Smith,Cornel West,1996 **Appropriating Blackness** E. Patrick Johnson,2003-08-13 A consideration of the performance of Blackness and race in general in relation to sexuality and critiques of authenticity **Our Black Year** Maggie Anderson,2012-02-14 Maggie and

John Anderson were successful African American professionals raising two daughters in a tony suburb of Chicago But they felt uneasy over their good fortune Most African Americans live in economically starved neighborhoods Black wealth is about one tenth of white wealth and black businesses lag behind businesses of all other racial groups in every measure of success One problem is that black consumers unlike consumers of other ethnicities choose not to support black owned businesses At the same time most of the businesses in their communities are owned by outsiders On January 1 2009 the Andersons embarked on a year long public pledge to buy black They thought that by taking a stand the black community would be mobilized to exert its economic might They thought that by exposing the issues Americans of all races would see that economically empowering black neighborhoods benefits society as a whole Instead blacks refused to support their own and others condemned their experiment Drawing on economic research and social history as well as her personal story Maggie Anderson shows why the black economy continues to suffer and issues a call to action to all of us to do our part to reverse this trend

A-Z Of The 80's Ally Molloy,2010-07-05 Return to the glamorous decade that brought the world Footloose and The Breakfast Club when legwarmers and shoulder pads were all the rage and nightclubs blasted classic tunes by Spandau Ballet and Wham With hundreds of entries from A Team aerobics Rick Astley and Amadeus to Weird Science yuppies The Young Ones and ZZ Topp be prepared to relive the punk the glam and everything in between using this complete guide to the most extravagant and fun decade of the 20th century

Looking for Leroy Mark Anthony Neal,2013-04-22 Mark Anthony Neal s Looking for Leroy is an engaging and provocative analysis of the complex ways in which black masculinity has been read and misread through contemporary American popular culture Neal argues that black men and boys are bound in profound ways to and by their legibility The most legible black male bodies are often rendered as criminal bodies in need of policing and containment Ironically Neal argues this sort of legibility brings welcome relief to white America providing easily identifiable images of black men in an era defined by shifts in racial sexual and gendered identities Neal highlights the radical potential of rendering legible black male bodies those bodies that are all too real for us as illegible while simultaneously rendering illegible black male bodies those versions of black masculinity that we can t believe are real as legible In examining figures such as hip hop entrepreneur and artist Jay Z R B Svengali R Kelly the late vocalist Luther Vandross and characters from the hit HBO series The Wire among others Neal demonstrates how distinct representations of black masculinity can break the links in the public imagination that create antagonism toward black men Looking for Leroy features close readings of contemporary black masculinity and popular culture highlighting both the complexity and accessibility of black men and boys through visual and sonic cues within American culture media and public policy By rendering legible the illegible Neal maps the range of identifications and anxieties that have marked the performance and reception of post Civil Rights era African American masculinity
