Chineme, 2010-03 As humans things happen to us sometimes that we cannot fully understand We desire to explain them when from human perspective there s no explanation that really exists Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us They oftentimes shake the foundations of our faith in God to the core But as much as not knowing hurts at no time should our reaction be to accuse God for things we don t understand Rather we should know that God is not always the

architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him His promise however is one thing and that is that He ll work it all out for HIS OWN ENDS even the wicked for a day of disaster Proverbs 16 4b However your pain occurred God s declared intentions are that He ll use all of your problems any which way they present to work out His will for your life The deaths of some of the people that went before us is proof that for reasons best known to Him God at times chooses not to deliver people that take a stand with Him And it s not because He hated such people but because of what He already planned to use the situation for

says there is nothing that God can't do Nothing is impossible with God Pastor Zem remains an inscrutable purveyor of Truth and is always there to remind Wendy of the Bible Truth that can solve any problem we face Even in the face of the Devil and his cohorts Wendy Trotter and Pastor Zem hold high the Cross and frustrate the witches and the warlocks Some of Old Scratch's followers wind up in the church And there we see the age old conflict of Christ versus the Antichrist I enjoyed bringing Wendy Trotter to a wide audience through Trafford Publishing and I hope that you will not only enjoy it but pass the word to your friends that there is now a new Christian genre in literature that they may enjoy as well And may this book be a blessing to you and yours Winston Rice June 2002
