## Evening News:

*Deciding What's News* Herbert J. Gans, 2004 Herbert J Gans is the Robert S Lynd Professor of Sociology at Columbia University Book Jacket *The Nightly News Nightmare* Stephen J. Farnsworth, Robert S. Lichter, 2007 Beginning with the 1988 presidential election and now updated through 2004 *The Nightly News Nightmare* shows how network news coverage of what is arguably the nation's most important political event has declined Through extensive analysis of news content from the Big Three and Fox acclaimed media scholars Farnsworth and Lichter compare what the candidates said with what the networks say they said and judge the disparity a nightmare The authors go on to suggest that perhaps the candidates themselves do a better job of portraying the campaigns than those who used to be the trusted network guardians of the news While making clear that overall coverage of the Bush Kerry race marked an improvement compared to previous elections Farnsworth and Lichter also point out that in other ways things were worse ***Finding God in the Evening News*** Jody Dean, 2004 An award winning journalist looks at fascinating news stories and people of the past thirty years to show readers that God is indeed at work behind the headlines ***Evening News*** Marly Swick, 2000-10-01 Nine year old Teddy is playing next door with his best friend when Eric pulls out his father's handgun and hands it to Teddy The telephone rings the gun goes off shooting and killing Teddy's two year old half sister Trina who was playing in a wading pool in the yard outside with Giselle their mother by her side Thus begins Marly Swick's second novel after the highly acclaimed *Paper Wings* As with her previous work Swick resolutely travels the domestic landscape detailing delicately and truthfully the effect of Trina's death on the unstable triangle of the family left behind Each member finds their bonds of love and loyalty tested and each is resilient in the face of their loss but for different perhaps too different reasons Giselle must get Teddy through the crisis but Dan his stepfather having just lost his daughter has no such responsibility Told alternately from the point of view of Giselle and Teddy himself *Evening News* is a beautifully accomplished novel about resilience in the face of loss and about the irrevocable damage that both the loss and the resilience can inflict A book that *Catalog of Copyright Entries, Third Series*, 1976 ***The Case of Joe Hill*** Philip Sheldon Foner, 1966 Examines the life of the famous Wobbly poet songwriter and labor organizer whose execution for murder is seen by many as a case of class persecution *Santa Cruz Beach Boardwalk* Chandra Moira Beal, Richard A. Beal, 2003 First comprehensive book about the Santa Cruz Beach Boardwalk Fred Swanton Father of the Boardwalk Cocoanut Grove ballroom eliminating sin liquor and skimpy bathing suits Neptune Casino tragic fire and reconstruction famous salt water Plunge Giant Dipper wooden rollercoaster Casa del Rey luxury hotel Pleasure Pier Looff's 1911 Carousel Seaside Company origins Thompson's Scenic Railway the Balboa pleasure ship Includes over 175 historic photographs and much more P 3 of cover *Clifford Case and the Challenge of Liberal Republicanism* William R. Fernekes, 2023-08-01 Clifford P Case was an exemplary liberal Republican during his 33 years in Congress including 4 terms in the U S Senate A strong advocate of civil and human rights environmental protection high ethical standards for public

officials and U S global leadership Case was a highly respected member of the GOP from 1945 1979 Even so GOP conservatives repeatedly sought to oust Case finally succeeding as the Republican party moved inexorably to the right This book tells Case s life story his ascendancy in GOP politics his achievements and disappointments in Congress and his unexpected loss in the 1978 NJ GOP primary to Reagan prot g Jeffrey Bell Case emerges as a courageous politician of principle who valued country over party and regularly formed coalitions with Democrats concerning major foreign and domestic policy issues ending the Vietnam War passing landmark civil rights legislation and reasserting the Senate s role in foreign policy oversight The biography also analyzes the gradual decline of liberal Republican influence in the GOP culminating in Ronald Reagan s 1980 election and the triumph of movement conservatism For readers who decry America s political polarization Case s career demonstrates that electoral and legislative achievements need not rely on appeals to political extremes Watching M\*A\*S\*H, Watching America James H. Wittebols,2003-06-19 It has been said that M A S H was a show set in the 1950s which reflected the shifting values of the 1970s and early 1980s Hawkeye Pierce Radar O Reilly Trapper John McIntyre Sherman Potter Margaret Hot Lips Houlihan B J Hunnicutt Frank Burns Charles Emerson Winchester Max Klinger these and the many other characters who populated the MASH 4077 used the Korean War as a backdrop to comment on many of the social issues of their day Using a unique blend of comedy and drama the show s first three seasons 1972 1975 focused on the anti Vietnam War sentiment that consumed much of America As Vietnam ended M A S H moved on to concentrate on other contemporary issues the women s movement the rise of the religious right in American politics the new narcissism that marked the early 1980s the heightened awareness of underage or excessive alcohol use and the increased emphasis on family in American life How the series presented these issues and its success in doing so are the subjects of this critical study An episode listing brief plot outline casts and credits air dates and titles is also provided

**Catalog of Copyright Entries** Library of Congress. Copyright Office,1976 **Containment and Credibility** Pat Proctor,2016-11-22 Is it possible that a president and his administration would purposefully mislead the American public so that they could commit the United States to a war that is not theirs to fight Anyone with even a remote memory of the phrase weapons of mass destruction probably finds such a question naive On the eve of the fiftieth anniversary of the Vietnam War those with longer memories would consider the unquestioning acceptance of Saddam Hussein s gathering threat even more naive Providing historical context that highlights how the decision to use force is made as well as how it is sold Containment and Credibility explores how the half truths and outright lies of both the Johnson and Nixon administrations brought us into a conflict that cost more than fifty thousand American lives over eight years As we consider how best to confront the growing threat of ISIS it is increasingly important for the public to understand how we were convinced to go to war in the past In the 1960s the domino theory warning of the spread of communism provided the rationale for war followed by the deception of the Gulf of Tonkin Incident and the resulting resolution that essentially gave LBJ a blank check This book will show how this

deception ultimately led to the unraveling of the Johnson presidency and will explore the credibility gap that led to the public political debate of that time Containment and Credibility applies the lessons of the sixties to today's similar debates regarding military involvement Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Elizabeth Gurley Flynn Mary Anne Trasciatti, 2025-06-17 Elizabeth Gurley Flynn was involved in almost every major campaign of the U S Left in the first two thirds of the twentieth century An outstanding orator writer and tactician Flynn is one of the most important figures in the history of the American labor movement Inspired by the Irish freedom struggle and appalled by the exploitation and grinding poverty she saw around her she devoted her life to the advancement of civil liberties Here Mary Anne Trasciatti traces Flynn's personal and political life to explore the broader social issues of a fraught era Born in 1890 Flynn began her activist career by joining the Industrial Workers of the World IWW when she was just sixteen and she ended it as the first female chair of the American Communist Party a position she held from 1961 until her death in 1964 In the intervening years she organized workers into unions led strikes championed women's rights supported anti imperialist movements around the globe protested deportation advocated for prison reform and fought for Black liberation Above all she showed absolute devotion to workers and their struggles Slandered as an un American in the anticommunist fervor of the 1940s and 1950s Flynn was eventually ousted from the very organization she helped found the American Civil Liberties Union and imprisoned for two years Though her own movement abandoned her her commitment to the cause never wavered This stirring biography illuminates Flynn's inspiring life and worldview and returns her to her rightful place at the heart of labor and civil liberties history

*The Studios of Frances and Margaret Macdonald* Janice Helland, 1996

**The Fragile Bridge** Steve Golin, 1988 In this full length study of the 1913 Paterson silk strike Steve Golin examines the creative collaboration between the silk workers organizers from the Industrial Workers of the World and Greenwich Village intellectuals Although the strike was defeated this alliance could become a model for the American left because it suggests the possibilities of connecting economic political and cultural struggles Combining perspectives from labor history social history and intellectual history Golin argues that while the silk workers began the 1913 strike and controlled it themselves the IWW helped them create institutions that supported the strike and reinforced its radically democratic character The deadlock in Paterson dictated the need for a bridge to New York that was facilitated by a growing mutual trust between the Wobblies and intellectuals from Greenwich Village At the height of the struggle the IWW and the Village radicals joined the workers in presenting a powerful strike pageant in Madison Square Garden The story of the 1913

silk strike is important because it challenges long held conservative assumptions about labor history including the elitist role of skilled workers the bureaucratic function of union organization and the irrelevance of intellectuals Although the strikers were ultimately defeated the strike s failure had more damaging consequences for the IWW and the intellectuals than for the workers themselves and Golin views this loss as a major turning point for the American left Author note Steve Golin is Professor of History at Bloomfield College in New Jersey

**Soldiering On in a Dying War** William J. Shkurti, 2022-07-05

By the autumn of 1971 a war weary American public had endured a steady stream of bad news about the conduct of its soldiers in Vietnam It included reports of fraggings massacres and cover ups mutinies increased racial tensions and soaring drug abuse Then six soldiers at Fire Support Base Pace a besieged U S artillery outpost near the Cambodian border balked at an order to conduct a nighttime ambush patrol Four days later twenty soldiers from a second unit objected to patrolling even in daylight The sensation these events triggered in the media along with calls for a congressional investigation reinforced for the American public the image of a dysfunctional military on the edge of collapse For a time Pace became the face of all that was wrong with American troops during the extended withdrawal from Vietnam William Shkurti however argues that the incidents at Firebase Pace have been misunderstood for four decades Shkurti who served as an artillery officer not far from Pace uses declassified reports first person interviews and other sources to reveal that these incidents were only temporary disputes involving veteran soldiers exercising common sense Shkurti also uses the Pace incidents to bring an entire war and our withdrawal from it into much sharper focus He reevaluates the performance and motivation of U S ground troops and their commanders during this period as well as that of their South Vietnamese allies and North Vietnamese adversaries reassesses the media and its coverage of this phase of the war and shows how some historians have helped foster misguided notions about what actually happened at Pace By taking a closer look at what we thought we knew Shkurti persuasively demonstrates how combat units still in harm s way adapted to the challenges before them and soldiered on in a war everyone else wanted to be over In doing so he also suggests a context to better understand the challenges that may lie ahead in the drawdown of troops from Iraq and Afghanistan

*A Chronology of the Life of Sir Arthur Conan Doyle* Brian W. Pugh, 2018-12-11

*A Chronology of the Life of Sir Arthur Conan Doyle* was first published in 2009 this was fully revised expanded in 2012 and 2014 an Addenda some have not appeared in print before This publication proves that there is more to Arthur Conan Doyle than just Sherlock Holmes

**Tender Darkness: A Mary MacLane Sampler** Mary MacLane, 2014-11-21

Mary MacLane comes off the page quivering with life She is before her time Moving London Times With her first book written in 1901 at age nineteen she was hailed as a marvel by the likes of H L Mencken Clarence Darrow and Harriet Monroe She went on to become a pioneering newswoman gambler extraordinaire bon vivant and a star of the silent screen She influenced Gertrude Stein inspired F Scott Fitzgerald was puzzled over by Mark Twain and upon her death in 1929 was eulogized as an errant daughter of literature the first of the self expressionists and also the first of the Flappers

as the creator of that revolution in manners that transvaluation of values in the female code of behavior known as the Roaring Twenties In this authoritative critical edition the best of Mary MacLane returns to print With the complete text of her striking first book with all expurgated passages restored a selection of her colorful newspaper feature articles a full length 1902 interview with the enigmatic author detailed notes and bibliography Tender Darkness A Mary MacLane Sampler reacquaints the reading public with a literary genius who took on the establishment and won Mary MacLane's first book was the first of the confessional diaries ever written in this nation and it was a sensation N Y Times editorial Anyone who reads her will never forget her voice Biographile She reminds us of the power of personal narrative honestly told The Atlantic In a pre soundbite age she already knew how to draw blood in one direct sentence The Awl She had a short but fiery life of writing and misadventure and her writing was a template for the confessional memoirs that have become ubiquitous The New Yorker One of the most fascinatingly self involved personalities of the 20th century The Age A girl wonder Harper's Confessional journalists have people like Mary MacLane to thank Flavorwire Her diaries ignited a national uproar ushering in a new era for women's voices Her elegant ambitious embrace of full disclosure opened a door to what was possible for women The Atlantic Fiery frankness made her a pioneer Time Out Chicago Her poetry is one of extremes lust for happiness despair for life Hairy Dog Review Riveting N H Public Radio I Await the Devil's Coming is a small masterpiece full of camp and swagger Parul Sehgal NPR Pioneering newswoman later silent screen star considered the veritable spirit of the iconoclastic Twenties Boston Globe A pioneering feminist a sensation Feminist Bookstore News First of the self expressionists and the first of the Flappers Chicagoan Check marymaclane.com for exclusive content news and previews

**Stigma Cities** Jonathan Foster, 2018-09-27 Growing up in Birmingham Alabama a city that he loved Jonathan Foster was forced to come to grips with its reputation for racial violence In so doing he began to question how other cities dealt with similar kinds of stigmas that resulted from behavior and events that fell outside accepted norms He wanted to know how such stigmas changed over time and how they affected a city's reputation and residents Those questions led to this examination of the role of stigma and history in three very different cities Birmingham San Francisco and Las Vegas In the era of civil rights Birmingham became known as Bombingham a place of constant reactionary and racist violence Las Vegas emerged as the nation's most recognizable Sin City and San Francisco's tolerance of homosexuality made it the perceived capital of Gay America Stigma Cities shows how cultural and political trends influenced perceptions of disrepute in these cities and how in turn their status as sites of vice and violence influenced development decisions from Birmingham's efforts to shed its reputation as racist to San Francisco's transformation of its stigma into a point of pride to Las Vegas's use of gambling to promote tourism and economic growth The first work to investigate the important effects of stigmatized identities on urban places Foster's innovative study suggests that reputation no less than physical and economic forces explains how cities develop and why An absorbing work of history and urban sociology the book illuminates the significance

of perceptions in shaping metropolitan history      *Radio News* ,1923 Some issues 1943 July 1948 include separately paged and numbered section called Radio electronic engineering edition called Radionics edition in 1943      **The Sectarian Myth in Scotland** M. Rosie,2004-06-22 The question of sectarianism in Scotland belongs within a wider framework than it has hitherto been placed It offers insights into continuing indeed pressing debates about religious identity and civil and political society in the modern world This book questions the view that religion and politics do not and cannot mix in pluralistic tolerant and increasingly secular societies and reveals that memories bitter memories can outlive and obscure the demise of actual conflict

Right here, we have countless books **Evening News** and collections to check out. We additionally offer variant types and along with type of the books to browse. The gratifying book, fiction, history, novel, scientific research, as competently as various additional sorts of books are readily simple here.

As this Evening News, it ends up subconscious one of the favored ebook Evening News collections that we have. This is why you remain in the best website to look the incredible ebook to have.
