Evangelical Tradition In America

Garth M. Rosell

Evangelical Tradition In America:

The Evangelical Tradition in America Leonard Sweet, Leonard I. Sweet, 1997 The essays collected in *The Evangelical Tradition in America* range over a vast plain of historical inquiry Yet they are linked by a common purpose and vision of the exploration through ever widening avenues of research into one of the most important movements in American culture and the uncovering of forgotten ill conceived or half perceived features of the Evangelical tradition This volume opens up new territory recharts the old and challenges and corrects several gaps in the historical topography of American Evangelicalism Emerging from the Charles G Finney Historical Conference at Colgate Rochester Divinity School Bexley Hall Crozer Theological Seminary in October 1981 these essays offer exciting interdisciplinary insights into the role of Evangelical religion in American society As major contributions to scholarship in American religion these investigations forge beyond the borders of Evangelicalism s role in issues now being explored by many American historians on the South blacks women urban centers millennialism and organizational structures They also provide directions from which to view Evangelicalism s impact on American history from the perspective of Southern popular religion the psychological aspects of black evangelicalism the stream of intellectual history and the Enlightenment and evangelical roots of millenarian ideology *The Variety of*

American Evangelicalism Donald W. Dayton, 2002-05 Those labeled as evangelicals commonly are assumed to constitute a large and fairly homogeneous segment of American Protestantism This volume suggests that in fact evangelicalism is better understood as a set of distinct subtraditions each with its own history organizations and priorities The differences among groups are so important that the question arises Is the term evangelical useful at all This book attempts to enter as sympathetically as possible into the self understandings of movements usually grouped under the evangelical umbrella For each of twelve major traditions a leading scholarly interpreter first articulates the group s theological orientation and then explores the relationship between that movement and broader evangelical issues and organizations Contributors develop remarkably useful and diverse conceptual strategies for charting the complex evangelical landscape In crisp summary chapters the editors draw differing conclusions from the many perspectives offered Donald Dayton wants to abandon the category evangelical altogether Robert Johnston sees the varied traditions as an extended family whose members embody common characteristics to greater or lesser degrees **Popular Evangelicalism in American Culture** Richard

Kyle, 2017-09-18 *Popular Evangelicalism in American Culture* explores the controversies complexities and historical development of the evangelical movement in America and its impact on American culture Evangelicalism is one of the most dynamic and growing religious movements in America and has been both a major force in shaping American society and likewise a group which has resisted aspects of the modern world Organised thematically this book demonstrates the impact of American culture on popular evangelicalism by exploring the following topics politics economics salvation millennialism the megachurch and electronic churches and popular culture This accessible and thought provoking volume will interest

anyone concerned with the modern day success of the Evangelical movement in America **American Evangelicalism**

Darren Dochuk, Thomas S. Kidd, Kurt W. Peterson, 2014-10-15 No living scholar has shaped the study of American religious history more profoundly than George M Marsden His work spans U S intellectual cultural and religious history from the seventeenth through the twenty first centuries This collection of essays uses the career of George M Marsden and the remarkable breadth of his scholarship to measure current trends in the historical study of American evangelical Protestantism and to encourage fresh scholarly investigation of this faith tradition as it has developed between the eighteenth century and the present Moving through five sections each centered around one of Marsden s major books and the time period it represents the volume explores different methodologies and approaches to the history of evangelicalism and American religion Besides assessing Marsden s illustrious works on their own terms this collection s contributors isolate several key themes as deserving of fresh rigorous and extensive examination Through their close investigation of these particular themes they expand the range of characters and communities issues and ideas and contingencies that can and should be accounted for in our historical texts Marsden s timeless scholarship thus serves as a launchpad for new directions in our rendering of the American religious past *Evangelicalism* Richard Kyle, 2017-09-20 Most forms of religion are best understood in the con text of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest

anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful

Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of *Religion and American Cultures Tradition Diversity and Popular Expression* presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

Evangelicals Mark A. Noll, David W. Bebbington, George M. Marsden, 2019-11-25 The past present and future of a movement in crisis What exactly do we mean when we say evangelical How should we understand this many sided world religious phenomenon How do recent American politics change that understanding Three scholars have been vital to our understanding of evangelicalism for the last forty years Mark Noll whose *Scandal of the Evangelical Mind* identified an earlier crisis point for American evangelicals David Bebbington whose *Bebbington Quadrilateral* remains the standard characterization of evangelicals used worldwide and George Marsden author of the groundbreaking *Fundamentalism and American Culture The Shaping of Twentieth Century Evangelicalism* Now in *Evangelicals* they combine key earlier material concerning the history of evangelicalism with their own new contributions about present controversies and also with fresh insights from other scholars The result begins as a survey of how evangelicalism has been evaluated but then leads into a discussion of the movement's perils and promise today *Evangelicals* provides an illuminating look at who evangelicals are how evangelicalism has changed over time and how evangelicalism continues to develop in sometimes surprising ways Contents Acknowledgments Introduction One Word but Three Crises Mark A Noll Part I The History of Evangelical History 1 The Evangelical Denomination George Marsden 2 The Nature of Evangelical Religion David Bebbington 3 The Essential Evangelicalism Dialectic The Historiography of the Early Neo

American Evangelicalism Christian Smith, Michael Emerson, Sally Gallagher, Paul Kennedy, David Sikkink, 2014-12-10 An excellent study of evangelicalism from the award winning sociologist and author of *Souls in Transition* and *Soul Searching* Library Journal Evangelicalism is one of the strongest religious traditions in America today twenty million Americans identify themselves with the evangelical movement Given the modern pluralistic world we live in why is evangelicalism so popular Based on a national telephone survey and more than three hundred personal interviews with evangelicals and other churchgoing Protestants this study provides a detailed analysis of the commitments beliefs concerns and practices of this thriving group Examining how evangelicals interact with and attempt to influence secular society this book argues that traditional orthodox evangelicalism endures not despite but precisely because of the challenges and structures of our modern pluralistic environment This work also looks beyond evangelicalism to explore more broadly the problems of traditional religious belief and practice in the modern world With its impressive empirical evidence innovative theory and substantive conclusions *American Evangelicalism* will provoke lively debate over the state of religious practice in contemporary America Based on a three year study of American evangelicals Smith takes the pulse of contemporary evangelicalism and offers substantial evidence of a strong heartbeat Evangelicalism is thriving says Smith not by being countercultural or by retreating into isolation but by engaging culture at the same time that it constructs maintains and markets its subcultural identity Although Smith depends heavily on sociological theory he makes his case in an accessible and persuasive style that will appeal to a broad audience Publishers Weekly

Scripture in the Theologies of W. Pannenberg and D.G. Bloesch Frank M. Hasel, 2004-03-01 Scripture has always played an important role in Christian theology This study provides an issue oriented overview of the concepts of Scripture in Protestant theology from the 16th

century Reformation onward It then sets forth the concepts of Scripture in the theologies of two contemporary systematic theologians W Pannenberg and D G Bloesch It analyzes compares and evaluates the theological and anthropological presuppositions that have influenced their concept of Scripture Despite fundamentally different starting points and other significant distinctions Pannenberg and Bloesch reveal surprising similarities This seems to suggest that for both the concept of Scripture is determined ultimately by presuppositions that are derived and shaped extra scripturam

The Theology of Dallas Willard Gary Black Jr.,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

The Surprising Work of God Garth M. Rosell,2020-03-18 The Surprising Work of God tells the story of how America s mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century

In the Hand of the Holy Spirit Mary Shaw Graham Padgelek,John B. Murry,2000 How an illiterate farm worker in rural Georgia rose to become an artist of international acclaim is the story of Mary Padgelek s *In the Hand of the Holy Spirit* The Visionary Art of J B Murray Padgelek tells Murray s fascinating story and analyzes his art and spiritual message Throughout history the visionary artist has sought to offer a glimpse of the eternal in the midst of a temporal world This book unveils the symbols impetus and meaning of Murray s art Padgelek shows how this fascinating folk artist expressed his perceptions of eternity and offered a redemptive metaphor for spiritual healing regeneration and ultimate salvation

A Transforming Faith David Harrington Watt,1991 The first collection to focus the lens of postcolonial theory on pre twentieth century America

Religion and American Politics : From the Colonial Period to the 1980s Mark A. Noll Professor of History Wheaton College,1989-11-09 How do religion and politics interact in America Why is it that at certain periods in American history religious and political thought have followed a parallel course while at other times they have moved in entirely different directions To what extent have minority perspectives challenged the

majority position on the religious and political issues that impinge on each other These are among the many important and fascinating questions examined in this book the first thorough historical survey of the multi layered connections between religion and politics in the United States This unique collection presents previously unpublished essays by seventeen of America s leading historians and social scientists including John Murrin Harry Stout John F Wilson Daniel Walker Howe Bertram Wyatt Brown Robert Swierenga Martin Marty Robert Wuthnow and George Marsden Together these distinguished contributors provide comprehensive coverage of the historical interaction between religion and politics in America from the colonial and Revolutionary periods with intense commitments to and disagreements over religion through the evangelical Protestant ascendancy that marked the nineteenth century to the growing pluralism and heightened antagonism between liberal and conservative factions that typify our own era

Religion and American Politics Mark A. Noll, Luke E. Harlow, 2007-09-13 How do religion and politics interact in America How has that relationship changed over time Why have American religious and political thought sometimes developed along a parallel course while at other times they have moved in opposite directions These are among the many important and fascinating questions addressed in this volume Originally published in 1990 as Religion and American Politics From The Colonial Period to the 1980s 4921 paperback copies sold this book offers the first comprehensive survey of the relationship between religion and politics in America It features a stellar lineup of scholars including Richard Carwardine Nathan Hatch Daniel Walker Howe George Marsden Martin Marty Harry Stout John Wilson Robert Wuthnow and Bertram Wyatt Brown Since its publication the influence of religion on American politics and therefore interest in the topic has grown exponentially For this new edition Mark Noll and new co editor Luke Harlow offer a completely new introduction and also commission several new pieces and eliminate several that are now out of date The resulting book offers a historically grounded approach to one of the most divisive issues of our time and serves a wide variety of courses in religious studies history and politics

Religion, Humility, and Democracy in a Divided America Ruth Braunstein, 2019-08-05 Strong religious convictions motivate citizens to engage in American public life and are viewed as a source of closed mindedness and a driver of political polarization This book combines theoretical reflections on this tension empirical studies examine how a range of religious actors balance conviction with humility in their political work

Encyclopedia of Religion in the South Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of

the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history Myths America Lives By Richard T. Hughes,2018-09-05 Six myths lie at the heart of the American experience Taken as aspirational four of those myths remind us of our noblest ideals challenging us to realize our nation s promise while galvanizing the sense of hope and unity we need to reach our goals Misused these myths allow for illusions of innocence that fly in the face of white supremacy the primal American myth that stands at the heart of all the others *The Moral Governmental Theory of Atonement* Obbie Tyler Todd,2021-03-16 The American moral governmental theory of the atonement MGT was arguably the most contextualized doctrine of atonement in the history of the Protestant tradition Hewn from the theology of Jonathan Edwards and engineered to address the theological political philosophical moral and even economic milieu in the early republic MGT became the doctrinal centerpiece of the first indigenous American school of Calvinism As a result it stands as a kind of theological time capsule to the people and principles that shaped the tumultuous period between the first Great Awakening and the Civil War when it flourished in America For over a century in the Anglo American world the doctrine of atonement was under heavy construction in the broader Reformed community By endowing new meaning to old theological terms like imputation substitution justice punishment and even atonement MGT represents a theological watermark of sorts in Reformed dogmatics defining its limits testing its boundaries and demanding a level of precision from today s theologians This book offers a contextualization distillation and conversation with this Edwardsean doctrine of atonement **What Is Truth?** James Emery White,2006-09-01 SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD In this postmodern age truth especially religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry

Whispering the Strategies of Language: An Psychological Journey through **Evangelical Tradition In America**

Evangelical Tradition In America Introduction

In today's digital age, the availability of Evangelical Tradition In America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Evangelical Tradition In America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Evangelical Tradition In America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Evangelical Tradition In America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Evangelical Tradition In America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Evangelical Tradition In America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature

enthusiasts. Another popular platform for Evangelical Tradition In America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Evangelical Tradition In America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Evangelical Tradition In America books and manuals for download and embark on your journey of knowledge?

FAQs About Evangelical Tradition In America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Evangelical Tradition In America is one of the best book in our library for free trial. We provide copy of Evangelical Tradition In America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Evangelical Tradition In America. Where to download Evangelical Tradition In America online for free? Are you looking for Evangelical Tradition In America PDF? This is

definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Evangelical Tradition In America. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Evangelical Tradition In America are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
