Every Man Is My Father:

, THE HOLY BIBLE, Containing the Old Testament and the New, 1619 **Christian Treasury**, 1858 **My Father's Cabin** Mark Phillips, 2025-05-06 In the Rust Belt of the 1960s a blue collar father works double shifts chasing elusive dreams a good night's sleep eternal life a cabin in the Allegheny Mountains where he can hunt and fish His son is a child of the times chasing his own dreams girls long hair politics and independence And both chase the same dream each other's elusive love This is a familiar story uniquely told in a voice that perfectly captures America at its most turbulent an era that continues to define the largest generation in American history My Father's Cabin chronicles life in America as the Greatest Generation gives way to the Me Decade as responsibility gives way to self fulfillment and then back again as responsibility becomes self fulfillment Journal of the Illinois State Historical Society, 1916 **In My Father's House** Ernest J. Gaines, 2012-10-24 A compelling novel of a man brought to reckon with his buried past In St Adrienne a small black community in Louisiana Reverend Phillip Martin a respected minister and civil rights leader comes face to face with the sins of his youth in the person of Robert X a young unkempt stranger who arrives in town for a mysterious meeting with the Reverend In the confrontation between the two the young man's secret burden explodes into the open and Phillip Martin begins a long neglected journey into his youth to discover how destructive his former life was for himself and for those around him on every page there's an authentic moment or a dead right knot of conversation or a truer than true turn of phrase Kirkus Reviews *In My Father's House* Mya Speller Cullins, 2017-04-07 In My Father's House is a direct revelation of God being an ever present help throughout the struggles life brings upon even the youngest child The favor of God coupled with his covering is exhibited throughout the childhood of this young girl and the numerous struggles she encountered while being brought up in the home of an individual who would later become her greatest stepping stone and becoming a teenage mother unaware of what destiny had lying in wait for her God not only shielded her life but also the lives of her entire family This protection is made evident through the outcome of God fulfilling a promise of the family's life of latter becoming greater In My Father's House will offer peace to the brokenhearted and assurance that God is able to move mountains especially during unforeseen times This book is for the young as well as old and teen mothers who believe hope is nowhere in sight people who society has counted out **The Self-explanatory Reference Bible**, 1860 **The Sky Pilot in No Man's Land** Ralph Connor, 2021-04-25 In The Sky Pilot in No Man's Land Ralph Connor presents a gripping narrative set against the backdrop of World War I weaving together themes of faith sacrifice and the indomitable human spirit The novella follows the journey of a sky pilot who serves as both a spiritual guide and a moral anchor amidst the chaos of war Connor employs a vivid and emotionally charged literary style blending elements of adventure and spiritual reflection which captures the reader's imagination while prompting deeper contemplation about the role of faith in times of crisis This work also reflects the wider literary context of early 20th century literature where the war profoundly influenced writers to explore the

complexities of human experience in the face of conflict Ralph Connor the pseudonym of the Canadian author Charles William Gordon was deeply influenced by his background as a minister and his experiences in Canada His intimate knowledge of both spiritual matters and the hardships faced by soldiers colored his portrayal of the sky pilot imbuing the narrative with authenticity and emotional depth Connor s commitment to social issues particularly those affecting veterans and the moral implications of war drove him to craft this poignant tale that resonates with universal themes of hope and resilience I recommend *The Sky Pilot in No Man s Land* to readers seeking a profound exploration of faith amid turmoil This novella not only offers a compelling story but also serves as a meditation on the enduring power of belief and human connection in the most challenging of circumstances It is a must read for those interested in literature that transcends its time echoing with relevance to contemporary discussions about war and spirituality

In My Father's Name Mark Arax, 1997-08 On January 2 1972 Mark Arax's childhood came to a sudden explosive end when his father was shot to death at his nightclub in Fresno California It was one of the most sensational murders in California's heartland and it was never solved Mark only fifteen years old at the time was left with a legacy of questions Were the rumors about his father true Had he led a double life Was he killed because of his dealings with the underworld Mark Arax an award winning journalist at the Los Angeles Times now writes a searing intensely personal account of his twenty two year search for answers about his father's life and death and his own identity As the oldest child Mark was thrust into the role of patriarch His quest for answers began in high school when he sought out his father's father an Armenian immigrant His grandfather opened a window into an old country world full of promise and heartbreak and four generations of eccentric family members Two decades later Mark uprooted his wife and baby and returned to Fresno under an assumed name to try and determine who killed his father and why Fearing for his own life he discovers his father was murdered just before he was going to make a startling disclosure More than a true life murder mystery more than an exploration of family and culture *In My Father's Name* is the poignant story of one man's remarkable journey as he uncovers long hidden secrets about his father his family his heritage and the town he once called home

Nicene and Post-Nicene Fathers Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustine's exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias Also included in this volume are a selection of Augustine's sermons

According To My Father Andrew Grof, 2019-09-07 In this novel the narrator greets and welcomes readers into a world of the absurd with boundaries of neither space nor time Barely do we arrive at the Crusades bloodbath when a zeppelin circles about Renaissance Florence's Arno and before we can catch our breath Cologne is reduced to rubble through Allied bombardment Next we find ourselves in fin de siècle Vienna sharing

an espresso with Freud According to the narrator's father appropriately unnamed and unnameable historical time is a flow of events endlessly repeating themselves where what is true one moment is false the next what once beautiful now hideous Everything is both earthly serious and airy as life itself Put another way true survival consists in this trust nothing and no one yet love everything and everyone This the narrator's father achieves to perfection He is the perpetual student unbound by place and time who learned the art of love from Sappho war from Napoleon call me Boni and climbed the steep scaffold with a refreshing drink for the hard working Michelangelo In his many incarnations learned from Merlin no doubt father's ongoing struggle is on behalf of the downtrodden and against the obscenely powerful The history of the world itself is too short to fully contain such an individual just as it was too short to enfold Cervantes great Don My Father's Secret Sean Patrick Dolan,2021-11-04 When Declan Keenan begins to clean out his family's house after his father's death he makes an unexpected discovery His father a former RCMP Security Service agent left a videotape message that drops responsibility for resolving an old case into his son's lap Unable to refuse his father's dying wish Declan begins his search for answers in an attempt to satisfy justice In the process the motive means and opportunities that led to the 1973 bombing of BOAC Flight 281 are revealed but so too are the agendas to have the case buried Solving this thirty year old case with its inherent obstacles and challenges is frustratingly elusive especially when compounded by present day tragedy and official cover ups Despite threats destruction of evidence and murder Declan perseveres knowing that he must do his utmost to reveal his father's secret and expose a long hidden truth This entertaining thriller resonates with the themes of justice and injustice reconciliation and alienation and duty and denial together representing both the admirable and dishonourable aspects of the Canadian national identity **A Commentary on the Holy Bible: Containing the Whole Sacred Text of the Old and New Testaments; with Notes, Etc** ,1774 A Light on the Hill (Cities of Refuge Book #1) Connilyn Cossette,2018-02-06 Seven years ago Moriyah was taken captive in Jericho and branded with the mark of the Canaanite gods Now the Israelites are experiencing peace in their new land but Moriyah has yet to find her own peace Because of the shameful mark on her face she hides behind her veil at all times and the disdain of the townspeople keeps her from socializing And marriage prospects were out of the question until now Her father has found someone to marry her and she hopes to use her love of cooking to impress the man and his motherless sons But when things go horribly wrong Moriyah is forced to flee Seeking safety at one of the newly established Levitical cities of refuge she is wildly unprepared for the dangers she will face and the enemies and unexpected allies she will encounter on her way **The Bible text cyclopedia: a classification by J.
