The Economics and Politics of Socialism Wlodzimierz Brus, 2013-11-05 The volume focuses on the socio political aspects of economic transformations in the Eastern European Socialist countries Particular emphasis is laid on the problem of interrelations between the plan and the market and between economic incentives and social consumption The volume also examines economic and political factors in the wider political context particularly looking at the question of democratization within industry and politics

*The Economics and Politics of Socialism* Wlodzimierz Brus, 2013-11-05 The volume focuses on the socio political aspects of economic transformations in the Eastern European Socialist countries Particular emphasis is laid on the problem of interrelations between the plan and the market and between economic incentives and social consumption The volume also examines economic and political factors in the wider political context particularly looking at the question of democratization within industry and politics

*Polish Marxism after Luxemburg* Jan Toporowski, 2022-12-09 In Polish Marxism after Luxemburg Jan Toporowski and leading experts offer a unique and insightful overview of Polish political economic ideas since the early 20th century building an introduction to some key themes and figurehead political economists

*Marx, Revolution, and Social Democracy* Philip J. Kain, 2023 Marx Revolution and Social Democracy argues that Marx should be understood as a social democrat In response to claims that Marx is either totalitarian utopian or not a democrat Philip J Kain presents a four fold argument concerning the relationship between Marx and social democracy that Marxian socialist society is compatible with a market economy as long as markets are controlled to eliminate alienation that markets can be controlled democratically that Marx accepted a democratic electoral theory of revolution and that Marx and Engels worked actively with the Social Democratic Party of Germany

**The Defetishized Society** Chris Wyatt, 2011-09-29 New Economic Democracy establishes a self governing civil society unifying the private sphere of production and the public sphere of citizenship within a non statist scheme of communal ownership It provides the premises to seeking a solution to Marx s fetishism of commodities Only a thorough restructuring of the economic and political institutions can provide the social climate in which the phenomenon of fetishism can be transcended Defetishizing the commodity implies reversing the concealment of the social relations through which commodities are produced and preventing the tendency to bestow magical characteristics to commodities The key imperative to the defetishized society is a system of genuinely democratic institutions iprovides this necessary corrective and also challenges the prediction that politico economic organizations like worker cooperatives are destined to be dominated by the dictates of oligarchs The explanatory approach of Marx s concepts combined with an original argument will make the book a valuable research tools to students and researchers in political theory democratic theory and political economy

*The Vitality of Contradiction* Bruce Gilbert, 2013-12-01 In The Vitality of Contradiction Bruce Gilbert provides an exposition of Hegel s political philosophy to establish not only that societies fail because of their contradictions but also how the unsurpassable oppositions of social life cultivate freedom He moves beyond

Hegel's works to consider the limits of liberal capitalism and the contemporary social movements around the world that stretch us beyond the global economic system Drawing on key Hegel texts such as *Phenomenology of Spirit* and the *Philosophy of Right* Gilbert shows how societies outgrow themselves as they come to recognize key aspects of freedom and justice He argues that the dialectic requires that we recognize how liberal capitalism has both cultivated freedom and yet fails to lead us to more sophisticated forms of freedom Gilbert also highlights organizations including Brazil's Movement of Landless Workers and the Mondragon cooperative in Spain and the sophisticated ways in which they are teaching the world new and better ways to be free Engaging and perceptive *The Vitality of Contradiction* illuminates the basic principles behind Hegel's political thought and indicates the ways in which his work encourages people to strive for a form of socialist democracy
