Jennifer Basye Sander, 2020-03-17 Celebrate the moms in your life and perhaps yourself as well After all they ve done for us moms everywhere deserve to be appreciated on a daily basis rather than waiting all year to get a card and some flowers Think back on the many things big and small your mother has done for you over the years from baking cookies or sometimes letting you choose the radio station on a car trip to hemming your dress in time for the prom Isn t it time you started making those same gestures in the other direction We think so It is never too early or for that matter too late to make a parent feel special Mother s Day has a long and storied history stretching back to its earliest roots in the post Civil War era What began as one woman s attempt to help heal the grief of mothers who d lost sons on both sides of the fight and then became another woman s attempt to honor her own mother has morphed over the years into more of a commercial event Isn t it time we got back to the idea of making moms feel treasured and appreciated In these pages you ll find idea after idea that will encompass a wide variety of activities to get you thinking about how to make your mom feel special even if you don t live close by Go ahead and remember to buy that card and bring over some flowers on the actual Mother s Day but in the meantime here are some ways to make every day count **Every Day and Every Way** Abraham Resnick, Helen Pappas, Margaret Pavol, 2000-05 Every Day and Every Way For Teaching Holidays and Special Days is a quick reference mini unit resource and activity book It is designed for use by classroom teachers curriculum coordinators and principals Each mini unit can readily be converted into a workable lesson plan As a practicing educator you are well aware of the excitement and spirit that are usually generated in the classroom when holidays festivals and special days are appropriately observed Now more than ever educators like yourself are beginning to realize that the celebration or remembrance of a special event historical anniversary or birthday can readily become a catalyst for integrating positive citizenship themes into the instructional program You will find that your students will enjoy learning about the early origins of special holidays They will be enriched by the tracing of their development from past to present **101 Treasurable Poems of Faith, Hope, and Love** Chad Joseph Thieman, 2011 Review of Book The first time I ever read Chad s Christian poetry I was astounded It was illuminating and alive His poetry grabs onto you and sinks deep within capturing the very essence of the soul Understanding the simplicity of his poetry yet the depth of it on a spiritual level is fascinating This statement conveys only a shadow of him The heart of Chad Thieman can only be found in 101 Treasurable Poems of Faith Hope and Love Curtis Neil Curtis and I first met while working together at
