Watson, 2006-10-01 For many many years you may have heard that God doesn t still perform miracles A Mother In Mourning will restore your faith if you are among the many who don t believe Kathy will tell you too of the many miracles God has given to her One of the miracles was giving birth to her sons Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place her favorite coffee house A Mother In Mourning is sure to be a best seller of its kind Kathy delivers a truly powerful love story involving herself her two sons and her God From the first day she gave birth to her sons she held them close to her To Aaron and Kendrick she was a one of a kind mother she was their mentor their right hand their best friend and their preparedness for this thing called life Most importantly she was Aaron s and is Kendrick s overseer in making sure that without a doubt their ultimate destination would be heaven A Mother In Mourning will take you on a journey filled with nothing but love joy and the pain of being a mother This heart felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes It s clear that Kathy understood from the very beginning what it took to be a good mother You will also read how God gave her a premonition that something tragic was going to happen five months before his death She didn t know what it was until a knock came on her door one early morning She opened the door only to see two police officers standing there and one of them was holding her son s drivers license Through all of their years together with his following closely in her footsteps she never could have predicted that Aaron would have had such a short life Kathy and her sons were so close it seemed to her that the sun would shine on them forever One Wednesday evening just as the sun was going down God called Aaron s name Even though she has always been a natural teacher of having faith in God the devastation of losing her son has caused her faith to increase even more You will read how God got her through the lowest stage of her life when no one else was there for her A Mother In Mourning is not just for someone who has lost a loved one It is a book that unmistakably teaches us to have

When I Close My Eyes Donna Earl,2016-02-25 Chester PA is a tortured city known only to her through whispered conversations Surrounded by brick dwellings of historic value there are cracks and crevices in the foundation of her life that threaten to tear it down Born in West Philadelphia living on Delancey Street life for Ruth Walters through the eyes of those on the outside was filled with fun times Eating water use playing in the woodpile and jumping rope are humble beginnings of a memorable childhood However on the inside through the eyes of those within there was a low rumble that after a night of drinking and dancing erupted into a tragic accident that leaves uncertainty in the Walters home The whispers became loud and clear when she is forced to leave Philly to find out first hand the perils of the City of Chester In a short amount of time her life nearly spins out of control until

**Let Me In** Halee Knight,2014-03-05 What would you do if your life was dark A life where you would never see the sun and where you would never see anything better than where you stood You fight to the death just for the smallest crumbs and drops of water A life where you witness a murder every day but you could never save that person by calling three simple numbers In this life there was only one way in and one way out and that was a wall that stacked higher than your average buildings But the only thing that stood in your way was your own life So what would you do Fight till your last breath Wait till they find you Or maybe you would even take your own life thinking you would be free from the pain But no you would never do that right But then the war comes Panic hundreds disappearing It s only a matter of time before your time to choose is up The clock starts ticking each tick louder than the last You realize your life will be gone in days maybe even minutes The choice is in front of you all you have to do is choose
