## **Evangelical And Methodist:**

**Basic United Methodist Beliefs** James V. Heidinger, 1986      **Evangelical and Methodist** Riley B. Case, 2004 The other strand of Methodism might be called populist Methodism. It for the most part was unofficial Methodism. It was the Methodism of log cabins, moral crusades, circuit preachers, revivals, camp meetings, prayer bands, and indigenous Methodist gospel music including African American spirituals. It was an unmediated Christianity, one that did not need to be filtered through educated clergy or annual conferences. It was democracy in religion. Its authority was derived from the anointing of the Spirit and appealed to the power of primitive Methodism or old time religion. It is often referred to as grass roots Methodism. It was Methodism not as an institution but as a movement.      Discipline of the Evangelical Methodist Church 1963 Evangelical Methodist Church, 1964      **United Methodist Questions, United Methodist Answers** Belton Joyner, 2015-01-01 Popular author F. Belton Joyner has revised his best selling resource for introducing The United Methodist Church. In a humorous yet respectful style, Joyner takes the reader through illuminating questions and answers on United Methodist terms and beliefs on God, Jesus, the Bible, the church, salvation, and more. This revised edition includes new sections on United Methodism as a global church, United Methodist ministries beyond the congregation, and United Methodist theology in conversation with other Christian traditions. It has also been updated to reflect recent changes to The Book of Discipline and the orders of ministry. The book's question and answer format easily lends itself to use in Sunday school classes and also works for individual study. From new recruits to lifelong United Methodists, readers will gain a lively sense of what is special and important about their denominational home. Back cover      I'm Black. I'm Christian. I'm Methodist. Lillian C. Smith, Erin Beasley, Justin Coleman, Jevon Caldwell-Gross, Pamela R. Lightsey, F. Willis Johnson, Vance P. Ross, Rodney Lorenzo Graves, Tori C. Butler, Rev. Rudy Rasmus, 2020-11-03 Ten personal narratives reveal the shared and distinct struggles of being Black in the Church, facing historic and modern racism. It's uncertain that Howard Thurman made the remark often attributed to him: "I have been writing this book all my life, but there is little doubt that he was deeply immersed in reflection on the times that bear an uncanny resemblance to the present day, which give voice to the Black Lives Matter movement." Our life's book is filled with sentence upon sentence of marginalization, pages of apartheid, chapters of separate and unequal. Now this season reveals volumes of violence against Blacks in America. Ten Black women and men explore life through the lens of compelling personal religious narratives. They are people and leaders whose lives are tangible demonstrations of the power of a divine purpose and evidence of what grace really means in face of hardship, disappointment, and determination. Each of the journeys intersect because of three central elements that are the focus of this book: We're Black. We're Christians. We're Methodists. Each starts with the fact "I'm Black," but to resolve the conflict of being Christian and Methodist means confronting aspects of White theology, White supremacy, and White racism in order to ground an oppositional experience toward domination over four centuries in America. The confluence of the everyday indignities of being Black in America, the

outrageous egregious legalized lynching of George Floyd and the unforgivable disparities exposed once again by COVID 19 have conspired together to create a seminal moment in America and in The United Methodist Church in which we must find the courage to say unambiguously Black Lives Matter To stumble or choke on those words is beneath the gospel says Bishop Gregory Palmer who wrote the foreword to the collection Praise for I m Black I m Christian I m Methodist This book made me shout dance rage and hope all at once As a cradle Methodist I have deep love for my church and bless it for nurturing my walk with Christ and my passion for social justice At the same time I lament that my church is also the place where I have witnessed and been most wounded by virulent racism sexism heterosexism and ageism Yet I stay and struggle for the soul of the church because I am a Black Christian woman fired by the love of God in Christ Jesus I stay because this is MY church and the church of my ancestors Although I regularly question my decision to remain United Methodist it is stories like these from other exuberant love warriors that remind me that I am called by God to stay pray fight and flourish M Garlinda Burton deaconess and interim general secretary General Commission of Religion and Race Washington DC Racism continues to be the unacceptable scandal of American society and the American churches In spite of some gains such as the diversity of supporters for Black Lives Matter even the best intentioned among us remain largely ignorant of the actual life experience of those who are other than ourselves This collection of testimonies edited by Rudy Rasmus helps remedy that by simply recounting personal stories of being Black Christian and Methodist in the United States White Methodist Christians in particular need to read these stories and take them to heart so that racism and its divisiveness is countered by shared experience and recognition of common humanity across difference More White Methodists need not only reject racism in our society and church but become active anti racists willing to do the hard work to create the beloved community dreamed about by Martin Luther King in the 1960s civil rights movement Bruce C Birch Dean Emeritus and Professor Emeritus of Biblical Theology Wesley Theological Seminary Washington DC This book is a powerful collection interweaving personal stories denominational and intercultural practices and Black lives bearing hopeful witness Readers will have their consciousness raised and they will think more deeply about the meaning of beloved community and the embodiment of the justice of God Harold J Recinos Professor of Church and Society Perkins School of Theology SMU Dallas Texas For hundreds of years we have not listened This book is our chance to hear the words of the Black leaders in our church They will change us remake us and reform us Get ready to be transformed by painful truth and deep love Rev Dr Dottie Escobedo Frank Lead Pastor Catalina United Methodist Church Tucson Arizona I m Black gives readers a clear picture of the diversity and value of Black culture in church and society After reading the dynamic stories told by these faithful transformative church leaders Black lives will be cherished and systemic change for the better will take place Joseph W Daniels Jr Lead Pastor Emory United Methodist Church Washington D C Dr Rudy Rasmus and others give an insightful look into what it means to be black Christian and Methodist in America Their perspectives on the status and plight of being black in America are both engaging

**Methodist and Pietist** Dr. Jason E. Vickers, 2011-06-01 In 1968 the Methodist and Evangelical United Brethren EUB churches merged to form The United Methodist Church More than forty years later many United Methodists know very little about the history doctrine and polity of the EUB To be sure there are vestiges of the EUB most notably the Confession of Faith in the United Methodist Book of Discipline but there is much more to be profitably explored For example the EUB represents a strand of German Pietism that developed an emphasis on the work of the Holy Spirit in the life of the church that with the exception of Wesley Fletcher and the early Methodists was unparalleled in the history of Protestantism This book makes accessible to clergy and laity alike the considerable riches of the EUB tradition with a view toward the renewal of United Methodism today *Discipline of the Evangelical Methodist Church, 1949* Evangelical Methodist Church, Edwin M.
