The History Of Us

Philip Leslie,2005-11-19 The History of Us is a beautiful exploration of love and obsession based on the stories of a group of friends growing up in Norfolk and told in reflection focused on the incredibly close but conversely fractious relationship of the two central characters Told in three parts The History of Us explores the relationships between the two and a close friend bonded by love but also by a single tragic moment in their shared lives As the book unfolds we hear many whispers which shift our understanding of that tragic day and ultimately of course our perceptions of the characters and theirs of each other Although we are offered a kind of resolution in the final pages there remains a sense of ambivalence and unease that disturbs
