Every Man For Himself And God Against All:

Every Man for Himself and God Against All Werner Herzog, 2024-10-08 Legendary filmmaker and celebrated author Werner Herzog tells in his inimitable voice the story of his epic artistic career in a long awaited memoir that is as inventive and daring as anything he has done before Werner Herzog was born in September 1942 in Munich Germany at a turning point in the Second World War Soon Germany would be defeated and a new world would have to be made out the rubble and horrors of the war Fleeing the Allied bombing raids Herzog s mother took him and his older brother to a remote rustic part of Bavaria where he would spend much of his childhood hungry without running water in deep poverty It was there as the new postwar order was emerging that one of the most visionary filmmakers of the next seven decades was formed Until age 11 Herzog did not even know of the existence of cinema His interest in films began at age 15 but since no one was willing to finance them he worked the night shift as a welder in a steel factory He started to travel on foot He made his first phone call at age 17 and his first film in 1961 at age 19 The wildly productive working life that followed spanning the seven continents and encompassing both documentary and fiction was an adventure as grand and otherworldly as any depicted in his many classic films Every Man for Himself and God Against All is at once a personal record of one of the great and self invented lives of our time and a singular literary masterpiece that will enthrall fans old and new alike In a hypnotic swirl of memory Herzog untangles and relives his most important experiences and inspirations telling his story for the first and only time

Exploring Film and Christianity Rita Benis, Sérgio Dias Branco, 2024-11-29 This book examines the connections

between film and Christianity considering how films express and depict Christian faith and spirituality and provide experiences associated with it The notion of movement as immobility from Simone Weil is employed to describe film and its images in motion Its movements can reconnect us with the movements of the world those motions in which a mysterious sense of order what Weil calls immobility arises Film is understood as a privileged form to access inscrutable spiritual in visibilities that can be linked with Christian concepts and practices The chapters in Exploring Film and Christianity offer new studies of famous directors such as Andrei Tarkovsky and Robert Bresson combined with analyses of recent notable films including Terrence Malick's Knight of Cups Martin Scorsese's Silence and Denis Villeneuve's Blade Runner 2049 Organized around the productive topics of theory expression depiction and experience this volume is a valuable contribution to interdisciplinary research on film and Christianity Conquest of the Useless Werner Herzog, 2024-05-28 Newly repackaged as a Penguin paperback Conquest of the Useless the legendary filmmaker Werner Herzog s diary of the making of Fitzcarraldo one of his most revered and classic films In 1982 the visionary directory Werner Herzog released Fitzcarraldo a lavish film about a would be rubber baron who pulls a 320 ton steamship over a mountain It was hailed instantly by critics around the globe as a masterpiece and won Herzog the 1982 Outstanding Director Prize at the Cannes Film Festival affirming Herzog's reputation as one of the most revered and enigmatic filmmakers of his time Conquest of the Useless is the diary Herzog kept during the making of Fitzcarraldo compiled from June 1979 to November 1981 Emerging as if out of an Amazonian fever dream during filming Herzog s writings are an extraordinary documentary unto themselves Strange and otherworldly events are recounted by the filmmaker The crew's camp in the heart of the jungle is attacked and burned to the ground the production of the film clashes with a border war and of course Herzog unravels the impossible logistics of moving a 320 ton steamship over a hill without the use of special effects In his preface Herzog warns that the diary entries collected in Conquest of the Useless do not represent reports on the actual filming but rather inner landscapes born of the delirium of the jungle Thus begins an extraordinary glimpse into the mind of a genius during the making of one of his greatest The Kurosagi Corpse Delivery Service: Book Two Omnibus Eiji Otsuka, 2016-01-12 It s weird enough work achievements just trying everyday to turn corpses into cash when they re connected to mysterious UFO crashes modern day mummies and stiffs turned to soap But the secrets of the Kurosagi's crew past continue to haunt them as well as they meet the exorcist Reiji Akira from Mail who photograps the familiar spirit haunting Karatsu and a flashback story takes us to early 20th century Japan to meet the ancestors of our cast as they hunt the ripper stalking the streets of Meiji era Tokyo And now there s sinister competition in the future for them in the body trade as they encounter a rival firm the Shirosagi Corpse Cleaning Service This is the second volume in the value priced Kurosagi Corpse Delivery Service Omnibus series from Dark Horse The Kurosagi Corpse Delivery Service Volume 6 Eiji Otsuka, 2014-12-17 There's competition on all sides in the Manga body baggage game when Kurosagi finds its rather loose business model challenged by a corporate rival who guarantees the

next world on time But it s not only the clean cut trying to dig into their market the oddball duo calling itself the White Heron Corpse Cleaning Service aren t just out to eat Kurosagi s wormy lunch they re going to start revealing trade secrets namely the hideous history behind the ghost which haunts Karatsu Film Facts Cobbett Steinberg, 1980 A compendium of statistics lists and surveys on the movie industry Flashback Louis D.
