

A dark, moody landscape with a cloudy sky and a small bird in flight. The scene is dimly lit, with a small bird silhouetted against a lighter patch in the sky. The foreground is a dark, textured surface, possibly water or a field, with some faint, indistinct shapes. The overall atmosphere is somber and contemplative.

But every stroke of the brush, every lyric, every word whispered between human beings resulted from the pain of being alone. In our haunted heads, our imperfect bodies. Islands carved from clay and bone, our skulls like shells full of mist.
