*What Can and Can't be Said* Dell Upton, 2015-01-01 An original study of monuments to the civil rights movement and African American history that have been erected in the U S South over the past three decades this powerful work explores how commemorative

structures have been used to assert the presence of black Americans in contemporary Southern society The author cogently argues that these public memorials ranging from the famous to the obscure have emerged from and speak directly to the region s complex racial politics since monument builders have had to contend with widely varied interpretations of the African American past as well as a continuing presence of white supremacist attitudes and monuments Book jacket
