Evening Meal:

Everyday Eating in Denmark, Finland, Norway and Sweden Jukka Gronow, Lotte Holm, 2019-04-18 The chapters in this volume concentrate on the mundane and ordinary eating practices of the everyday showing how these are linked to change in modern society The contributors present a collection of systematic empirical results from a unique study based on representative samples of four Nordic populations Denmark Finland Norway and Sweden conducted at two time points 15 years apart The results of this unprecedented longitudinal survey leads the contributors to question many commonly held beliefs about the presumed and feared collapse of the traditional eating habits family meals and regular meal patterns As the social organization of eating is in many ways related to developments in other social institutions such as family education and work chapters provide interesting insights into contemporary society with key topics selected for scrutiny including gender food types diet and health and cooking practices Additionally the chapters highlight changes in the gendering of food practices and signs of increasing informality around meals

Making Dinner Roblyn Rawlins, David Livert, 2019-01-10 With a vast selection of foods and thousands of recipes to choose from how do home cooks in America decide what to cook and what does their cooking mean to them Answering this question Making Dinner is an empirical study of home cooking in the United States Drawing on a combination of research methods which includes in depth interviews with over 50 cooks and cooking journals documenting over 300 home cooked dinners Roblyn Rawlins and David Livert explore how American home cooks think and feel about themselves food and cooking Their findings reveal distinct types of cook the family first cook the traditional cook and the keen cook and demonstrate how personal identities family relationships ideologies of gender and parenthood and structural constraints all influence what ends up on the plate Rawlins and Livert reveal research that fills the data gap on practices of home cooking in everyday life This is an important contribution to fields such as food studies health and nutrition sociology social psychology anthropology gender studies and American studies

The Rituals of Dinner Margaret Visser, 2015-06-23 A New York Times Notable Book A renowned scholar explores the way we eat across cultures and throughout history From the wild parties of ancient Greece to the strictures of an Upper East Side meal to the ritualistic feasts of cannibals Margaret Visser takes us on a fascinating journey through the diverse practices customs and taboos that define how and why we prepare and consume food the way we do With keen insights into small details we take for granted such as the origins of forks and chopsticks or why tablecloths exist and examinations of broader issues like the economic implications of dining etiquette Visser scrutinizes table manners across eras and oceans offering an intimate new understanding of eating both as a biological necessity and a cultural phenomenon Witty and impeccably researched The Rituals of Dinner is a captivating blend of folklore sociology history and humor In the words of the New York Times Book Review Read it because you ll never look at a table knife the same way again
