

# National Health Service's Reforms by New Labour Party

Topic: Health & Medicine | Words: 2449 | Pages: 7

## Introduction

The publication of The New NHS White Paper in the autumn of 1997 set the framework for the new government's approach to the NHS in England. This included six key principles for the NHS: to ensure that the NHS remains a genuinely national service and ensure that all people had equal access to high-quality healthcare services; to ensure that the standards set in healthcare are made a priority at the local level; to get the NHS to work in partnership with local authorities; to drive efficiency through a rigorous approach to performance by cutting bureaucracy; to shift focus onto the quality of care so that excellence is guaranteed to all patients and finally to rebuild public confidence in the NHS as a public service accountable to patients and shaped by their views (Watkins et al 2003, p. 6).

This plan by the government of Tony Blair in 1997 radically reformed the health service in England, the NHS, since its establishment in 1948. The plan ensured "improved standards of care, an end to the "postcode lottery" of care, more investment in staff development, increased partnership working between the NHS and social care and a renewed commitment to improving the health of the nation" (Butler 2003, p. 1). These goals were sought to be achieved through an ambitious "modernization" program that would involve recruiting thousands of more medical personnel and investing heavily in building new hospitals, GP surgeries, and medical equipment. Thesis: The current NHS reforms of New Labor though implemented with the best of intentions have met

## **Evaluating The National Health Service Reforms:**

*Evaluating the National Health Service Reforms* Ray Robinson, Julian Le Grand, 1994 An evaluation of the National Health Service reforms which resulted from the white paper Working for Patients delivered in January 1989 The book contains accounts of seven research projects carried out on this topic over the period 1990 to 1993 Each chapter has been specially written for the book and describes the project in question reports a number of its key findings and offers some thoughts about the likely course of future health policy in the relevant area as the NHS reforms develop over time

**Evaluating the NHS Reforms** Ray Robinson, Julian Le Grand, 1994 An evaluation of the National Health Service reforms which resulted from the white paper Working for Patients delivered in January 1989 The book contains accounts of seven research projects carried out on this topic over the period 1990 to 1993 Each chapter has been specially written for the book and describes the project in question reports a number of its key findings and offers some thoughts about the likely course of future health policy in the relevant area as the NHS reforms develop over time

*The National Health Service* Charles Webster, 2002 The foundation of the National Health Service on 5 July 1948 was a momentous development in the history of the United Kingdom Issues of health care touch the lives of everyone and the NHS has come to be regarded as the cornerstone of the welfare state and as a model for state organised health care systems elsewhere Yet throughout its history the Service has existed in an atmosphere of crisis Charles Webster's political history is an entirely new and original examination of the NHS from its inception through to its management under the first term of the current Labour government providing the necessary framework for assessing its future as we enter the new millennium

Evaluating Public Management Reforms George Boyne, Catherine Farrell, Jennifer Law, Martin Powell, Richard Walker, 2003-01-16 Governments across the world are pursuing reform in an effort to improve public services But have these reforms actually led to improvements in services Evaluating Public Management Reforms develops a framework for a theory based evaluation of reforms and then uses this framework to assess the impact of new arrangements for public service delivery in the UK This book identifies the conceptual and practical problems of finding clear criteria for evaluating reforms focuses on the shifts in public management towards markets and competition towards the publication of performance indicators and from larger to smaller organizations considers what impact these reforms have had on the efficiency responsiveness and equity of services comprehensively reviews the evidence on the effects of reform on health care housing and education discusses the implications for public sector management

**Evaluating the National Health Service Reforms** Ray Robinson, Julian Le Grand, 1994 **EBOOK: The New Primary Care** Bernard Dowling, Caroline Glendinning, 2003-10-16 The modernization of the NHS is at the heart of the UK government's policies for public sector services This modernization programme represents the most radical and ambitious restructuring of the NHS since its inception in 1948 The new Primary Care Groups and Trusts PCG Ts are the main organizational mechanism for delivering the modernization agenda and are therefore key to the success or otherwise of these

reforms To date there has been no comprehensive evaluation of how PCG Ts have been performing in implementing the modernization programme this book fills that important gap in knowledge It provides a strong text of first evidence about the performance of PCG Ts to date this forms the basis for discussions about future success and a benchmark for future research The New Primary Care will be an essential resource for all advanced students of health care as well as academics researchers and policy makers A Theoretical Analysis, Performance Evaluation, And Reform Solution Of The Health Care System In China Hong Sheng, Lin Zhang, Pu Qian, 2021-06-22 Medical expenditure has become a heavy burden on the public sector and the family system in many countries Expanding the coverage and reimbursement of medical insurance has become a common way to reduce the burden This book will elaborate on how medical insurance may increase the burden instead It explains why the existing medical insurance system results in increased medical costs where higher costs may offset the benefits of certainty brought by medical insurance forming the paradox of medical care insurance This assumption is verified by empirical evidence in China through a new method developed to find out the actual medical costs using two parameters ratio of self payment of medical insurance and the level of monopoly in the supply of medical services The book also describes the history the current situation and the reform of the health care system in China The New Primary Care Dowling, Bernard, Glendinning, Caroline, 2003-10-01 The modernization of the NHS is at the heart of the UK government's policies for public sector services This modernization programme represents the most radical and ambitious restructuring of the NHS since its inception in 1948 The new Primary Care Groups and Trusts PCG Ts are the main organizational mechanism for delivering the modernization agenda and are therefore key to the success or otherwise of these reforms *The Affordable Care Act and Medicare in Comparative Context* Eleanor D. Kinney, 2015-07-20 This book provides a comprehensive and approachable overview of Medicare under the Affordable Care Act The author illustrates how the ACA addresses the long term fiscal and demographic challenges facing Medicare as well as the potential for Medicare to become a single payer system *Governance, Commissioning and Public Health* Marks, Linda, 2014-07-23 Drawing on in depth case studies across England this book argues that governance and population health are inextricably linked Using original research it shows how these links can be illustrated at a local level through commissioning practice related to health and wellbeing Exploring the impact of governance on decision making Governance commissioning and public health analyses how principles such as social justice and governance arrangements including standards and targets influence local strategies and priorities for public health investment In developing public health governance as a critical concept the study demonstrates the complexity of the governance landscape for public health and the leadership qualities required to negotiate it This book is essential reading for students academics practitioners and policy makers with an interest in governance and decision making for public health *Evaluating Public Health Data Systems* Phyllis Blood, 1995 **Compendium of HHS Evaluation Studies** HHS Evaluation Documentation Center (U.S.), 1984 *The Annotated Bibliography of International Programme*

*Evaluation* Craig Russon, Karen Russon, 2012-12-06 The evaluation profession has experienced rapid growth in the past five years Prior to 1995 there were five national evaluation organizations the American Evaluation Association AEA the Asociacion Centroamericana de Evaluacion ACE the Australasian Evaluation Society AES the Canadian Evaluation Society CES and the European Evaluation Society EES In November 1995 AEA and CES cosponsored an international evaluation conference in Vancouver of the conference was Evaluation for a New British Columbia The theme Century A Global Perspective Delegates from 50 countries throughout Europe Australia New Zealand Asia Africa and Central and South America attended the conference The conference combined workshops and lecture formats to bring participants the most up to date and relevant information in a variety of sectors Following the Vancouver conference there was a gestation period after which several national evaluation organizations in Europe were born AEA CES Evaluation 95 On Site Program In 1997 EES held a conference in Stockholm The theme of the conference was What Works and for Whom More than 280 evaluation professionals from 30 countries in Europe and throughout the world attended the conference The conference provided a forum for academic professionals and civil servants to meet and share their experiences Leaders emerged with goals to increase membership and to create extensive professional networks within the society EES Newsletter 2 97 Evaluation in Public-sector Reform Hellmut Wollmann, 2003-09-26 Articles from internationally renowned scholars highlighting the connections between public sector reform and evaluation Markets and Health Care Wendy Ranade, 2018-10-08 A growing reliance on market disciplines and incentives characterised health care reform strategies in many countries in the 1990s yet the country which relies most heavily on private health care the U S A is the most expensive in the world and still fails to deliver affordable health care to millions of its citizens This apparent paradox is the starting point for Markets and Health Care A Comparative Analysis **Research Handbook on Health Care Policy** Martin Powell, Tuba I. Agartan, Daniel Béland, 2024-04-12 Presenting extensive coverage of key theoretical and policy issues within the field of health care research this forward looking Research Handbook contends that students of health care need to take policy more seriously Chinese National Health Care Reform Alex Jingwei He, Qingyue Meng, 2017-10-02 Five years have elapsed since the Chinese government announced its ambitious health care reform programme The fact that both the United States and China unfolded their gigantic national health care reforms almost simultaneously is reflective of the daunting health policy challenges that most national governments are grappling with While Obamacare has barely survived the obstruction from Congress and remains controversial its Chinese counterpart has concluded its first phase at a fairly smooth pace Having had three trillion RMB invested into it within five years this landmark reform stands out as one of the biggest health policy interventions in modern history in terms of both scale and scope A critical juncture in the reform process has been reached and it is time to assess its performance to date This book provides an interim evaluation of China's ongoing national health care reform from interdisciplinary perspective Insights generated are not only valuable to inform next phase of the reform

but also relevant to health policy reformers in other developing and transitional countries This book was published as a special issue of the Journal of Asian Public Policy      *Reforming Markets In Health Care* Smith, Peter,2000-02-01 The UK government is introducing reforms to the internal health care market in the UK National Health Service which seek to address concerns such as these and this book comprises a series of commentaries on their plans from a group of leading health economists Authors examine the contribution of economics to the debate on the reforms while seeking to make the analysis accessible to a general audience      **Evaluating Mental Health Services for Older People** Jenny Finch,2004 This book provides a comprehensive account of the current developments in mental health services for older people and describes a robust model for evaluating health and social care to improve these services Drawing on international experience it provides accounts of the development of mental health services for older people in the UK Europe the USA Canada and Australia The approaches to evaluating health and social care in these countries are all outlined and a comparative analysis is given The services currently offered are patchy so there is a pressing need for effective mechanisms to be introduced in order to monitor quality this book will show you how Managers and commissioners working within Primary Care Trusts NHS Trusts Strategic Health Authorities geriatricians psychiatrists psychologists and allied health and social care professionals will find this book valuable reading      **Evaluating Reforms of Local Public and Social Services in Europe** Ivan Koprić,Hellmut Wollmann,Gérard Marcou,2017-10-20 This book explains the increasing demand for evaluation as a result of the increasing frequency of reforms to local services influenced by the New Public Management doctrine the severe austerity policy in many European countries and the wish to increase quality and reduce costs of public services especially at the local sub national level Positioned at the interface of local services and evaluation research it will enable the utilization of evaluation generated knowledge in evidence based policy making by focusing on the lessons learned from evaluation of local service delivery It encompasses local public and social services including waste water public transport healthcare education and eldercare and examines the hypothesis that there is a North West South East divide in Europe in terms of the evaluation of local service reforms Particular attention is devoted to the explanatory function of evaluation Providing fresh insight into the functioning of local government machinery in contemporary Europe this book will appeal in particular to practitioners and students of local government public economy public administration and policy

### Evaluating The National Health Service Reforms Introduction

In today's digital age, the availability of Evaluating The National Health Service Reforms books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Evaluating The National Health Service Reforms books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Evaluating The National Health Service Reforms books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Evaluating The National Health Service Reforms versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Evaluating The National Health Service Reforms books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Evaluating The National Health Service Reforms books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Evaluating The National Health Service Reforms books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of

digitized books and historical documents. In conclusion, Evaluating The National Health Service Reforms books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Evaluating The National Health Service Reforms books and manuals for download and embark on your journey of knowledge?

### **FAQs About Evaluating The National Health Service Reforms Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Evaluating The National Health Service Reforms is one of the best book in our library for free trial. We provide copy of Evaluating The National Health Service Reforms in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Evaluating The National Health Service Reforms. Where to download Evaluating The National Health Service Reforms online for free? Are you looking for Evaluating The National Health Service Reforms PDF? This is definitely going to save you time and cash in something you should think about.
