

“

Our Father who is in heaven,
uphold the holiness of your name.
Bring in your kingdom so
that your will is done on earth
as it's done in heaven.
Give us the bread we need for today.
Forgive us for the ways
we have wronged you,
just as we also forgive those
who have wronged us.
And don't lead us into temptation,
but rescue us from the evil one.”

Precious Few Clues Marla Bernard, 2023-04-11 A true crime account of the Kansas City police investigation of the murder of a three-year-old girl whose brutalized body took four years to identify. On an unseasonably warm April evening in 2001, the headless body of a tiny girl was found discarded in a makeshift dump site in the woods on the southeast side of Kansas City, Missouri. One long night turned into four long years for Sgt. David Bernard and the Kansas City Police Department's 1020 Squad. They followed 1,500 leads, had a replica of the child's head sculpted from her skull, and ultimately conducted the single most extensive area canvass in the KCPD's history. Erica Michelle Marie Green, aka Precious Doe, captured the hearts of not only the dedicated detectives who fought tirelessly to identify her and her killer, but of an entire community. *Precious Few Clues* is a candid and touching account of the painful impact that this brutal murder had on Sgt. Bernard, his family, and the KCPD's 1020 squad. It chronicles the all-too-frequent story of child abuse, failed social services, a flawed court system, and battered women who sacrificed their own children to shield their abusive lovers, echoing the same preposterous explanations of "but I love him."
