Payne, 2025-09-30 When seeking to understand evangelism, it can be difficult to know where to begin due to the wealth of written material available on the topic. This one-stop textbook offers a comprehensive introduction to evangelism from an evangelical perspective. It draws from the diverse and vast literature on the topic to help readers share the gospel at home and throughout the world. *Understanding Evangelism* emerges from the author's experiences as a pastor, missionary, evangelist, and professor of evangelism, and from his expertise as a scholar in the field. The book provides the necessary biblical knowledge, cultural awareness, and practical insights for every Christ follower to participate in the privilege of partnering with the Spirit in the world. The first part of the book covers contemporary definitions of evangelism, the global status of world evangelization, and personal motives and ethics for evangelism. The second part addresses its biblical and theological foundations, while the third part offers a historical overview. The fourth part focuses on cultural contexts and effective communication of the gospel. The book concludes with contemporary issues that offer practical guidance in the ministry of evangelism. Pedagogical tools including case studies, sidebars, figures, and reflection questions help students retain information. **Evangelism** Michael Green, 2023-09-28 Michael Green's valedictory work, a personal history of evangelism. Beyond his prolific academic career, Michael Green is fondly remembered for his commitment to sharing the gospel with everyone. His passion for evangelism, the heart of his life and work, shines through in *Evangelism: Learning from the Past*, his last manuscript before his passing in 2019. Green narrates how evangelists spread the good news, starting with the first evangelist, Jesus, and his apostles. He then moves through the early church, the Middle Ages, the Reformation, and Revival movements. The book culminates with Green's reflections on his own decades-spanning career in evangelism and how he adapted the timeless truths of the gospel amid the major cultural shifts of the twentieth century. Throughout the narrative, he focuses on what we can learn from evangelists through history to inform our own practice today. To this end,

each chapter concludes with questions to encourage reflection Those who have been moved by Green s work will treasure this deeply personal final addition to his extensive oeuvre Evangelism Learning from the Past will offer inspiration and encouragement to all evangelical Christians looking to revitalize and contextualize their work in proclaiming the good news to all

country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity

cross is too important a matter to be left to the theologians If it is true that God almighty was in Christ redeeming the world on Calvary then we need to understand what that cross can mean for ordinary individuals and communities With this conviction Green reexamines the question of atonement Why did Jesus have to die How could a loving God allow his son to suffer And what role does the resurrection play in this divine drama Rooting his discussion in Scripture Green opens up the meaning of Easter in an easy nontechnical style The empty cross of Jesus liberates the theologian inspires the preacher comforts the counselor and fortifies every disciple for a life of self sacrifice **I Believe in Satan's Downfall** Michael

abolished Eternity will not be disfigured by the self seeking deceit hatred and accusations of the Adversary but God will be all in all and the redeemed will be for ever satisfied with their Lord who has turned Paradise lost into Paradise regained The Meaning of Salvation Michael Green,2023-09-28 Michael Green shines a light on salvation as it appears in Scripture and in our lives In this perennial classic of soteriology Michael Green explores the deeply human longing for salvation But what did salvation mean to Jewish and Gentile people at the time of Jesus Green traces salvation through the Old Testament first century Greco Roman sources and the New Testament What emerges is the conviction that salvation is not just a hope for the future but an offer of redemptive grace for the here and now In a culture increasingly rife with despair and anxiety Green s timeless work offers a message of hope in the good news of Jesus Christ There are few ways in which the Church could better serve this generation than by recovery a translation into modern idiom and a bold proclamation of the wonderfully comprehensive message of salvation contained in the Scriptures **I Believe in the Holy Spirit** Michael Green,2023-09-28

How do we understand the Holy Spirit Though countless Christians through the ages have confessed I believe in the Holy Spirit the Spirit has often remained an elusive figure relegated to the fringes of many Christians faith Yet the charismatic movement made the Holy Spirit the focus of heated controversy In this second edition of his widely popular book Michael Green explains the biblically rooted doctrine of the Holy Spirit He also discusses baptism and the gifts of the Spirit and addresses the dynamic ongoing work of the Spirit today Enriched by Green s extensive pastoral and personal experience **I Believe in the Holy Spirit** remains one of the most readable and balanced books on the third person of the Trinity
