Coleman says the answers aren't found in TV evangelism easy evangelism guidebooks or the latest marketing techniques Rather he looks to the Bible to the ultimate example found in Jesus Christ For more than forty years this classic biblical look at evangelism has challenged and instructed over three million readers Now repackaged for a new generation

The Master Plan of Evangelism is as fresh and relevant as ever Join the movement and discover how you can minister to the people God brings into your life **Liberating Evangelism** Stephen K. Pickard,1999-06-01 Has the church abdicated its responsibility for and privilege of spreading the gospel Has this baptismal birthright been forgotten or denied out of ignorance poor example or even misinformation Stephen Pickard argues that the church is called to be a community of the evangel and thus a community that seeks to embody the glad tidings of God in all of its life He addresses two issues the relationship of evangelism to systematic theology and the relationship of evangelism to the church In the case of the former he calls for a recovery of the complementary nature of theology and evangelism the theory and practice of the gospel discussing what this might involve and how it may benefit the church s evangelistic task This evangelistic task is then developed further in terms of the dynamics of communication Regarding evangelism and its relation to the church Pickard contends that the locus for evangelism has to be the Christian community its life of worship and discipleship in the world But the church must be reconceived missiologically in terms of the Great Commission and as a community for the praise of God

Baker,2012-12-18 Argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Back **Show Me How to Share the Gospel** R. Larry

Johnston,2003-03-12 Examining Billy Graham s Theology of Evangelism was written to advance an unbiased understanding of Billy Graham s theology and practice Theological examination of Graham s sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham s theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ

EVANGELISM DISCIPLESHIP Benjamin Cocar,2014-12-27 After the apostle Paul had done some tent making in Corinth with Aquila and Priscilla Luke tells us at Acts 18 5 when Silas and Timothy came down from Macedonia Paul began devoting himself completely to the word solemnly testifying to the Jews that Jesus was the Christ We note Paul began devoting himself completely Why more so than before Verses 9 and 10 go on to say the Lord said to Paul in the night by a vision Do not be afraid any longer but go on speaking and do not be silent for I am with you and no man will attack you in order to harm you for I have many people in this city We too have similar reasons for devoting ourselves more completely to the Word of God Yes unquestionably God has many people in all the cities throughout the world including our community These ones need to be discovered and taught everything Jesus commanded The wait for Jesus second coming will not last forever so we need to be awakened to our responsibility of proclaiming biblical truths teaching and making disciples of those who have a receptive heart

Real Evangelism Bailey Smith,1999-10-08 Real Evangelism shows how aspects of church culture actually dampen the evangelistic task entrusted to it Smith exposes what he calls subtle substitutes to evangelism While there is nothing wrong with ministries that help established Christians Bailey Smith impresses upon the church that these types of ministries must not take place of reaching out to the lost

The Unfolding Gospel John P. Bowen,2021 Many congregations and their leaders are discouraged about the future of the church John Bowen s conviction is that the solution is to be found not in new programs or strategies but in a recovery of theological vision that of Jesus and his gospel which transforms every aspect of life This vision restores hope in the only way realistically possible _ Words like mission discipleship church evangelism renewal and church planting are used like billiard balls all rolling around a single table unconnected and bouncing randomly off one another This book pulls these ideas together into a coherent and organic whole The gospel is the hermeneutical key for understanding each of these topics and what draws them together Thus chapter 1 is an exposition of the gospel God s

determination to make all things new through Jesus Christ Chapter 2 discusses discipleship we only understand discipleship in light of the gospel and chapter 3 covers church we only understand church if we understand discipleship Chapter 4 considers culture as the arena in which the gospel is lived and talked about and chapter 5 builds on that with a discussion of translation not only as a missional necessity but as a ministry which itself incarnates the nature of the gospel The remaining chapters on evangelism the future of inherited churches church planting and leadership demonstrate how the gospel is the integration point for all _ The author's hope is that church leaders evangelical and mainline young and old emerging and traditional present and future will have a transformative Aha moment as this gospel hypothesis unfolds _
