Ecumenism A Policy Statement Of The Evangelical Lutheran Church In America:

Ecumenism Evangelical Lutheran Church in America,1991 *Muhlenberg's Ministerium, Ben Franklin's Deism, and the Churches of the 21st Century* John Reumann,2011-08 Special volume celebrating a 250 year old American church body In 1748 six Lutheran pastors and laity from ten congregations gathered in Philadelphia under German missionary pastor Henry Melchior Muhlenberg to form the Ministerium of Pennsylvania the first Lutheran church body in North America These early American Lutherans stood at the crossroads of Lutheran orthodoxy pietism and rationalism as they faced the very new very American challenge of forging a missional confessional identity within their increasingly pluralistic and multi religious society Now more than 250 years later this choice selection of essays addresses and other pieces celebrates the ongoing legacy of the Ministerium and will allow churches in the twenty first century to glean new wisdom from a pioneering colonial church body Ecumenical Future Braaten,Robert W. Jenson,2004-01-15 Last year a group of sixteen theologians from various church traditions published In One Body through the Cross a landmark statement on the present state and future possibilities of modern ecumenism In order to help readers understand the true depth of this document also known as The Princeton Proposal The Ecumenical Future makes available the scholarly studies that stand behind it According to the editors of this timely and provocative volume the perception is widespread that the ecumenical train is stalling or has even run off the tracks In spite of significant gains in understanding between Catholics Orthodox and various Protestant denominations the church s present divisions are nothing less than a scandal Seen in the light of Jesus prayer in John 17 that all may be one ecumenism is neither an option nor a social or political football The fourteen essays in this book represent a focused examination of the issues that still divide and of the common ground still to be discovered *More Than a Cup of Coffee and Tea* David D. Grafton,2021-06-21 Islamophobia continues to rise among Americans even within progressive mainline churches creating a poisonous and dangerous atmosphere for interfaith relations American Lutherans however have been engaged in dialogue with Islam for over a generation Originally like other Protestant churches Lutherans studied Islam as a monolithic religious system for the purpose of proselytizing the Christian faith Over the years and with experience American Lutherans came to know Islam as a faith tradition of believers in different cultures and contexts By developing relationships with Muslim neighbors some ELCA Lutherans and their international partners have learned that it is possible to witness to the Christian faith and listen to Muslim neighbors for the purpose of understanding and to work for a common cause of justice More Than a Cup of Coffee and Tea documents the Focus on Islam that began in the 1980s among ELCA Lutherans and then reflects on more than a generation of engagement with Muslims in various domestic and international contexts This volume documents where the ELCA has been what it has learned and encourages others to continue to develop positive relationships with Muslim neighbors and communities as a Christian activity and to combat Islamophobia **The World is About to Turn** Rick Rouse,Paul O. Ingram,2020-11-10 In these increasingly divisive times how does God intend for us to live

well together in the common life Drawing from scripture as well as writings from a variety of other faith traditions and contemporary theologians *The World is About to Turn* offers a practical guide for dialogue and mutual understanding for leaders of faith organizations schools and member of faith communities everyone who hopes to make a positive difference in our corporate life together Chapters include *The Failure of the American Religious Experiment* *When Justice Rolls Down* *Finding the Moral Courage to Do What is Right* *Love One Another* *Practicing Mercy and Compassion* *Walking Humbly with God* *Repentance and Reconciliation as a Path to a More Civil Society* *Values Matter* *Discovering Common Values in Many Faith Traditions* *Embracing Differences* *The Gift of Religious Pluralism* and *Building Bridges of Hope* Ten Ways Forward with Multicultural and Inter Religious Dialogue Discussion questions at the end of each chapter as well as an appendix with liturgical worship resources make this hopeful book perfect for small group study class usage and congregational leadership

Unity in the Triune God Timo Tavast, 2012-12-21 The contemporary trinitarian paradigm in systematic theology has been internationally well known since the time of Karl Barth and Karl Rahner and particularly since the contribution of their famous successors Many of them Wolfhart Pannenberg and Robert W Jenson among others have intentionally shown in their writings what the general ecumenical relevance of the findings of trinitarianism might be However the academic research of ecumenism has not yet fully investigated how ecumenically oriented trinitarian theology has been factually applied in varying ecumenical relationships and agreements *Unity in the Triune God* focuses on the ecumenism of the Evangelical Lutheran Church in America with its full communion partners the Presbyterian Church USA the Reformed Church in America and the United Church of Christ 1997 the Episcopal Church 1999 the Moravian Church in America 1999 and the United Methodist Church 2009 Together all these ecumenically active denominations have shown in their full communion agreements that the doctrine of the Trinity and the church's common trinitarian confession are not meaningless relics from ancient times but rather are dynamic and many sided ecumenical resources that can be used for several functions in full communion agreements The goal of this study is to reveal the differing ways in which to utilize this ecumenical potential of the trinitarian faith

ISKCON Studies Journal, Vol. One ISKCON Studies Institute, *Toward a Common Future* William G. Rusch, 2019-05-20 This book provides a specific proposal for churches divided by centuries long disputes and disagreements to move toward a vision of the unity of the church It seeks to offer a way for divided churches to move beyond the present quagmire that challenges much of the modern ecumenical movement Building upon the theological dialogues between the churches this volume identifies and supplies a way for churches to regain a momentum that seems recently to have been lost in the ecumenical movement
