**Eva's Man** Gayl Jones, 2020-10-20 The Best American Novelist Whose Name You May Not Know Calvin Baker The Atlantic A literary giant and one of my absolute favourite writers TAYARI JONES author of AN AMERICAN MARRIAGE An American writer with a powerful sense of vital inheritance of history in the blood John Updike The New Yorker Eva's Man is a gripping psychological portrait of a woman unable to love for fear of pain Imprisoned for the bizarre murder of her lover Eva Median Canada weaves together memory and fantasy to reveal a life tormented by the brutality of sexual abuse and emotional silence Brilliantly experimenting with language Jones infuses her graphic and powerful narrative of the triple yoke of race class and gender with a rich musical and oral idiom *Genders* 23 Thomas C. Foster, Carol Siegel, Ellen E. Berry, 1996-04 What do narratives by British suffragettes of being forcibly fed have in common with the representation of indigenous women in Canadian police archives How are literary representations of domestic violence related to the use of silence as a strategy of resistance in African American women's writing How are modernist fictions of gay male desire connected with ambiguous sexual performances in rock music or with images of Vietnam veterans in American horror movies What does a narrative of women's participation in Bengali national resistance movements share with an ethnographic study of prostitution in Papua New Guinea These are some of the specific questions raised by the essays in this volume which examines a wide variety of historical and cultural locations where differently sexed gendered and racialized bodies have been constructed More generally this volume addresses theoretical debates over whether embodiment is best understood through representations or performances Are bodies written or enacted The different answers to these questions have important consequences for how we understand the inscription of bodies with systems of power and the possibilities that exist for resisting those systems go to the *Genders* website [Black Women Writers at Work](#) Claudia Tate, 2023-01-10 Black women writers and critics are acting on the old adage that one must speak for oneself if one wishes to be heard Claudia Tate from the introduction Long out of print *Black Women Writers At Work* is a vital contribution to Black literature in the 20th century Through candid interviews with Maya Angelou Toni Cade Bambara Gwendolyn Brooks Alexis Deveaux Nikki Giovanni Kristin Hunter Gayl Jones Audre Lorde Toni Morrison Tillie Olson Sonia Sanchez Ntozake Shange Alice Walker Margaret Walker and Shirley Anne Williams the book highlights the practices and critical linkages between the work and lived experiences of Black women writers whose work laid the foundation for many who have come after Responding to questions about why and for whom they write and how they perceive their responsibility to their work to others and to society the featured playwrights poets novelists and essayists provide a window into the connections between their lives and their art Finally available for a new generation this classic work has an urgent message for readers and writers today **New Criticism and Pedagogical Directions for Contemporary Black Women Writers** LaToya Jefferson-James, 2022-03-03 *New Criticism and Pedagogical Directions for Contemporary Black Women Writers* is a collection of critical and pedagogical essays that shed new light on

the creative depths of Black women writers On the one hand some Black women writers have been heavily anthologized they have more often than not been restricted by critical metanarratives Some of their works have been lionized while others remain neglected On the other hand some Black women writers have been ignored and understudied This collection corrects the gaps in our critical thinking about Black women writers by introducing them to a new generation of undergraduate and graduate students and by presenting pedagogical essays to our colleagues currently working in the field *Black Women, Identity, and Cultural Theory* Kevin Everod Quashie,2004 Ultimately moves beyond these to propose a new cultural aesthetic that aims to center black women and their philosophies Book jacket A History of the African American Novel Valerie Babb,2017-07-31 A History of the African American Novel offers an in depth overview of the development of the novel and its major genres In the first part of this book Valerie Babb examines the evolution of the novel from the 1850s to the present showing how the concept of black identity has transformed along with the art form The second part of this History explores the prominent genres of African American novels such as neoslave narratives detective fiction and speculative fiction and considers how each one reflects changing understandings of blackness This book builds on other literary histories by including early black print culture African American graphic novels pulp fiction and the history of adaptation of black novels to film By placing novels in conversation with other documents early black newspapers and magazines film and authorial correspondence A History of the African American Novel brings many voices to the table to broaden interpretations of the novel s development **Contemporary Authors New Revision Series**,2003 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers Studies in Women Writers in English Rama Kundu,2007 The New Series Studies In Women Writers In English Is A Grateful Acknowledgment Of The Contribution And Public Recognition Of The Emerging Voice Of Women In The Arena Of Literature During The Last Few Centuries And Especially In The Latter Half Of The Twentieth Century Women Writers Across The Globe Have Made Their Distinctive Mark With Their Own Perception Of Life Be It Feminine Or Feminist Or Female The Critique Of Work By Women Writers Introduced In The Present Volume The Sixth In The Series Bears Evidence To The Growing Critical Attention Towards Authors Writing Outside The Mainstream In America Canada And Especially In India Who Can Be Seen Sharing Similar Awareness And Feelings Regarding The Woman S Angst And Aspirations Since Most Of The Authors Discussed In These Articles Are Prescribed In The English Syllabus In The Universities Of India Both The Teachers And The Students Will Find Them Extremely Useful And The General Readers Who Are Interested In Literature In English And Or Women Writers Will Also Find Them Intellectually Stimulating **Black Women Novelists and the Nationalist Aesthetic** Madhu Dubey,1994 Focus on the works of Toni Morrison Gaye Jones and Alice Walker **The Cambridge Companion to Crime Fiction** Martin Priestman,2003-11-06 The Cambridge Companion

to Crime Fiction covers British and American crime fiction from the eighteenth century to the end of the twentieth. As well as discussing the detective fiction of writers like Arthur Conan Doyle, Agatha Christie and Raymond Chandler, it considers other kinds of fiction where crime plays a substantial part such as the thriller and spy fiction. It also includes chapters on the treatment of crime in eighteenth century literature, French and Victorian fiction, women and black detectives, crime on film and TV, police fiction and postmodernist uses of the detective form. The collection by an international team of established specialists offers students invaluable reference material including a chronology and guides to further reading. The volume aims to ensure that its readers will be grounded in the history of crime fiction and its critical reception.

**The Politics of (M)Othering** Obioma Nnaemeka, 2005-08-04 This collection is a study of African literature framed by the central and multi-faceted idea of mother, motherland, mothertongue, motherwit, motherhood, mothering, looking at the paradoxical location of mother as both central and marginal. Whilst the volume stands as a sustained feminist analysis, it engages feminist theory itself by showing how issues in feminism are in African literature recast in different and complex ways.

**The Kentucky African American Encyclopedia** Gerald L. Smith, Karen Cotton McDaniel, John A. Hardin, 2015-08-28 The story of African Americans in Kentucky is as diverse and vibrant as the state's general history. The work of more than 150 writers, The Kentucky African American Encyclopedia is an essential guide to the black experience in the Commonwealth. The encyclopedia includes biographical sketches of politicians and community leaders as well as pioneers in art, science and industry. Kentucky's impact on the national scene is registered in an array of notable figures such as writers William Wells Brown and bell hooks, reformers Bessie Lucas Allen and Shelby Lanier Jr, sports icons Muhammad Ali and Isaac Murphy, civil rights leaders Whitney Young Jr and Georgia Powers, and entertainers Ernest Hogan, Helen Humes and the Nappy Roots. Featuring entries on the individuals, events, places, organizations, movements and institutions that have shaped the state's history since its origins, the volume also includes topical essays on the civil rights movement, Eastern Kentucky coalfields, business, education and women. For researchers, students and all who cherish local history, The Kentucky African American Encyclopedia is an indispensable reference that highlights the diversity of the state's culture and history.

*Who's Who in Contemporary Women's Writing* Jane Eldridge Miller, 2019-07-23 Unique in its breadth of coverage, Who's Who in Contemporary Women's Writing is a comprehensive, authoritative and enjoyable guide to women's fiction, prose, poetry and drama from around the world in the second half of the twentieth century. Over the course of 1000 entries by over 150 international contributors, a picture emerges of the incredible range of women's writing in our time, from Toni Morrison to Fleur Adcock, all are here. This book

includes the established and well loved but also opens up new worlds of modern literature which may be unfamiliar but are never less than fascinating

**Labor's Text** Laura Hapke, 2001 Hapke's book remarkable in scope and inclusiveness offers those concerned with American working people a mine of information about and analysis of the rich lived history of American laborers as that has been represented in fictions of every kind She provides an invaluable foundation for understanding the dirtiest of America's dirty big secrets the pervasiveness of class differences class discrimination indeed of class conflict in this the wealthiest nation in history Hers is an indispensable guided tour through more than a century and a half of literary representations of hands at their looms pickets on the line agitators on their soapboxes ordinary working women men and children in kitchens parks factories and fields across America Paul Lauter A K G M Smith Professor of Literature Trinity College Labor's Text sets over 150 years of the multi ethnic literature of work in the context of the history that informed it the history of labor organizing of industrial change of social transformations and of shifting political alignments Any scholar of American literature or American history cannot help but be enlightened by this boldly ambitious and illuminating book Shelly Fisher Fishkin professor of American studies University of Texas Austin Labor's Text traverses nearly two centuries of the U S literary response in fiction to workers and the work experience Casting her net more broadly than any of her predecessors Hapke's revision of the genre includes many recent writing not usually recognized as part of the tradition Coming at a moment when there is a steady increase in interest about class from color and gender inflected perspectives this is a work of committed scholarship that may well prove to be a crucial compass to reorient the thinking and scholarship of a new generation Alan Wald author of *Writing from the Left* A stunning work of scholarship It is an extraordinary achievement and an immense contribution to working class studies Janet Zandy author of *Calling Home Working Class Women's Writings* Laura Hapke is a professor of English at Pace University The winner of two Choice magazine Outstanding Academic Book awards she is the author of *Daughters of the Great Depression Women Work and Fiction in the American 1930s* and other books on labor fiction and working class studies

*Refusing to Be Made Whole* Anna LaQuawn Hinton, 2025-03-17 In *Refusing to Be Made Whole* Disability in Black Women's Writing author Anna LaQuawn Hinton examines how contemporary Black women writers present becoming disabled as a traumatic and violent experience of Black womanhood Nevertheless Black women embrace disabled Black womanhood by turning to Africanist spiritual understandings of wholeness which view debilitating injury and illness as not only physical but also spiritual not just an individual problem but a symptom of discord in the community Black women use these belief systems to reimagine healing in ways that make space for a variety of bodymindspirits Hinton maintains that this is not only a major theme in contemporary Black women's writing but that it also shapes the formal elements characteristic of the Black women's literary tradition *Refusing to Be Made Whole* analyzes texts published after the civil rights movements of the 1950s and 1960s focusing particularly on the late 1970s onward when Black women's writing flourished Through the lens of writings by authors such as Toni Cade Bambara Gayl Jones Gloria Naylor

Ntozake Shange Audre Lorde Alice Walker Toni Morrison Octavia Butler Sapphire and Sarah E Wright Hinton addresses prominent critical discourses within Black feminist literary studies Hinton approaches the intersections of Africanist spirituality race gender class and disability conversations about representation community motherhood and sexuality through a Black feminist disability studies framework Refusing to Be Made Whole embraces the complex and multifaceted nature of Black women s writing arguing that through this collision of race gender and spirituality Black women writers speak healing and wellness into their readers lives and their own **Writing African American Women** Elizabeth A.

Beaulieu,2006-04-30 Women have had a complex experience in African American culture The first work of its kind this encyclopedia approaches African American literature from a Women s Studies perspective While Yolanda Williams Page s Encyclopedia of African American Women Writers provides biographical entries on more than 150 literary figures this book is much broader in scope Included are several hundred alphabetically arranged entries on African American women writers as well as on male writers who have treated women in their works Entries on genres periods themes characters historical events texts places and other topics are included as well Each entry is written by an expert contributor and relates its subject to the overall experience of women in African American literature Entries cite works for further reading and the encyclopedia closes with a selected general bibliography African American culture is enormously diverse and the experience of women in African American society is especially complex Women were among the first African American writers and works by black women writers are popular among students and general readers alike At the same time African American women have been oppressed and texts by black male authors represent women in a variety of ways The first of its kind this encyclopedia approaches African American literature from a Women s Studies perspective and thus significantly illuminates the African American cultural experience through literary works Included are several hundred alphabetically arranged entries written by numerous expert contributors In addition to covering male and female African American authors the encyclopedia also discusses themes major works and characters genres periods historical events places and other topics Included are entries on such authors as Maya Angelou James Baldwin Frederick Douglass Nikki Giovanni June Jordan Claude McKay Ishmael Reed Sojourner Truth Phillis Wheatley And many others In addition the many works discussed include Beloved Blanche on the Lam I know Why the Caged Bird Sings The Men of Brewster Place Quicksand The Street Waiting to Exhale And many more The many topical entries cover Black Feminism Black Nationalism Conjuring Children s and Young Adult Literature Detective Fiction Epistolary Novel Motherhood Sexuality Spirituality Stereotypes And many others Entries relate their topics to the experience of African American women and cite works for further reading Features and Benefits Includes hundreds of alphabetically arranged entries Draws on the work of numerous expert contributors Includes a selected general bibliography Offers a range of finding aids such as a list of entries a guide to related topics and an extensive index Supports the literature curriculum by helping students analyze major writers and works Supports the social studies curriculum by helping students

use literature to understand the experience of African American women Covers the full chronological range of African American literature Fosters a respect for cultural diversity Develops research skills by directing students to additional sources of information Builds bridges between African American history literature and Women s Studies      **Feminism and Contemporary Women Writers** Radha Chakravarty,2014-05-30 This book attempts to deal with the problem of literary subjectivity in theory and practice The works of six contemporary women writers Doris Lessing Anita Desai Mahasweta Devi Buchi Emecheta Margaret Atwood and Toni Morrison are discussed as potential ways of testing and expanding the theoretical debate A brief history of subjectivity and subject formation is reviewed in the light of the works of thinkers such as Hobbes Hume Kant Hegel Marx Nietzsche Raymond Williams and Stephen Greenblatt and the work of leading feminists is also seen contributing to the debate substantially      **After the Pain** Fiona Mills,Keith B. Mitchell,2006 As a poet playwright novelist short story writer and critic Gayl Jones has always resisted labels in her quest to find a liberating voice for black women and herself With a poet s lyricism and a musician s ear for rhythm she continually seeks new ways to confront the barriers traumas insecurities and prejudices oppressing black women and by extension all women After the Pain Critical Essays on Gayl Jones is the first comprehensive collection of essays dedicated solely to the exploration of Jones s work Ranging from analyses of her use of language and music to reevaluations of her representation of sexuality and gender roles to examinations of the oft overlooked connections between Latin America and African Americans each of these essays investigates Jones s desire to continually complicate the process of identity formation      Women Take Care Katie Hogan,2018-08-06 Self sacrificing mothers and forgiving wives caretaking lesbians and vigilant maternal surrogates these good women are all familiar figures in the visual and print culture relating to AIDS In a probing critique of that culture Katie Hogan demonstrates ways in which literary and popular works use the classic image of the nurturing female to render queer AIDS more acceptable while consigning women to conventional roles and reinforcing the idea that everyone with this disease is somehow suspect In times of crisis the figure of the idealized woman who is modest and selfless has repeatedly surfaced in Western culture as a balm and a source of comfort and as a means of mediating controversial issues Drawing on examples from journalism medical discourse fiction drama film television and documentaries Hogan describes how texts on AIDS reproduce this historically entrenched paradigm of sacrifice and care a paradigm that reinforces biases about race and sexuality Hogan believes that the growing nostalgia for women s traditional roles has deflected attention away from women s own health needs Throughout her book she depicts caretaking as a fundamental human obligation but one that currently falls primarily to those members of society with the least power Only by rejecting the stereotype of the good woman she says can Americans begin to view caretaking as the responsibility of the entire society
