Every Bitter Thing Sweet:

Every Bitter Thing Is Sweet Sara Hagerty, 2014-10-07 Sara Hagerty masterfully draws from her own story of spiritual and physical barrenness to birth in readers a new longing for God With exquisite storytelling and reflection Hagerty guides readers to a tender place that God is holding just for them a place where he shapes the bitterness of lost expectations into deep new places of knowing Him In the age of fingertip access to answers and a limitless supply of ambitions where do we find the God who was birthed in dirt and straw Sara Hagerty found him when life stopped working for her She found him when she was a young adult mired in spiritual busyness and when she was a new bride with doubts about whether her fledgling marriage would survive She found him alone in the night as she cradled her longing for babies who did not come She found him as she kissed the faces of children on another continent who had lived years without a mommy s touch In Every Bitter Thing Is Sweet Hagerty masterfully draws from the narrative of her life to craft a mosaic of a God who leans into broken stories Here readers see a God who is present in every changing circumstance Most significantly they see a God who is present in every unchanging circumstance as well Whatever lost expectations readers are facing in family career singleness or marriage Every Bitter Thing Is Sweet will bring them closer to a God who longs for them to know him more What does it look like to know God s nearness when life breaks What does it mean to receive his life when earthly life remains barren How can God turn the bitterness of unmet desire into new flavors of joy With exquisite storytelling and reflection Hagerty brings readers back to hope back to healing back to a place that God is holding for them alone a place where the unseen is more real than what the eye can perceive A place where every bitter thing is sweet The Gospel herald; or, Poor Christian's magazine ,1861 Memoir and Remains of the Rev. Divine Contentment Thomas Watson, 2025-05-30 In a world where competition is sold as the key ingredient for success few would ever think of contentment as one of the most important features of a true Christian When even pastors and preachers are looking for counsel on how to improve their style how to boost their leadership abilities how to be more popular to come with this idea of contentment seems rather odd However the Bible has so much to say on this topic that its inspired authors came even to the shocking conclusion that if you combine godliness and contentment the result is of great gain So thought Puritan Thomas Watson who penned this wonderful book on the what and when and how of the divine contentment This book has been originally published in 1855 Current edition has been proofread typeset for eBook readers and updated for modern The Complete Works of C. H. Spurgeon, Volume 54 Spurgeon, Charles H., Volume 54 Sermons 3073 3124 readers Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years

after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon The cause of truth, containing, besides a great variety of other matter, a refutation of errors in the political works of T. Paine, and other publications of a similar kind, in a series of letters Robert Thomas (minister of Abdie.),1797 Of the Imitation of Christ Thomas Kempis,2024-01-30 Reprint of the original first published in 1875 The Cause of Truth Robert Thomas,1797 A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Chrysostom: On the priesthood; Ascetic treatises; Select homilies and letters; Homilies on the statutes,1889 Sabbath at Home,1867
