Evergreen Review Reader, 1957-1967 ; a Ten-year Anthology Barney Rosset (ed),1968 **Samuel Beckett's Legacies in American Fiction** James Baxter,2021-11-30 Samuel Beckett's Legacies in American Fiction provides an overdue investigation into Beckett's rich influences over American writing Through in depth readings of postmodern authors such as Robert Coover Donald Barthelme Thomas Pynchon Don DeLillo Paul Auster and Lydia Davis this book situates Beckett's post war writing of exhaustion and generation in relation to the emergence of an explosive American avant garde In turn this study provides a valuable insight into the practical realities of Beckett's dissemination in America following the author's long standing relationship with the countercultural magazine Evergreen Review and its dramatic role in redrawing the possibilities of American culture in the 1960s While Beckett would be largely removed from his American context this book follows his vigorous albeit sometimes awkward reception alongside the authors and institutions central to shaping his legacies in 20th and 21st century America **Pieces of Resistance** Eugene Goodheart,1987 Pieces of Resistance is a 1988 collection of Eugene Goodheart's essays and reviews written between 1960 and 1985 The book responds to the political cultural and literary changes expressed during this period by novelists critics and journalists Goodheart's book is divided into three parts The first section discusses critics Trilling Rahv Leslie Fiedler Geoffrey Hartman David Bleich and Susan Sontag to name a few The second part devotes itself to contemporary culture and includes essays on journals such as The New York Review of Books Commentary and The Evergreen Review which in the 1960s and early 1970s provided a well lit playground for various political cultural and literary themes Finally Goodheart examines the work of many modern writers with essays on Isaac Bashevis Singer Daniel Fuchs Ralph Ellison Nadine Gordimer V S Naipaul Bernard Malamud William Styron Donald Barthelme Raymond Carver and Saul Bellow Goodheart does not pretend to impersonal objectivity his commitment to evaluative criticism is a deliberate response to increasingly specialized forms of criticism **Patrick Geddes's Intellectual Origins** Murdo Macdonald,2020-02-03 No detailed description available for Patrick Geddes's Intellectual Origins **Chain of Secrets** Debbie McGowan,2023-02-07 The story of George and Josh two little boys who became best friends two adolescents who stayed best friends two young adults with secrets that might change their friendship forever Josh and George have always shared the special bond of friendship From days in primary school to holidays spent riding their bikes along the canal theirs is a promise to remain best friends forever But can that promise withstand the trials of adolescence and the changes in their feelings towards each other NOTE this is a fully stand alone story but it contains significant spoilers for anyone reading the Hiding Behind The Couch series and should be read after The Harder They Fall season three **A Midnight Clear** Debbie McGowan,2014-12-01 A story from Boughs of Evergreen A Holiday Anthology A MIDNIGHT CLEAR by DEBBIE MCGOWAN It's a cold desperate December when a young girl flees home in search of food shelter and the real Santa Claus Stranded in George and Josh's hometown she discovers that the spirit of Christmas can be found in the most

Transatlantic Intellectual Networks, 1914-1964 Hans Bak, Céline Mansanti, 2019-11-13. The twelve essays in this book by scholars from the U.S., France, Germany, the Netherlands, and the Czech Republic offer new transnational perspectives in transatlantic historical, literary, and cultural studies. They explore the special role of American and European intellectuals as agents of transatlantic cultural transfer and examine the mechanisms and instruments through which artists, writers, and intellectuals communicated across oceans and national borders in the half century between 1914 and 1964. Their focus is on transatlantic networks and the instruments of culture through which such networks become operative as sites of cross-cultural exchange, circulation, and interaction: magazines, cafés, publishing houses, book fairs, agents, translators, and mediators, and last but not least, transatlantic personal friendships. Contending that the dynamics of transatlantic cultural transfer need to be understood as reciprocal and multi-directional, they also exemplify the shift within transatlantic intellectual history from a traditional concern with European-U.S. relations to a multidirectional, triangular exploration of cultural, political, and intellectual relations between

Europe the United States and Latin America *Not My Christmas* Debbie McGowan, 2019-12-25 Christmas at the Davenports has never been a relaxing affair so when the opportunity for a little alone time with a beautiful available woman comes Charlie Davenport's way she takes it breaking several family traditions and risking the wrath of her siblings But it'll be worth it right And she can always make it up to them later or next Christmas For readers of the Hiding Behind The Couch series *Not My Christmas* comes several months after Reunions Season Seven and immediately after The Advent of Reason

Meredith's Dagger Debbie McGowan, 2019-08-20 Huddled in a doorway unseen by the men passing on great horses Meredith watched from within the hood of her cloak The pain of the cold wet morning impaled her rooting her in place even as the cat rubbed against her shins with a force that should have felled her She shooed him away Go home But he would not She wished she had died that night She wished she had died for to live like this was not to live at all When Richie Moorcroft takes a housekeeping position to finance his studies it means moving back to his childhood home an ancient almost derelict cottage locals claim is haunted But he never believed those stories he knows where they came from and in any case he has a job to do keeping nineteen year old Julian Denby on the straight and narrow without Julian realising his wealthy parents are paying Richie to do so Luckily Julian's not very astute although the same can't be said for their newest housemates Richie's bestie Anneke and Julian's older sister Tamara Add in George the cat who appeared from nowhere and is in no hurry to leave and that makes five about to uncover the sinister history of their new home
