Association for Library Collections & Technical Services. Administration of Collection Development Committee,1996 Skillfully acquisitions and collection development plays a key role in creating exceptional libraries These authoritative resources provide the guidance you need to build and maintain the comprehensive high quality collection your customers demand Get expert advice on a selecting material from serial to CD ROMs b participating effectively in the budget process and c evaluating your existing collections and vendors Developed by ALA s Association for Library Collections selection and review processes weeding and deselection and navigating electronic networks The guide divides training into three skill levels supplies a curriculum framework matched to collection duties and identifies competencies achievable after training **Handbook of Reference Sources and Services for Small and Medium-Sized Libraries** Margaret I. Nicholas,1996-07 Lists over 750 sources focusing on the reference needs of adults The primary objective was to select quality reference tools which cover many different topics Topics include general works biography philosophy religion language literature visual arts applied sciences sports and recreation home life social customs and education **Library Relocations and Collection Shifts** Dennis C. Tucker,1999 You will also find information on using spreadsheets to shift periodical collections a sample moving contract a directory of useful resources and suggestions for further reading **Fundamentals of Collection Development & Management** Peggy Johnson,2004 Taking a fresh approach this comprehensive guide outlines the step by step process of collection development and management Expert librarian Peggy Johnson offers tips for organizing and staffing conceiving policy and creating budgets and developing marketing and evaluating collections Fundamentals of Collection Development and Management, Fourth Edition Peggy Johnson,2018-07-23 Technical Services Quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice For the fourth edition expert instructor and librarian Johnson has revised and freshened this resource to ensure its timeliness and continued excellence Each chapter offers complete coverage of one aspect of

collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues Thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled

Collection Management for School Libraries Joy McGregor, Ken Dillon, James Henri, 2003 Co published with Charles Sturt University Centre for Information Studies *Rightsizing the Academic Library Collection* Mary E. Miller, Suzanne M. Ward, 2021-06-22 By learning how to rightsize you will ensure that both the collection and your institution's available physical spaces meet the needs of your library's users **Collection Management Basics** Margaret Zarnosky Saponaro, G. Edward Evans, 2019-05-24 If the heart of the library is its collection this textbook provides the keys to the heart of your library Alongside standards of basic principles and processes you'll find practical guidance on everything from acquisitions to preservation Managing collections in today's libraries is more complicated and challenging than ever Electronic formats new options for collaboration and sharing and the drive to use data for evaluation purposes are just a few of the changes now driving collection management This updated edition of a classic text addresses changes in the field and provides a thorough overview of what collection development specialists now need to know to effectively and efficiently manage processes that range from selection and assessment to sharing resources handling challenges weeding and preservation Readers will find increased coverage of technical services intellectual freedom and censorship and collection policy development as well as budget development and tracking joint purchasing and negotiating with vendors Updates on e resources user needs assessment including data visualization and disaster management along with suggestions for further reading are also included Engagingly written and easy to understand this is a valuable text for students preparing for careers in public academic school and special libraries It will additionally serve as a training resource and professional refresher for practitioners *Guide to the Evaluation of Library Collections* Barbara Lockett, American Library Association. Subcommittee on Guidelines for Collection Development, 1989 This text provides principles and methods for determining if a library collection is fulfilling the stated mission of the library It is a clear introduction to collection evaluation for the novice collection manager and it is also useful as a review and reference for the experienced librarian Resources in Education, 1999-04 **The Accidental Librarian** Pamela H. MacKellar, 2008 An American librarian who has worked in a wide range

of situations over the past quarter century MacKellar offers a guide for people who find themselves working as a librarian but have had no training in the field Among her topics are what libraries and librarians are developing a collection retrieving and disseminating information management essentials removing barriers public access computers and librarian certification
