God at Work in the World Lalsangkima Pachuau, 2022-06-14 A leading scholar offers an up to date articulation of the theological grounding of the missionary endeavor Lalsangkima Kima Pachuau argues that theology of mission deals with God s work in and for the world which is centered on salvation in Christ through the power of the Holy Spirit Pachuau brings a global perspective to mission theology explains how theology of mission is related to theology as a discipline and recognizes recent critiques of missions offering a compelling response rooted in the very nature of God

A Documentary History of Lutheranism, Volumes 1 and 2 Mark A. Granquist, Eric Lund, 2017-11-10 This unique collection of excerpts from Lutheran historical documents many translated here for the first time presents readers with a full picture of how the Lutheran movement developed in its thought and practice Covering not only theology but also church life popular piety and influential historical events the primary documents include theological treatises confessional statements liturgical texts devotional writings hymns letters and diaries satirical polemics political documents woodcuts and pamphlet literature This first volume covers the chronological period from Luther s first calls for reform to the development of Lutheran Orthodoxy and Pietism during the seventeenth century The judiciously selected and carefully translated texts as well as the contextualizing information provided in each chapter s introductory essay acquaint readers with the turbulence and fervor of this revolutionary Christian movement its struggles for survival and consolidation and its further evolution up to the dawn of the Enlightenment

T&T Clark Handbook of African American Theology, 2019-07-25 This handbook explores the central theme of Christian faith from various disciplinary approaches and different contexts of black experience in the United States The central unifying theme is freedom an important concept both in American culture and Christianity African American theology represents a Christian understanding of God s freedom and the good news of God s call for all humankind to enter life true human identity and moral responsibility in genuine and just community Contributors to the volume argue that African American theology highlights how racism and other intersecting forms of oppression complicate the human predicament and that their eradication requires an expansion of salvation to include the liberation of persons who lack full participation in society and enjoyment of the good and goods made possible by that society The essays in this handbook employ the tools of biblical criticism history cultural and social analysis religious studies philosophy and systematic theology in order to explore and assess the nature and impact of race ethnicity gender sexuality class immigration and cultural and moral pluralism in America as well as the intersections between African American and African diasporan religious thought and life

Ecumenism: A Guide for the Perplexed R. David Nelson, Charles Raith II, 2017-07-27 Ecumenism A Guide for the Perplexed is a comprehensive introduction to the methods

achievements and future prospects of the modern ecumenical movement The authors begin the volume by charting out a serviceable definition of ecumenism a term that has long been a source of confusion for students of theology and church history They review the chronology of the modern ecumenical movement and highlight the major events figures accomplishments and impasses This historical survey is followed by critical examinations of three significant challenges for contemporary ecumenical theology and practice Along the way the authors provide commentary upon the difficulties and prospects that the ecumenical movement might anticipate as it enters this new millennium

Presbyterian Reformers in Central Africa Robert Benedetto, Winifred K. Vass, 2016-04-26 This volume contains 123 documents which illustrate the early history of the American Presbyterian Congo Mission and its struggle for human rights in the Congo from 1890 to 1918 The documents many of which have never previously been published are crucial to a full understanding of both the work of the Presbyterian Mission and its impact on the social political and religious life of the Congo The book is divided into four parts Part One documents the founding and early history of the Presbyterian Mission from 1890 to 1898 Part Two documents the deterioration of social conditions in the Congo under King Leopold and the reform campaigns initiated by the American Mission in Britain and the United States Part Three consists of documents related to the 1909 libel trial of William M Morrison and William H Sheppard the principal leaders of the American Mission Part Four documents the Mission's reaction to continuing human rights abuses particularly religious persecution under Belgian rule to 1918 The documents are annotated and the volume contains an introduction and an index

The Church in History John E. Booty, 2003-01-03 An exploration of church history with a focus on the Anglican Episcopal Church

From Physicians' Professional Ethos towards Medical Ethics and Bioethics Corinna Delkeskamp-Hayes, 2022-02-01 This book assembles essays by thinkers who were at the center of the German post World War II development of ethical thought in medicine It records their strategies for overcoming initial resistance among physicians and philosophers and in the East politicians This work traces their different approaches such as socialist versus liberal bioethics illustrates their attempt to introduce a culture of dialogue in medicine and examines their moral ambiguities inherent to the institutionalization of bioethics and in law Furthermore the essays in this work pay special attention to the problem of ethics expertise in the context of a pluralism which the intellectual mainstream of the country seeks to reduce to varieties of post traditionalism Finally this book addresses the problem of patient autonomy and highlights

the difficulty of harmonizing commitment to professional integrity with the project of enhancing physician s responsiveness to suffering patients As these essays illustrate the development of bioethics in Germany does not follow a linear line of progressiveness but rather retains a sense of the traditional ethos of the guild An ethos however that is challenged by moral pluralism in such a way that even today still requires adequate solutions A must read for all academics interested in the origins and the development of bioethics **Methodists and their Missionary Societies 1900-1996** John

Pritchard,2016-04-22 The twentieth century saw the spectacular growth of Christianity in much of the global south the transformation of mission fields into self governing Churches schemes of church union some successful others abortive evolving attitudes to other faiths and significant Christian engagement with issues of racial justice and world poverty This book examines the contribution of the Methodist Missionary Society and its predecessors before 1932 to these world changing movements from the remarkable mass conversions in south west China and west Africa early in the century to the controversy over grants to liberation movements in the 1970s and 1980s Pritchard traces the MMS contribution to education health care rural development and social welfare and describes the administration of the Societies and the selection and preparation of candidates for missionary service This is a ground breaking study of Methodist Overseas Mission in the twentieth century how it adjusted to changing circumstances including the forced withdrawals from China and Burma and developed new initiatives and partnerships including its World Church in Britain programme which brought missionaries from the younger Churches to serve in Britain and Ireland *A Social History of Cuba's Protestants* James A.

Baer,2019-07-02 *A Social History of Cuba s Protestants* God and the Nation presents a religious and social history of Cuba focusing on the Presbyterian and other Protestant churches to show the continuity of ties between US and Cuban churches before and after the revolution in 1959 By examining the history of Cuba s Protestants as agents of social change within Cuba and as partners with US denominations James A Baer offers a unique assessment of Cuba s development as a nation and its relationship with the United States Scholars of Latin American studies religion history and social movements will find this book particularly useful *History and the Christian Historian* Ronald Wells,1998-09-17 This volume arises out of special concerns of historians who are also Christians What case can be made for connecting historical work and religious

convictions What is the relation of faith to history What difference could Christian perspectives make in historical study Thirteen respected scholars including some who have changed the face of history writing in the twentieth century here take up a diversity of subjects in giving a provisional answer to these important questions In exploring foundational issues of perspective and theory engaging discrete themes such as feminism puritanism and missiology and discussing the application of religious insights in teaching history this excellent collection of essays forthrightly addresses the epistemological crisis brought on by the postmodern critique of truth and demonstrates the positive implications of a Christian perspective for the study of history and historiography **A History of Christianity in Asia, Vol. II** Samuel Hugh Moffett,2014-07-30 The

story of Christianity in the West has often been told but the history of Christianity in the East is not as well known The seed was the same the good news of Jesus Christ for the whole world which Christians call the gospel But it was sown by different sowers it was planted in different soil it grew with a different flavor and it was gathered by different reapers It is too often forgotten that the faith moved east across Asia as early as it moved west into Europe Western church history tends to follow Paul to Philippi and to Rome and on across Europe to the conversion of Constantine and the barbarians With some outstanding exceptions only intermittently has the West looked beyond Constantinople as its center It was a Christianity that has for centuries remained unashamedly Asian A History of Christianity in Asia makes available immense amounts of research on religious pluralism of Asia and how Christianity spread long before the modern missionary movement went forth in the shelter of Western military might Invaluable for historians of Asia and scholars of mission it is stimulating for all readers interested in Christian history The Story of Faith Missions Klaus Fiedler,1994 **The Beginning of Tomorrow** John Gaunt Hunter,2019-05-01 A unique account of a little known yet momentous effort to join forces in proclaiming the gospel in a society shaped by increasing decline in church attendance and major social challenges *The Journal of Ecclesiastical History* Clifford William Dugmore,2002 *Encounters between Jesuits and Protestants in Africa* Robert Aleksander Maryks,Festo Mkenda, S.J.,2018-01-03 Protestants entering Africa in the nineteenth century sought to learn from earlier Jesuit presence in Ethiopia and southern Africa The nineteenth century was itself a century of missionary scramble for Africa during which the Jesuits encountered their Protestant counterparts as both sought to evangelize the African native Encounters between Jesuits and Protestants in Africa edited by Robert Alexander Maryks and Festo Mkenda S J presents critical reflections on the nature of those encounters in southern Africa and in Ethiopia Madagascar the Democratic Republic of Congo and Fernando Po Though largely marked by mutual suspicion and outright competition the encounters also reveal personal appreciations and support across denominational boundaries and thus manifest salient lessons for ecumenical encounters even in our own time This volume is the result of the second Boston College International Symposium on Jesuit Studies held at the Jesuit Historical Institute in Africa Nairobi Kenya in 2016 Thanks to generous support of the Institute for Advanced Jesuit Studies at Boston College it is available in Open Access **Spirit Flowing Like Water** Nausikaa Haupt,Olle Kristenson,Michael Nausner,Gregory Ryan,2025-06-19 What if churches focused less on wanting other Christian traditions to become more like theirs and more on exploring what they might learn from them Might this not only help churches to deepen faith mission and service but also revitalize the ecumenical landscape with new possibilities This is the provocative and inspiring vision presented by Receptive Ecumenism a movement which has crossed denominations and continents engaging church leaders ecumenists scholars and Christians in their everyday lives Spirit Flowing Like Water presents the latest conversations in this field It not only engages leading scholars and practitioners of Receptive Ecumenism between churches but also explores the possibility of learning from difference within a church community Internal Receptive

Ecumenism and adapting the approach to a wider ecumenism beyond the visible church Church leaders ecumenists and theologians from five continents have contributed chapters on transforming ecumenism practicing mission in context and broadening the horizon They write not only for those already engaged in ecumenical work but with an invitation to all communities leaders and individuals to take a fresh look at what walking together in Christ means in our polarized world

Pentecost and Parousia Peter D. Hocken, 2013-10-23 As the charismatic movement penetrated the Protestant churches and then impacted the Catholic Church great hopes for Christian unity were aroused among many These hopes peaked with the great Kansas City conference of 1977 and the Pentecost over Europe gathering in Strasbourg France in 1982 After these high points the Renewal s unity dynamic weakened at the same time as the ecumenical movement was losing momentum Dr Hocken argues that the charismatic movement was always a grace for unity and that this can be seen from how it began and spread Its deep orientation to unity finds its foundation in the end times significance of baptism in the Spirit poured out on Christians from so many traditions that reinforces the one hope for the coming of the Lord Many developments of the last twenty years indicate that the time is now ripe for an ecumenism of the Spirit within which the charismatic impulses of the Holy Spirit can purify and deepen the wider movement for Christian unity Growing reconciliation between Evangelicals and Catholics suddenly seems less utopian as Pope Francis shows the servant face of a humbler Catholic Church
