*The Dramatic Concepts of Antonin Artaud* Eric Sellin,2017-01-01 **The Cambridge Companion to Erotic Literature**

Bradford K. Mudge, 2017-09-07 The Cambridge Companion to Erotic Literature offers an introduction to key debates in the study of erotic literature from antiquity to the present. It addresses one of the longest standing controversies in literary history: the boundary between acceptable and unacceptable treatments of human sexuality. Whether scurrilous Roman satire, irreverent Restoration drama, or bold Modernist novel, erotic literature pushes the boundaries of the acceptable and challenges the conventions of more mainstream literatures. In fifteen chapters that range from ancient Greece and Rome to twentieth century American English, French and Dutch literature experts in the field confront a variety of related topics such as the definition and scope of erotic literature, the nature of textual pleasure, historical shifts in the understanding of the normal and the perverse, the relationship between gender and genre, sexual violence, homosexuality, sadomasochism, necrophilia, satire, pornography, etc. Students new to the scholarship are provided with a clear and useful introduction; those already familiar with the field are given an exciting glimpse into the most recent work.

**The Cult Film Experience** J. P. Telotte, 2014-02-19 Play it again Sam is the motto of cult film enthusiasts who will watch their favorite movie over and over beyond all reason. What is the appeal of cult movies? Why do fans turn up in droves at midnight movies or sit through the same three hanky classics from Hollywood's golden era? These are some of the questions J. P. Telotte and twelve other noted film scholars consider in this groundbreaking study of the cult film. The book identifies two basic types of cult films: older Hollywood movies such as *Casablanca* that have developed a cult following, and midnight movies, most notably *The Rocky Horror Picture Show*. Telotte, Bruce Kawin, and Timothy Corrigan offer thought-provoking discussions about why these two types of movies become cult films, the sort of audience they attract, and the needs they fulfill for that audience. Subsequent essays employ a variety of cultural, feminist, ideological, and poststructural strategies for exploring these films. In a section on the classical cult film, the movie *Casablanca* receives extensive treatment. An essay by T. J. Ross considers *Beat the Devil* as a send-up of cult films, while another essay by Wade Jennings analyzes the cult star phenomenon as personified in Judy Garland. Midnight movie madness is explored in essays on *The Rocky Horror Picture Show*, movie satires of the 1950s, science fiction, double features, and horror thrillers. Illustrated with scenes from favorite movies and written for both fans and scholars, *The Cult Film Experience* will appeal to a wider audience than the usual suspects.

**Mania** David M. Skover, Ronald K. Collins, 2013-03-01 By the time Lucien Carr stabbed David Kammerer to death on the banks of the Hudson River in August 1944, it was clear that the hard-partying teenage companion to Jack Kerouac, Allen Ginsberg, Neal Cassady, and William S. Burroughs might need to reevaluate his life. A two-year stint in a reformatory straightened out the wayward youth but did little to curb the wild ways of his friends. *Mania* tells the story of this remarkable group who strained against the conformity of postwar America, who experimented with drink, drugs, sex, jazz, and literature, and who yearned to be heard, to remake art and society in their own libertine image. What is more remarkable than the manic lives they led is that they succeeded in remaking their own generation and inspiring the ones that followed. From the breakthrough success of Kerouac's *On the*

Road to the controversy of Ginsberg's *Howl* and Burroughs' *Naked Lunch* the counterculture was about to go mainstream for the first time and America would never be the same again Based on more than eight years writing and research Ronald Collins and David Skover authors of the highly acclaimed *The Trials of Lenny Bruce* 2002 2012 bring the stories of these artists hipsters hustlers and maniacs to life in a dramatic fast paced and often darkly comic narrative *The Publishers' Trade List Annual* ,1976 *Holocaust Literature: Agosín to Lentin* S. Lillian Kremer,2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004
