S. Uppal, 1977-01-01

South Asia in the New Decade Amitendu Palit, Gloria Spittel, 2013 At the beginning of the second decade of the new millennium South Asia has emerged as a key regional variable in the contemporary global order The last decade saw the region experiencing a robust phase of economic growth and development Over time South Asia's economic progress is expected to accelerate given its favourable demography and strategic location The prospects of faster economic growth and development however will materialize depending upon the region's success in handling various challenges including security climate change political instability and ethnic strife It is in this context that the Sixth International Conference on South Asia brought together academics and policy specialists to provide insights and contribute

to an understanding of the challenges and prospects facing the region in the new decade This volume is a collection of the papers presented at the Conference and assembles a large and diverse set of viewpoints and perceptions on the region

Economic Development in South Asia ,1970 **South Asia: Rising To The Challenge Of Globalization** John Malcolm Dowling,Pradumna Bickram Rana,2009-01-22 This timely book reviews how South Asia is rising to the challenge of globalization In particular how are South Asian countries maximizing the benefits of globalization whilst minimizing its costs What lessons have these countries learned from the East Asian financial crisis What actions have they taken at the national regional and global level Some important topics covered in this book include policy reforms and economic integration in South Asia comparisons between South Asia mainly India and China and economic linkages between South Asia and East Asia including the possibility of an integrated Pan Asia similar to the European Union Academics researchers students policymakers and observers of South Asian and more broadly Asian economic development and integration will want to read this book **Economic Growth, Economic Performance and Welfare in South Asia** R. Jha,2005-01-06 This volume brings together frontline research on the prospects for rapid economic development in South Asia by leading academics and public policy experts It reviews recent macroeconomic performance in Bangladesh India Nepal Pakistan and Sri Lanka and examines three emergent challenges for the Indian economy devising a policy response to climate change attaining the millennium development goals and restructuring state level finances The book then analyzes financial sector reforms and development of information and communications technology ICT firms and privatization policy in India and the South Asian approach to free trade arrangements and multilateral trade It studies issues related to foreign perceptions of South Asian development including governance and foreign direct investment flows into India and Nepal Finally the book studies the impact of the structural composition of economic growth on poverty in India the evolution of inequality in India and elements of a strategy for poverty reduction in South Asia **Manufacturing and Jobs in South Asia** Sachin Chaturvedi,Sabyasachi Saha,2019-08-01 This book analyzes the structural factors that underlie the persistent mass poverty and extreme inequality in South Asian countries It highlights the fact that the supposed trade off between output growth and job creation is a false dilemma Growth can create jobs and jobs can drive growth mutually reinforcing one another Increased employment and better jobs would mitigate the problems arising from a widening inequality gap The book argues that policies focused on employment generation mostly through industrialization are the way forward in terms of providing livelihoods sustaining growth and reducing inequality The book is divided into two main parts Part A explores cases in selected countries in South Asia in detail primarily focusing on the opportunities and challenges of job creation in the manufacturing sector as well as related issues including constraints on manufacturing sector growth in South Asia exports and trade linkages participation in value chains and the role of investment In turn Part B addresses a number of aspects that can promote a deeper understanding of strategies for industrialization and employment creation in the South Asian context including regional

cooperation skill development and industrial competitiveness Gathering contributions from some of the region's top minds this book is of interest to scholars researchers policymakers and industry analysts alike

Socio-Economic And Political Development In South Asia (3 Vols.) Tilak Raj Sareen, 2004-09 South Asian region is unique demographically racially religiously economically socio culturally and politically This three volume set presents in depth analysis of social development economic development and development from political angle These v

Economic Development in East and Southeast Asia Seiji Naya, Akira Takayama, 1990 This volume reflects the wide range of development issues and problems of the economies of East and Southeast Asia whose dynamic performances have caught the attention of many around the world It also serves to honour Professor Shinichi Ichimura for his dedication and many contributions to creating a better understanding of the development issues faced by the countries in the region Both the editors and all of the contributors in this book have worked with Professor Ichimura at one time or another

Developing South Asia Pradip K. Ghosh, 1984-12-11 This resource book documents and analyzes current trends in the economic development of the South Asian countries of India Bangladesh Pakistan Sri Lanka and Nepal and evaluates the progress they have made in achieving sustained economic growth and improvement in the quality of life for present and future generations Their current low growth rates condemn the majority of the population of these countries to unrelenting misery and make efforts to redistribute income more difficult Low savings and exports handicap efforts to accelerate economic growth and declining food production dooms increasing numbers to hunger and disease This volume examines not only the poorer countries but also the plight of the poor within developing countries

Economic Successes in South Asia Shahrukh Rafi Khan, 2022-03-07 This book analyses economic successes in South Asia and the reasons why they emerge by offering an in depth analysis of a few case studies against the backdrop of overall policy context and economic performance of these countries Offering a brief comparative review of South Asia in a global context the book shows that the region remains an economically and socially lagging region The author argues that within South Asia most countries demonstrate examples of economic or social success This book explores such successes that provide lessons for other South Asian countries and beyond Case studies include the textile industry and microcredit in Bangladesh information technology in India forestry management in Nepal surgical and sports goods in Pakistan and human development in Sri Lanka At the macro level the book discusses India's catch up growth first given the country's global importance and because of the prominence of the debate on its catch up growth to development economics A novel addition to the literature with its focus on successful initiatives with broad policy implications this book will be of interest to researchers in the field of development economics development studies and South Asian Studies in particular South Asian policy

The Economy of South Asia Tirthankar Roy, 2017-08-05 This book explores the historical roots of rapid economic growth in South Asia with reference to politics markets resources and the world economy Roy posits that after an initial slow period of growth between 1950 and the 1980s the region has been growing

rapidly and fast catching up with the world on average levels of living Why did this turnaround happen Does it matter Is it sustainable The author answers these questions by drawing connections comparisons and parallels between the five large countries in the region India Pakistan Bangladesh Sri Lanka and Nepal It shows why despite differences in political experience between these countries similarities in resources and markets could produce similar trajectories Home to a fifth of the world's population South Asia's transformation has the power to change the world Most accounts of the process focus on individual nations but by breaking out of that mould Roy takes on the region as a whole and delivers a radical new interpretation of why the economy of South Asia is changing so fast

Renaissance Of Asia: Evolving Economic Relations Between South Asia And East Asia Pradumna Bickram Rana, 2012-03-14 A recent study by the Asian Development Bank notes that by 2050 Asia's per capita income would rise six fold to reach Europe's levels today one of many indications of Asia's re emergence By then Asia's share of global GDP would have doubled and it would have regained the dominant economic position it once held some 300 years ago before the industrial revolution What is less well known is that during the previous eras of globalization Asia was also regionally integrated and globally connected During the 19th and the first half of the 20th centuries Asia was divided and fragmented This unique book argues that led by the economic dynamism and re encountering between China and India we are witnessing the Renaissance of Asia As in the bygone eras Asia is integrating within itself and the global economy is intensifying now driven by market oriented production networks and economic policies Asia is starting to be re centered as trade and investment relations between South Asia and East Asia surge Asia's rise is a restoration of the past not a revolution This book is a must read for anyone interested in the economic development of Asia
