Evasions Récit Autobiographique:

Ruptures du récit Alison Boulanger, 2021-02-12T00:00:00+01:00 Le monde se compose de tessons qui se parpillent c'est un obscur chaos incohérent que seule la critique maintient Ces mots de Imre Kertész accordent à la critique la force de sauver un monde en perpétuelle désagrégation Or une telle critique ne peut que boucher sur une forme en péril tendue entre un chaos menaçant et une cohérence toujours visible jamais atteinte exhibant ses propres tatonnements et se enfantant dans la douleur Les articles réunis dans ce volume ont pour objet les trous, brisures et montages de la prose narrative au xx^e siècle entre autres dans les œuvres de Handke, Simon, Perec, Levi, Tabucchi, Kertész, Glissant pour qui le récit ne saurait être qu'un champ de forces où se affrontent le désastre et la menace de la désintégration Dans cette forme discontinue le nombre de crivains et de critiques voient la marque même de la modernité la recherche formelle est inextricablement liée à un questionnement politique le désordre du récit implique une flexion sur l'Histoire et sur la possibilité de la critiquer La forme hachée laquelle aboutissent les auteurs peut être l'indice d'une faillite le récit chouant représenter l'irreprésentable Mais elle peut aussi se voir investie d'une valeur critique contre le mensonge d'une forme lisse le récit discontinu revenant inlassablement sur lui-même se fait l'instrument d'une flexion que le lecteur est invité à poursuivre

t moignage ce texte se fait errance littéraire exploration brute d'une psyché qui se confronte à l'indicible et tente de l'apprivoiser par les mots. L'écriture devient ici une traversée, un combat, une quête d'ancrage dans un monde mouvant insaisissable. Mais force d'exhumer la vérité ne risque-t-on pas d'y laisser une part de soi ? C'est au lecteur d'en décider. Condition d'oser plonger sans repères dans cet océan de conscience où chaque vague pourrait être la dernière. PROPOS DE L'AUTEUR
branlé par son divorce, Thomas Besch a traversé de profonds troubles psychiques. Cherchant à apprivoiser ses tourments, il a tenté de les nommer, de leur donner une forme par l'écriture dans un effort de reconstruction et d'apaisement. Ancien pilote et enseignant, il a choisi de s'ancrer en Haute Savoie où il poursuit son chemin entre ciel et mots, entre errance et quête d'équilibre.
