Ecstasys Fancy:

Shadows of Ecstasy Charles Williams, 2015-02-17 A charismatic and immortal leader rises up out of Africa to violently alter humankind's destiny. There is great unrest on the African continent and explosive uprisings that originated there are finding their way to Britain's shores. A man named Nigel Considine, a charismatic leader who calls himself the High Executive, is raising a great army to conquer the world. Universal love is his stated goal to be achieved through violence if necessary, and his dogma has unleashed a terrible backlash of brutality, prejudice, and hatred throughout so-called civilized London. But who is this immortal prophet-king whose words inflame the passions of untold thousands of disciples? Is he a power-hungry madman as the unrepentant agnostic Sir Bernard Travers has flatly stated, or is he the Antichrist as Travers's dearest friend, the vicar Ian Caithness believes? Perhaps the deathless Considine is the light of the age, indeed of all ages, a saintly personage to be adored and followed without qualm or question, as the poet Roger Ingram is beginning to suspect. But he, the master criminal or twisted genius, supernatural demon or savior reborn, the High Executive's coming is destined to change the world. No twentieth-century author explored themes of faith, spirituality, and the supernatural with more verve and originality than the phenomenal Charles Williams, who along with colleagues C. S. Lewis, J. R. R. Tolkien, and Owen Barfield was a member of the University of Oxford's famed Inklings literary society. Blending fantasy, adventure, with breathtaking spiritual concepts, Williams's acclaimed works, including *Shadows of Ecstasy*, are must-reads for any lover of intelligent thought provoking metaphysical fiction.

The Literature of Ecstasy Albert Mordell, 1921 *Ecstasy: a Study of Happiness* Louis Couperus, 1892 **Death in Ecstasy** Ngaio Marsh, 1997-10-15 The Ritual Wine Taste of Evil When lovely Cara Quayne dropped dead to the floor after drinking the ritual wine at the House of the Sacred Flame, she was having a religious experience of a sort unsuspected by the other initiates. Discovering how the fatal prussic acid got into the bizarre group's wine is but one of the perplexing riddles that confronts Scotland Yard's Inspector Roderick Alleyn when he's called to discover who sent this wealthy cult member to her untimely death.

Ecstasy Louis Couperus, 2014-07-01 This compelling love story from Dutch novelist, playwright, and poet Louis Couperus uses a fraught, non-traditional romance between lonely widow Cecile van Erven and dashing Taco Quaerts as a means of examining important philosophical questions about the nature of love, happiness, and suffering.

Beyond Ecstasy Kit Rocha, 2016-05-24 The O'Kanes have a reputation for working hard and playing harder, except for Hawk. He joined the gang with one goal: to ensure his family's survival through the impending war with Eden. It's been years since he had the luxury of wanting anything for himself. Now he wants Jeni. From the first moment he saw her, he's been obsessed with making her his. Not for a night, forever. Jeni's been lusting after the former smuggler for months, but he keeps shutting her down. She's almost given up on getting him in her bed when he offers her the last thing she ever expected: a collar. Accepting it means belonging to him, body and soul. It's a reckless gamble, but Jeni can't resist the chance to slip under Hawk's armor. The only thing more shocking than the dark, dangerous pleasure they discover

is how right it feels But falling in love is even more reckless when forever is far from guaranteed Because they aren't just at war they're out of time and every breath could be their last **Love's Ecstasy** May Christie, 1928 *Realist Ecstasy*

Lindsay V. Reckson, 2020-01-28 Honorable Mention Barnard Hewitt Award from the American Society for Theater Research Explores the intersection and history of American literary realism and the performance of spiritual and racial embodiment Recovering a series of ecstatic performances in late nineteenth and early twentieth century American realism *Realist Ecstasy* travels from camp meetings to Native American ghost dances to storefront church revivals to explore realism's relationship to spiritual experience In her approach to realism as both an unruly archive of performance and a wide-ranging repertoire of media practices including literature photography audio recording and early film Lindsay V. Reckson argues that the real was repetitively enacted and reenacted through bodily practice *Realist Ecstasy* demonstrates how the realist imagining of possessed bodies helped construct and naturalize racial difference while excavating the complex shifting and dynamic possibilities embedded in ecstatic performance its production of new and immanent forms of being beside Across her readings of Stephen Crane James Weldon Johnson and Nella Larsen among others Reckson triangulates secularism realism and racial formation in the post-Reconstruction moment *Realist Ecstasy* shows how post-Reconstruction realist texts mobilized gestures especially the gestures associated with religious ecstasy to racialize secularism itself Reckson offers us a distinctly new vision of American realism as a performative practice a sustained account of how performance lives in and through literary archives and a rich sense of how closely secularization and racialization were linked in Jim Crow America

Pilgrimage for Ecstasy Bryan Berry, 2002 I was content with hanging out with my friends no matter what their dysfunctions and clinically destructive habits I liked to mind my own business in patient realms but my brother and our friends liked to drag me into problems I could not solve My friends they were cheap entertainment to me no matter what kind of ridiculous scenes they got me into But then every so often as I dared I would step out onto a limb of my life just to see how fragile it might be I didn't have a girlfriend at the time so how I met that woman it was purely an accident Really it was and I mean it sincerely She was pretty and I was in the right place at the right time It seemed like things were going smoothly for an encounter that blossomed from a blind date that had gone off track Yes it did look good from a distance to someone that didn't know better even to me But then I met her sister She caused all the trouble Really she was and I mean it sincerely
