Silver,2000 Provides an overview of Western science from the Renaissance to the present      **David Mamet** Janice A. Sauer,David K. Sauer,2003-09-30 The most complete record of a contemporary American dramatist available David Mamet A Resource and Production Sourcebook is the result of ten years research by a widely published drama and theatre scholar and a university bibliographic specialist Presenting a complete overview of all reviews and scholarship on Mamet the authors challenge assumptions about the playwright such as the charge that he is an antifeminist writer This comprehensive sourcebook is an essential purchase for Mamet scholars and students of American drama alike David Mamet A Resource and Production Sourcebook reflects the revolution underway in the study of drama in which not only previous scholarship but performance reviews are a necessary part of research It gives a complete listing and overview of over 250 scholarly articles and chapters of books on Mamet s plays It also presents the complete production history of each play including review excerpts The authors have produced an invaluable guide to research into this key contemporary dramatist      *Employment Law* James Holland,Stuart Burnett,2007 The 2007 edition of Employment Law offers a practical and comprehensive guide to the preventive measures that can be taken and the litigation problems most commonly presented to practitioners in this area of the law Case study questions as well as exercises examples and flow diagrams throughout the book allow students to assess their understanding of the key issues Key point summaries at the end of most chapters help students identify the most important topics covered Employment Law has been fully revised and updated to cover all recent UK and European case law statutory materials and developments in practice This edition also has

an Online Resource Center containing updates to statutory law This allows the student to be fully informed of new developments within the subject

*Food Quality and Consumer Value* Monika J.A. Schröder,2013-03-09 Consumer markets for foods and beverages in developed countries are well supplied and highly fragmented Yet the question being asked is how close retailers actually come to fulfilling their customers requirements The concept of consumer value is one of the main pillars underpinning the theory of market differentiation This book takes an interdisciplinary approach to the analysis of satisfaction in relation to the consumption of food with both food science and consumer science playing central parts It approaches food quality from both the technical and the consumer satisfaction perspectives and assesses the roles of management and regulatory tools in delivering food quality for all Each area is discussed in detail using the appropriate technical terminology but keeping the text accessible to readers from both academic traditions as well as to non specialist readers

Tomorrow's World Duncan McLaren,Dr Duncan|Bullock McLaren (Simon|Yousuf, Nusrat),Simon Bullock,Nusrat Yousuf,2013-11-05 This title uses the concept of environmental space to resolve many of the issues facing us in the future and applies the lessons specifically to the UK Believing that we occupy more environmental space than the world can afford this book seeks to explain what we can do to live comfortably within what we actually have through efficiency and sufficiency In addition it aims to present the sustainable levels of consumption for Britain as targets for government industry and households as well as an idea of how to achieve them
