

A man with short dark hair and a beard, wearing a grey long-sleeved shirt, is seated at a wooden table. He is looking off-camera to the right with a thoughtful expression. His hands are resting on the table. In front of him is a white mug. To his right is a red Bible with a gold emblem on the cover. In the foreground, a hand is holding a small white cup of coffee. The background is a bright, out-of-focus indoor space with a window and a white chair.

James Innell Packer, 1961-12-12 **God's Sovereignty: Divine Providence, Human Autonomy and Biblical Evangelism**

Dr. Nathan Ogan, 2019-06-02 The doctrine of election challenges the human mind with the powerful proposition that God has

to total sovereignty over human life and eternal destiny Just as Adam and Eve chose freely to resist God's will so we resist the idea that God's way is the right way for us When it comes to God's choosing we resist trusting His judgment and try as we may we are determined to reason ourselves into His affairs in order to understand the details of His decisions **The**

Sovereignty of God in Evangelism: How James I. Packer's Confident Evangelistic Theology Informs Contemporary Literature and Practice Jeffrey William Clark, 2007 The author raises important questions relative to the application of Packer's work for evangelism today First what in our post modern climate leads many to question God's sovereign authority A consideration of the evangelistic practices of Finney Graham and McLaren demonstrate that the sovereignty of God may no longer be assumed Second what are the limitations of Packer's word antimony describing the apparent contradiction of two compatible truths Different models and approaches are considered here while finally embracing compatibilism when talking about divine sovereignty and human responsibility A place for mystery must be reserved in this discussion in order to deal fairly with texts emphasizing both realities **Evangelism and the Openness of God** Vaughn W. Baker, 2012-12-18 Argues

James I. Packer, 1964 Evangelism in a Skeptical World Sam Chan, 2018-03-13 Many of the old methods of evangelism no longer work effectively today We need new methods to communicate the timeless message of the gospel in culturally relevant ways In a post Christian post church post reached world most Christians have been poorly equipped to tell their friends about Jesus Dr Chan combines the theological and biblical insights of classic evangelistic training with his own and hard won insights from missiology on contextualization cultural hermeneutics and storytelling Every chapter is illustrated with real world examples drawn from over fifteen years of evangelistic ministry across the globe These are methods that really work

with university students urban workers and professionals getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ Field tested and filled with unique fresh and creative insights this book will equip you to share the gospel in today s world and help as many people as possible hear the good news about Jesus

Still Sovereign Thomas R. Schreiner, Bruce A. Ware, 2000-03-01 The relationship between divine sovereignty and the human will is a topic of perennial theological dispute and one that is gaining increased attention among contemporary evangelicals In Still Sovereign thirteen scholars write to defend the classical view of God s sovereignty According to the editors Ours is a culture in which the tendency is to exalt what is human and diminish what is divine Even in evangelical circles we find increasingly attractive a view of God in which God is one of us as it were a partner in the unfolding drama of life In contrast the vision of God affirmed in these pages is of one who reigns supreme over all whose purposes are accomplished without fail and who directs the course of human affairs including the central drama of saving a people for the honor of his name all with perfect holiness and matchless grace The fourteen chapters of Still Sovereign originally part of the two volume The Grace of God the Bondage of the Will are divided into three parts Part 1 offers fresh exegesis of the biblical texts that bear most directly on the doctrines of election foreknowledge and perseverance of the saints Part 2 explores theological and philosophical issues related to effectual calling prevenient grace assurance of salvation and the nature of God s love The final section applies the doctrines of election and divine sovereignty to Christian living prayers evangelism and preaching

The Sovereign God and the Christian Disciple Robert M Solomon, The sovereignty of God is a doctrine that has been debated by Christians for centuries For some this remains a passionate topic creating different camps among Christians endlessly arguing about whether God s sovereignty and human free will can co exist For the majority the doctrine is a vague concept that remains to be explored This book deals with these issues by examining what the Bible says about God s sovereignty and human responsibility It explores the sovereignty of God by looking at God as the Creator Saviour Shepherd and Judge and tackles questions that commonly emerge If we believe that God is truly sovereign then we must live out the implications by living faithfully and responsibly by trusting and obeying Him amid the challenges of life praying to Him sharing about Him with others and serving and hoping in Him Our relationship with Him is an important way to understand how His grace purpose and power invite us to respond responsibly to Him in active discipleship

Gate Crashers Joe Kohler, 2015-02-23 Gate Crashers The Offensive Church makes the case that God desires to work through the church to do abundantly beyond all that we ask or think according to the power that works within us not because we deserve it but for the praise honor and glory of his own name Eph 3 20 21 Although much modern experience within the ranks of the professing church would cast doubt on this the Scriptures reveal God s amazing plan and model for his church While it may be true that our present system of church has drifted away from God s perfect design the good news is that we can get back on track by submitting to his perfect will Are you ready to get onboard the Offensive Church and become a gate crasher

Examining Billy Graham's Theology of Evangelism Thomas P. Johnston, 2003-03-12 Examining Billy Graham s Theology of Evangelism was written to advance an unbiased understanding of Billy Graham s theology and practice Theological examination of Graham s sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham s theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ [A Heart for God's Glory](#) Lee Botzet, 2007 A Heart for God s Glory The Revival of a God centered Faith in a Self centered World is a personal journey and a biblical theological historical study regarding the urgent need to recover our divinely created purpose to glorify God by passionately loving Him and finding our greatest satisfaction in Him *You Know God Is in Control - Don't You?* James Innell Packer, 1992-03 [The Openness of God](#) Clark H. Pinnock, Richard Rice, John Sanders, William Hasker, David Basinger, 2010-02-25 Voted one of Christianity Today s 1995 Books of the Year The Openness of God presents a careful and full orb ed argument that the God known through Christ desires responsive relationship with his creatures While it rejects process theology the book asserts that such classical doctrines as God s immutability impassibility and foreknowledge demand reconsideration The authors insist that our understanding of God will be more consistently biblical and more true to the actual devotional lives of Christians if we profess that God in grace grants humans significant freedom and enters into relationship with a genuine give and take dynamic The Openness of God is remarkable in its comprehensiveness drawing from the disciplines of biblical historical

systematic and philosophical theology Evangelical and other orthodox Christian philosophers have promoted the relational or personalist perspective on God in recent decades Now here is the first major attempt to bring the discussion into the evangelical theological arena
