

An aerial photograph of a beach at sunset or sunrise. The golden light of the low sun reflects off the wet sand and the white foam of the waves. The waves are breaking in a rhythmic pattern along the shoreline. The sand is a warm, golden-brown color, and the water is a mix of deep blue and white foam.

You are loved with an everlasting
love. And underneath are the
everlasting arms.

My encounter with Jacob my calling My life changing experience started many years ago when a messenger from God asked me to acknowledge the word of God I was at a train station with two of my boys now in their thirties My messenger had a limp in his leg he was in his seventies olive skinned with thin build he carried nothing and with many people around he chose me to talk to and my boys where witnesses to his presence He asked if we could talk about God he said he came from the Holy Land and that God healed him from a light beaming from the heavens while in his tent he wanted me to receive his words to read the word from God and what was my beliefs in God I replied that I had the Bible but found it hard to understand the parables but I believed meanwhile our train arrived to take us to our destination home The train was only one carriage long because my stop was the last and only a one gate exit we got on the train including the man and he ask if he could continue our talk about God I felt fear and then this overwhelming change of love come over me We came to our last stop and we all got off when my boys said mum where is the man I replied he is behind me I looked in the train then on the small platform outside the gate even though he had to go past us but he had disappeared vanished Years past my life had become a mess with the death of my mother depression skin cancer I turned to someone for help God I never forgot my divine messenger neither my boys I knew my messenger was Jacob his limp was from his fight with God God let him live because of his strength and faith Jacob had asked God when he asked his name for healing and blessings Jacob called me to acknowledge God and God has given me the gift of his words a heavenly treasure to share with all to change lives to believe in God and his messengers who walk among us to call us to do good to make a difference to someone else now let me take you on the journey with Gods heartfelt prayers Lynda Hackford

The Complete Works of C. H. Spurgeon, Volume 63
 Spurgeon, Charles H., Volume 63 Sermons 3545 3561 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a

congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **The Works** John Bunyan,1737 **Sacred Songs and Solos with Standard Hymns Combined** Ira D. Sankey,2013-04-18 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **40 Hits, 40 Stories** Rick Simmons,2022-11-11 Innovative sounds in pop rock and soul in the 1960s and 1970s meant that music appealed to more people than ever before While some songs appealed to a broad audience some targeted a much narrower demographic meaning songs on the pop charts might not do as well on the adult contemporary or soul charts or vice versa This book examines forty songs featured on song charts of the 1960s and 1970s Charts considered are Billboard Pop Billboard Soul Adult Contemporary Cashbox and British Charts Each listing includes discussion of the factors that contributed to the songs popularity Author interviews with songwriters musicians and artists such as KC of KC and the Sunshine Band Mark Farner of Grand Funk Jerry Butler Ron Dante of the Archies and the Cuff Links Freda Payne Lou Christie Tommy Roe The Spinners and others tell the stories behind some of the era s most popular songs **The Works of John Bunyan: Experimental, doctrinal, and practical** John Bunyan,1850
