at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman's Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master's Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore *The Bible's Answers to 100 of Life's Biggest Questions* Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell Kitty Foth-Regner, 2008-04-01 This fascinating personal account chronicles a libertarian feminist agnostic's discovery of a dynamic faith where all the evidence points to Christianity **Exposing the Fallacies of the Pre-Tribulation Rapture** Billy Broadwater, 2014-06-20 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven year tribulation really a biblical term Is the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in Exposing the Fallacies of the

Pre Tribulation Rapture Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwaters in depth Bible based research for over twenty years brings home the truth about the rapture **The Lamb of God & The Seven-sealed Scroll** R. Gnanaharan,2007-09 The author presents a simple user friendly book for believers to understand the future day events and to prepare for the Lords coming His fresh perspective and new insights on the topic are presented in an easy to understand style Christian **When Now Becomes Too Late** T. L. Farley,2004 Show me you are God Rich Akin, The book is meant to provide the everyday Christian with the ability to easily defend the Bible as the only inerrant word of God Dead Soul Syndrome Jay Altieri,2010-08-01 Most Evangelical Christians only know and thoroughly believe the traditional doctrine of eternal torment in Hell for the lost and eternal bliss in Heaven for the saved As a result they neglect scores of Bible verses with that provide an alternative teaching This book veers from some long held assumptions while reinforcing others as it humbly attempts to discover the truth of what the Bible teaches about the hereafter Written for the serious layman scripturally founded clergy and open minded scholar Dead Soul Syndrome provides wisdom and thought provoking insight for those interested in thinking anew about heaven and hell **Rethinking Eschatology** Jason L. Quintern,2025-01-23 In Rethinking Eschatology Jason L Quintern presents a compelling defense of postmillennialism a theological view that Christ s reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ s return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God s plan for history and the future *An Exposition of the Book of Revelation* Odell Furtick Jr.,2018-03-23 Odell Furtick begins this exposition by saying Do you believe Its a question that everyone must answer personally Its been over two thousand years since anyone has seen Jesus on earth after his ascension and now the believers are told to wait for his return Has humanity grown weary in their belief and lost faith in the promises of God Dr Furtick leads his readers through the book of Revelation verse by verse reassuring the readers that Gods final words are reliable and precise The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ The book of Revelation is relevant in the twenty first century and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God **What the Bible Says about Your Future** John F. Walvoord,2017 Everyone is curious about what happens after death This exploration of what the Bible says about eternity offers insight hope and clarity for every Christian **Worthy to Escape**

Marlon L. Sias, Adrian Zenz, 2012-11-07 Many Christians base their understanding of the end times on the popular pretribulation rapture view. They expect that Jesus will rescue them just in time before the tribulations of the Antichrist. However, few people realize that every single biblical promise of being raptured at that time is conditional on personal spiritual readiness. Eminent Christian leaders such as A. B. Simpson, founder of the Christian and Missionary Alliance, as well as Hudson Taylor, founder of the China Inland Mission, first taught this biblical perspective of a conditional rapture. In their captivating account, the authors take their readers on a fascinating journey through the pages of the Bible, showing how biblical prophecies from Daniel to Revelation point toward not just one but two raptures: a conditional first fruits rapture for the ready, wise virgins of the church, and a later rapture for foolish virgin believers who are spiritually unprepared. Packed with fresh scriptural insights, this book will prepare and equip you for the times ahead. Worthy to Escape makes for a thoroughly intriguing read. It is rare for Christians to apply the Hebraic traditions regarding marriage to the rapture. That and the book's strong focus on spiritual intimacy set it apart from the majority of end times writings. Messianic Rabbi Ed Rothman, Hon. M. Div., Hon. Dr. M. S. J. C. Seed of Abraham Messianic Congregation, St. Louis Park, MN: Everyone should become familiar with the first fruits rapture. I highly recommend this book. Rev. J. McCracken, Team Leader, TrueBridge Family of Churches: Any student of eschatology needs to read this book and consider its insights. Bible colleges and seminaries should use it as a reference work and make it required reading. Pastor T. Porta, Grace Gospel Church, Cambridge, MN: The Great American Writing on the Wall. AC Katz, 2023-10-24 While eclipses are not that uncommon, total solar eclipses often occur over the ocean rather than on land. Don't let anyone fool you into thinking the 2017 eclipse was nothing out of the ordinary. While people were watching, day was turned to night all across the United States. It had been ninety-nine years since a total solar eclipse crossed the entire United States, and having another total solar eclipse cross the entire United States again in 2024, just seven years later, is unprecedented. Lunar eclipses, blood moons, are of prophetic significance for Israel, whereas solar eclipses are of prophetic significance for Gentiles. It's well known that the United States has been the wealthiest, most powerful, and most influential Gentile nation. It is also a giant ethnic melting pot and hosts a proto-world government in the form of the United Nations. Two total solar eclipses spaced seven years apart, crossing the entirety of the United States, that form an X over the largest and main Gentile nation on earth should not be ignored; it should at least be thought provoking. No one can manipulate an eclipse or its narrow path of totality. Nobody can change the orbital mechanics of the planets; only God. The writing is on the wall with a timeline of events; see for yourself. You will find yourself asking, "What are the odds?" **Marriage**. Buddy Helms, 2010-06 Could you counsel someone who is considering marriage or having difficulty in his/her relationship and explain God's real purpose for marriage? Would you like to be able to explain the meaning of marriage to your children and friends but aren't sure how? Have you been dead-ended by our culture's definition of marriage? What's the deal with marriage anyway? A lot of God's design for marriage goes deeper than just saying "I do." And just as God's story of redemption starts in

Genesis and ends with John's Revelation so does the story and purpose of marriage. Learn to read between the lines and join Buddy Helms in an eye opening and page turning journey through the Bible. You'll hear what many have to say about interpreting the Bible's metaphors, similes and types and discover what God has been trying to communicate to the world since the beginning of time.

Marriage: What's the Deal? The deal is you'll never look at marriage the same. He offers a nuanced interpretation of Scripture that simultaneously will strengthen marriages and intensify Christians' understanding of the intimate relationship between Christ and His church.

She Who Restores the Roman Empire David Criswell, 2002-10

Of the Biblical prophecy of the Whore of Babylon, St. Augustine said that the Church of Rome would one day apostatize while St. Jerome hinted that the day of apostasy may have already begun but today even many Protestants reject this notion arguing instead that a new Babylonian kingdom will arise in Iraq. *She Who Restores the Roman Empire* is a thorough survey of this controversial prophecy. It examines the prophetic interpretations throughout history and shows their impact upon history. It shows how the prophecy itself helped shape the Reformation and counter Reformation. It also discusses the newer interpretations which predict a revival of ancient Babylon or a global New Age religion. Dr. Criswell's conclusion is based on thorough exegesis and on historical precedent. He contends that it is the Harlot who will initiate the restoration of the Roman Empire and the anti-Christ will initially be his puppet before turning on her and destroying her great city. Napoleon was an archetype of the coming anti-Christ who will promise a new world but deliver destruction. David Criswell has done an outstanding job in handling the subject of Babylon the Harlot in the book of Revelation. As a Tyndale Seminary graduate student, he was a thorough researcher and scholar. No matter what your view on the Babylon issue, this book is a classic at analyzing the subject. The reader will find this treatise a fascinating adventure in Bible study.

Common Sense Apologetics Dave Abell, 2010-10-18

While atheists and religious liberals purport themselves to be enlightened intellectuals, what we find upon deeper exploration is that their intellectualism is simply a facade. Conversely, many believers are unable to defend their faith and shrink back when confronted with tough questions, particularly those concerning Jesus being the only way to Heaven. Whether out of fear, lack of knowledge or a spirit of compromise, the ability to express the idea of one true Holy Book and one true way to Heaven seems to escape far too many Christians. *Common Sense Apologetics* will inspire Christians to drop this spirit of timidity while gaining confidence and loving boldness when sharing the faith. Foundational is the fact that God has not called Christians to believe what is not believable nor defend what is indefensible. The evidence for God's existence and the truth of His Word is abundant and accessible. Christians have Biblical directives to share the Gospel of Jesus Christ and lovingly contend for the faith when it is perverted from within and attacked from without. This book is uniquely constructed to present a practical approach to learning why the Christian faith is true and a better method for defending that truth.
