evangelization of the continent others remembering the ongoing toll among native peoples blacks and the poor have called on the church to free itself from vestiges of its colonial past In New Evangelization Boff cuts to the heart of tensions in the church today In his first extensive treatment of Christian mission from a liberation theology perspective he deals with such topics as inculturation and the trinitarian basis of mission He offers an extensive reflection on the figure of the Virgin of Guadalupe as model of a new liberating evangelization The gospel arrived in the Americas under the sign of domination Boff argues that a new evangelization rooted in the culture of the oppressed must occur under the sign of liberation Book jacket

Down Deep in My Soul Nutt, Maurice J., CSsR, 2023-03-02 A comprehensive treatment of preaching in the Black Catholic tradition **Biblical Foundations for the Role of Healing in Evangelization** Mathias D. Thelen, 2017-12-07 It is almost undeniable that God is working miracles of healing in evangelization today For theologians pastors and evangelists some questions arise What is the relationship between physical healing and the message of salvation Should the church really expect God to do healings in evangelization today Father Thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the New Testament The gospel of Jesus Christ is not simply a message of fact it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached salvation As signs of the kingdom healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the New Testament The result of this biblical study is a clarion call for the church to renew its faith in God's desire and power to confirm his word through healing As healing becomes more accepted and frequent in evangelization a Catholic biblical and theological approach to healing as it relates to evangelization an approach that can be different from its Protestant counterpart is necessary This modest book fits this need
