Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they

progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world Christians & Jews—Faith to Faith Rabbi James Rudin,2013-10-01 In time for Pope Francis s new initiatives We now have the potential to end two thousand years of hostility will we succeed New in paperback With keen wisdom and a masterful understanding of history Rabbi James Rudin an acclaimed authority in the field of Jewish Christian relations provides the context necessary for Christians and Jews to recognize the critical challenges posed by the past and the future of their two religions Spanning twenty centuries of controversy horror and promise Rudin s narrative examines The sources of both conflict and commonality between the two religions The need to address and redress past wrongs The agenda required to create a shared future free of bigotry It includes proven approaches for successful interreligious dialogues including tips on session organization project ideas and a discussion guide to enhance Christians and Jews knowledge of each other **Evangelical and Jews in the Age of Pluralism** Christianity Today,American Jewish Congress. Dispensationalism, Israel and the Church Craig A. Blaising,Darrell L. Bock,2010-08-10 The relationship between Israel and the church is a crucial reference point in theology especially in distinguishing between dispensational and nondispensational ways of thinking The thesis of this book is that Israel and the church are distinct theological institutions that have arisen in the historical progress of divine revelation But they are also related as successive phases of a redemptive program that is historically progressive and eschatologically converging The approach to these issues here is neither polemical nor apologetic rather it anticipates a convergence among evangelical scholars in the recognition of both continuity and discontinuity in the Israel church relationship This book has three purposes To offer a contemporary dispensational treatment of that relationship through an exegetical examination of key texts with a focus on theological concerns To foster genuine dialogue with nondispensational thinkers regarding major biblical themes tied to the plan of God To identify the changes in dispensational thought that have developed since the publication of Charles Ryrie s book *Dispensationalism Today* in 1965 *Plundering the Egyptians* John J. Yeo,2010 *Plundering the Egyptians* focuses on the study of the Old Testament at

Westminster Theological Seminary from 1929 to 1998. More specifically, it presents the lives and academic labors of Robert Dick Wilson (1929-1930), Edward Joseph Young (1936-1968), Raymond Bryan Dillard (1969-1993), and Tremper Longman III (1981-1998). These featured scholars were highly influential in changing the shape of Old Testament studies at Westminster through the introduction of novel scholarly tools and ideas that reveal methodological and theological development. Their individual historical contexts, scholarly contributions, and interactions with historical critical scholarship are presented and analyzed. Modifications in their respective methodologies are highlighted and often indicate significant shifts within the Old Princeton Westminster trajectory from an anti-critical stance toward a position of openness toward historical critical methodology and its conclusions. The implications of these shifts within Westminster are important because they mirror the current change and challenges in evangelicalism today.

Book jacket **Jerome and the Jews** William L. Kewson, 2017-05-31 Jerome rocked the boat in which the early church had been comfortably settled for two hundred years. He upset Christian tradition by arguing for the priority of the Hebrew Old Testament over the supposedly inspired Greek Septuagint. He learned Hebrew from a Jewish teacher and translated the Old Testament directly from Hebrew into Latin. Not only did his new Latin translation create turmoil, but the inclusion of Jewish interpretations in his commentaries furthered the controversy. Unlike his contemporaries, Jerome viewed the Jews and their homeland as a source of information and inspiration. However, at the same time, Jerome freely admitted his hatred of the Jews and their religion. His caustic rhetoric reinforced the Christian church's displacement of the Jews, but it seems to oppose his move toward appreciating Jewish resources. This book illuminates Jerome's contradictory personality, proposes a solution, and explores avenues for current Christian and Jewish relations in light of Jerome's model.

Jewish Scholarship on the Resurrection of Jesus David Mishkin, 2017-09-07 The Jewish study of Jesus has made enormous strides within the last two hundred years. Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed. Jesus has been reclaimed as a fellow Jew by many, although what this actually means remains a matter for discussion. Ironically, the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all: his resurrection from the dead. This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship.

Romans- Everyman's Bible Commentary Alan Johnson, 2000-04-01 The book of Romans is one of the best-loved books in the entire Bible. Paul's explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians. Further, the acknowledgment that we are not under law but under grace has given Christians freedom from the bondage of legalism for centuries. However, Romans is a complex book filled with difficult theology. To make this revolutionary book more accessible to the common man, Alan Johnson has written Everyman's Bible Commentary on Romans. The original two volumes are now combined into one complete volume. The commentary is also updated, expanded, and revised. The easy style and careful presentation make this an excellent commentary for laymen and pastors alike. Study Paul's discussion of the believer's new
