**Souls of Distortion Awakening** J. Wicherink, 2006-02-17 This book reunites science and spirituality after their roads separated 300 years ago More and more scientists are discovering that both disciplines are only two sides of the same coin We are on the verge of a major paradigm change in science where the immaterial subjective world of the mind can no longer be separated from the objective material world This leap in human consciousness was already foreseen by the ancients and American indigenous people like the Maya Hopi and Aztecs who prophesized that this transformation of consciousness would take place in our time This book takes you on a journey from the ancient wisdom to the most modern scientific insights and demonstrates how both can be united
