*Evangelists in Chains* Elizabeth Wagler, 1983      **A Practical Exposition of the Four Evangelists in the Form of a Paraphrase: with Occasional Notes ... and Serious Recollections ..** By John Guyse, D.D. The Second Edition, Corrected, 1760      Missionary of Reconciliation Alfred Olwa, 2013-11-30 Missionary of Reconciliation The Role of the Doctrine of Reconciliation in the Preaching of Festo Kivengere of Uganda 1971 1988 Alfred Olwa Sydney Australia In the period 1971 1988 the Christian doctrine of reconciliation was central to Festo Kivengere's preaching in Uganda and beyond This doctrine so gripped Kivengere that it shaped his attitude to life to others and even to his enemies He exhorted his audiences to be reconciled with God and then with their fellow human beings as part of God's remedy for a broken world In his preaching Kivengere depicts Jesus as a missionary of reconciliation who brings a fresh and alternative life characterized by the reconciling love and peace from God He preached the Christian doctrine of reconciliation into a Uganda where Christians lived under the horrors of Amin's rule and its aftermath According to Kivengere the world changes through the preaching of the reconciliation centered in Jesus Christ      **Interaction Ritual Chains** Randall Collins, 2014-05-06 Sex smoking and social stratification are three very different social phenomena And yet argues sociologist Randall Collins they and much else in our social lives are driven by a common force interaction rituals Interaction Ritual Chains is a major work of sociological theory that attempts to develop a radical microsociology It proposes that successful rituals create symbols of group membership and pump up individuals with emotional energy while failed rituals drain emotional energy Each person flows from situation to situation drawn to those interactions where their cultural capital gives them the best emotional energy payoff Thinking too can be explained by the internalization of conversations within the flow of situations individual selves are thoroughly and continually social constructed from the outside in The first half of Interaction Ritual Chains is based on the classic analyses of Durkheim Mead and Goffman and draws on micro sociological research on conversation bodily rhythms emotions and intellectual creativity The second half discusses how such activities as sex smoking and social stratification are shaped by interaction ritual chains For example the book addresses the emotional and symbolic nature of sexual exchanges of all sorts from hand holding to masturbation to sexual relationships with prostitutes while describing the interaction rituals they involve This book will appeal not only to psychologists sociologists and anthropologists but to those in fields as diverse as human sexuality religious studies and literary theory      **Wolaitta Evangelists** E. Paul Balisky, 2009-09-01 This study presents the religious dynamics of the Wolaitta Kale Heywet Church in southern Ethiopia from 1937 to 1975 On the basis of detailed research from within southern Ethiopia E Paul Balisky demonstrates that the indigenous extension of the Wolaitta Christian movement into southern Ethiopia through the instrumentality of her evangelists helped Wolaitta regain her own religious center and subsequent identity after centuries of various forms of colonialism and imperialism Wolaitta Evangelists broadens one's understanding of how an imported model of Christianity

provided religious answers to the ideals of a particular Ethiopian society and continues to motivate her members to evangelize The evangelists who went to people of similar culture and worldview were successful in effecting social change To ethnic groups who had moved beyond their former primal religions and to those of disparate culture the evangelists were those who scattered the seed and impacted the religious social economic and political life of southern Ethiopia Wolaitta Evangelists tells the story of how missionary activity played a role in Wolaitta once again becoming a people **The four evangelists; with the distinctive characteristics of their Gospels** Edward Anderson Thomson,1875 *The Evangelical History of Our Lord and Saviour Jesus Christ: Containing, in Order of Time, All the Events and Discourses Recorded in the Four Evangelists. **Evangelism and the Rhetoric of Morality** Jennifer Helene Maher, 2015-08-27 Examining the layers of meaning encoded in software and the rhetoric surrounding it this book offers a much needed perspective on the intersections between software morality and politics In software development culture evangelism typically denotes a rhetorical practice that aims to convert software developers as well as non technical lay users from one platform to another e g from the operating system Microsoft Windows to Linux This book argues that software evangelism like its religious counterpart must also be understood as constructing moral and political values that extend well beyond the boundaries of the development culture Unlike previous studies that locate such values in the effects of code in use or in certain types of code like free and open source FOSS software Maher argues that all code is meaningful beyond its technical executable functions To facilitate this analysis this study builds a theory of evangelism and illustrates this theory at work in the proprietary software industry and FOSS communities As an example of political liberalism at work at the level of code these evangelical rhetorics of software construct competing conceptions of what is good that fall within a shared belief in what is just Maher illustrates how these beliefs in goodness and justice do not always execute in replicable ways as the different ways of decoding software evangelisms in the contexts of Brazil and China reveal Demonstrating how software evangelisms exert a transformative force on the world one comparable in significance to code itself this book highlights the importance of rhetoric in even the most seemingly a rhetorical of technical endeavors and foregrounds the crucial need for rhetorical literacy in the digital age
