Packer, 2012-06-28 If God is in control of everything can Christians sit back and not bother to evangelize Or does active evangelism imply that God is not really sovereign at all J I Packer shows in this classic study how both of these attitudes are false *Evangelism & the Sovereignty of God* J I (James Innell)

Ogan,2019-06-02 The doctrine of election challenges the human mind with the powerful proposition that God has total sovereignty over human life and eternal destiny Just as Adam and Eve chose freely to resist God's will so we resist the idea that God's way is the right way for us When it comes to God's choosing we resist trusting His judgment and try as we may we are determined to reason ourselves into His affairs in order to understand the details of His decisions *The Sovereignty of God in Evangelism: How James I. Packer's Confident Evangelistic Theology Informs Contemporary Literature and Practice* Jeffrey William Clark,2007 The author raises important questions relative to the application of Packer's work for evangelism today First what in our post modern climate leads many to question God's sovereign authority A consideration of the evangelistic practices of Finney Graham and McLaren demonstrate that the sovereignty of God may no longer be assumed Second what are the limitations of Packer's word antimony describing the apparent contradiction of two compatible truths Different models and approaches are considered here while finally embracing compatibilism when talking about divine sovereignty and human responsibility A place for mystery must be reserved in this discussion in order to deal fairly with texts emphasizing both realities **Evangelism and the Openness of God** Vaughn W. Baker,2012-12-18 Argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Back *Evangelism and the Sovereignty of God* Jason W. Snyder,2010 *A Heart for God's Glory* Lee Botzet,2007 A Heart for God's Glory The Revival of a God centered Faith in a Self centered World is a personal journey and a biblical theological historical study regarding the urgent need to recover our divinely created purpose to glorify God by passionately loving Him and finding our greatest satisfaction in Him *The Sovereign God and the Christian Disciple* Robert M Solomon, The sovereignty of God is a doctrine that has been debated by Christians for centuries For some this remains a passionate topic creating different camps among Christians endlessly arguing about whether God's sovereignty and human free will can co exist For the majority the doctrine is a vague concept that remains to be explored This book deals with these issues by examining what the Bible says about God's sovereignty and human responsibility It explores the sovereignty of God by looking at God as the Creator Saviour Shepherd and Judge and tackles questions that commonly emerge If we believe that God is truly sovereign then we must live out the implications by living faithfully and responsibly by trusting and obeying Him amid the challenges of life praying to Him sharing about Him with others and serving and hoping in Him Our relationship with Him is an important way to understand how His grace purpose and power invite us to respond responsibly to Him in active discipleship **Heart of the Living God** Michael G. Maness,2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is God's gift to us in our Imago Dei the image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free

will relationship with anyone even God if all of what we do and think is settled I don't think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process That's the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at www.PreciousHeart.net

[The Openness of God](#) Clark H. Pinnock, Richard Rice, John Sanders, William Hasker, David Basinger, 2010-02-25 Voted one of Christianity Today's 1995 Books of the Year The Openness of God presents a careful and full orb'd argument that the God known through Christ desires responsive relationship with his creatures While it rejects process theology the book asserts that such classical doctrines as God's immutability impassibility and foreknowledge demand reconsideration The authors insist that our understanding of God will be more consistently biblical and more true to

the actual devotional lives of Christians if we profess that God in grace grants humans significant freedom and enters into relationship with a genuine give and take dynamic The Openness of God is remarkable in its comprehensiveness drawing from the disciplines of biblical historical systematic and philosophical theology Evangelical and other orthodox Christian philosophers have promoted the relational or personalist perspective on God in recent decades Now here is the first major attempt to bring the discussion into the evangelical theological arena **Predestination** Greg Kame,2021-03-11

The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today **A History of Evangelism in**
