Edited Edition Of Anna Ella Carroll's The Great American Battle:

An Edited Edition of Anna Ella Carroll's The Great American Battle Anna Ella Carroll, 1996 , **Voices of the Nation** Caroline Field Levander, 1998-01-13 Studies the relationship between women's speech and nineteenth century American literary culture Term Paper Resource Guide to Nineteenth-Century U.S. History Kathleen W. Craver, 2008-06-30 Major help for those inevitable American History term paper projects has arrived to enrich and stimulate students in challenging and enjoyable ways Students from high school age to undergraduate will be able to get a jumpstart on assignments with the hundreds of term paper projects and research information offered here in an easy to use format Users can quickly choose from the 100 important events of the nineteenth century carefully selected to be appealing to students and delve right in Each event entry begins with a brief summary to pique interest and then offers original and thought provoking term paper ideas in both standard and alternative formats that incorporate the latest in electronic media such as iPod and iMovie The best in primary and secondary sources for further research are then annotated followed by vetted stable Web site suggestions and multimedia resources for further viewing and listening Librarians and faculty will want to use this as well Students dread term papers but with this book the research experience is transformed and elevated Term Paper Resource Guide to Nineteenth Century U S History is a superb source to motivate and educate students who have a wide range of interests and talents The provided topics on events people inventions cultural contributions wars and technological advances reflect the country's nineteenth century character and experience Some examples of the topics are Barbary Pirate Wars the Thomas Jefferson and Sally Hemings liaison Tecumseh and the Prophet the Santa Fe Trail Immigration in the 1840s the Seneca Falls Convention the Purchase of Alaska Boss Tweed's Ring Wyatt Earp and the Gunfight at O K Corral United States v Wong Kim Ark and Scott Joplin and Ragtime Music **Emergent Worlds** Edward Sugden, 2018-10-23 Reimagines the American 19th century through a sweeping interdisciplinary engagement with oceans genres and time Emergent Worlds re locates nineteenth century America from the land to the oceans and seas that surrounded it Edward Sugden argues that these ocean spaces existed in a unique historical fold between the transformations that inaugurated the modern era colonialism to nationalism mercantilism to capitalism slavery to freedom and deferent subject to free citizen As travellers workers and writers journeyed across the Pacific Atlantic and Caribbean Sea they had to adapt their political expectations to the interstitial social realities that they saw before them while also feeling their very consciousness particularly their perception of time mutate These four domains oceanic geography historical folds emergent politics and dissonant times in turn provided the conditions for the development of three previously unnamed genres of the 1850s the Pacific elegy the black counterfactual and the immigrant gothic In telling the history of these emergent worlds and their importance to the development of the literary cultures of the US Americas Sugden proposes narratives that alter some of the most enduring myths of the field including the westward spread of US imperialism the redemptionist trajectory of

black historiography and the notion that the US Americas constituted a new world Introducing a new generic vocabulary for describing the literature of the 1850s and crossing over oceans and languages Emergent Worlds invokes an alternative nineteenth century America that provides nothing less than a new way to read the era **Trübner's Bibliographical Guide to American Literature** Nicolas Trübner,2023-03-01 Reprint of the original first published in 1859 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost Regular New York Trade Sale of Books, Stereotype Plates, Stationery, Etc ,1857 **Separation of Church and State** Philip Hamburger,2009-07-01 Hamburger argues that separation of church and state has no historical foundation in the First Amendment and shows that eighteenth century Americans almost never invoked this principle Although Jefferson and others retrospectively claimed a First Amendment basis for separation it became part of American constitutional law only much later *Brothers and Friends* Natalie R. Inman,2017-05-15 By following key families in Cherokee Chickasaw and Anglo American societies from the Seven Years War through 1845 this study illustrates how kinship networks forged out of natal marital or fictive kinship relationships enabled and directed the actions of their members as they decided the futures of their nations Natalie R Inman focuses in particular on the Chickasaw Colbert family the Anglo American Donelson family and the Cherokee families of Attakullakulla Little Carpenter and Major Ridge Her research shows how kinship facilitated actions and goals for people in early America across cultures even if the definitions and constructions of family were different in each society To open new perspectives on intercultural relations in the colonial and early republic eras Inman describes the formation and extension of these networks their intersection with other types of personal and professional networks their effect on crucial events and their mutability over time The Anglo American patrilineal kinship system shaped patterns of descent inheritance and migration The matrilineal native system was an avenue to political voice connections between towns and protection from enemies In the volatile trans Appalachian South Inman shows kinship networks helped to further political and economic agendas at both personal and national levels even through wars revolutions fiscal change and removals Comparative analysis of family case studies advances the historiography of early America by revealing connections between the social institution of family and national politics and economies Beyond the British Atlantic world these case studies can be compared to other colonial scenarios in which the cultures and families of Europeans collided with native peoples in the Americas Africa Australia and other contexts *Crossings and Dwellings* Kyle B. Roberts,Stephen Schloesser, J.S.,2017-07-31 In *Crossings and Dwellings* Kyle Roberts and Stephen Schloesser S J bring together essays by eighteen scholars in one of the first volumes to explore the work and experiences of Jesuits and their women religious collaborators in North America over two centuries following the Jesuit Restoration Long dismissed as anti liberal anti nationalist and ultramontanist restored Jesuits and their women religious collaborators are revealed to provide a useful prism for looking at

some of the most important topics in modern history immigration nativism urbanization imperialism secularization anti modernization racism feminism and sexual reproduction Approaching this broad range of topics from a variety of disciplinary perspectives this volume provides a valuable contribution to an understudied period Nativism and Slavery Tyler Anbinder,1992 An examination of the Know Nothing Party founded in the USA in 1854 as a political protest against the granting of American citizenship to Catholic immigrants It studies how such a party managed to elect eight governors and 100 Congressman as well as thousands of local officials by 1855 Religious Intolerance, America, and the World John Corrigan,2020-04-07 As the news shows us every day contemporary American culture and politics are rife with people who demonize their enemies by projecting their own failings and flaws onto them But this is no recent development Rather as John Corrigan argues here it s an expression of a trauma endemic to America s history particularly involving our long domestic record of religious conflict and violence Religious Intolerance America and the World spans from Christian colonists intolerance of Native Americans and the role of religion in the new republic s foreign policy crises to Cold War witch hunts and the persecution complexes that entangle Christians and Muslims today Corrigan reveals how US churches and institutions have continuously campaigned against intolerance overseas even as they ve abetted or performed it at home This selective condemnation of intolerance he shows created a legacy of foreign policy interventions promoting religious freedom and human rights that was not reflected within America s own borders This timely captivating book forces America to confront its claims of exceptionalism based on religious liberty and perhaps begin to break the grotesque cycle of projection and oppression "We Cannot Escape History" James M. McPherson,1995 In We Cannot Escape History a remarkable group of top Lincoln and Civil War scholars come together to explore the meaning of Lincoln for the destiny of the United States They focus on Lincoln s view of American history and on his legacy for Americans and for the world In the process they deepen the reader s understanding of and appreciation for the complexity of the problems Lincoln faced and for the genius of his leadership which surmounted these obstacles and preserved the United States as one nation indivisible while purging it of slavery which had marred the democratic and egalitarian promise of America from the beginning The contributors develop themes including Lincoln s conception of the United States as the last best hope for the preservation of democratic government and a republican polity his view of American history and its meaning his international impact Lincoln and slavery Lincoln and the uses of political power and Lincoln as commander in chief in time of war **Biographical Guide to American Literature** Nicolas Trübner,1859 **Bibliographical Guide to American Literature ...** Nicolas Trübner,1859 **Trübner's Bibliographical Guide to American Literature** Nicolas Trübner,1859 *Trübner's Bibliographical Guide to American Literature; being a classified list of books, in all departments of Literature and Science, published in the United States of America during the last forty years. Moses and the Monster and Miss Anne Carole C. Marks,2024-03-18 This engaging history presents the extraordinary lives of Patty Cannon Anna Ella Carroll and Harriet Tubman three dangerous women who grew up in early nineteenth century Maryland and were vigorously enmeshed in the social and political maelstrom of antebellum America The monstrous Patty Cannon was a reputed thief murderer and leader of a ruthless gang who kidnapped free blacks and sold them back into slavery whereas Miss Anna Ella Carroll a relatively genteel unmarried slaveholder foisted herself into state and national politics by exerting influence on legislators and conspiring with Governor Thomas Holliday Hicks to keep Maryland in the Union when many state legislators clamored to join the Confederacy And of course Harriet Tubman slave rescuer abolitionist and later women s suffragist was both hailed as the Moses of her people and hunted as an outlaw with a price on her head worth at least ten thousand dollars All three women lived for a time in close proximity on the Eastern Shore of Maryland an isolated region that thrived on tobacco and then lost it procured slaves and then lost them and produced strong minded women and then condemned them Though they never actually met and their backgrounds and beliefs differed drastically these women s lives converged through their active experiences of the conflict over slavery in Maryland and beyond the uncertainties of economic transformation the struggles in the legal foundation of slavery and most of all the growing dispute in gender relations in America Throughout this book Carole C Marks gleans historical fact and sociological insight from the persistent myths and exaggerations that color the women s legacies and she investigates the common roots and motivations of three remarkable figures who bucked the era s expectations for women She also considers how each woman s public identity reflected changing ideas of domesticity and the public sphere spirituality and legal rights and limitations Cannon Carroll and Tubman each in her own way passionately fought for the future of Maryland and the United States and from these unique vantage points Moses and the Monster and Miss Anne portrays the intersecting and conflicting forces of race economics and gender that threatened to rend a nation apart

The Party of Fear David Harry Bennett,1988 David Bennett presents a ground breaking historical analysis of the forces shaping nativist and counter subversive activity in America from colonial times to the present He demonstrates that in this nation of immigrants the American Right did not emerge from postfeudal parties of privilege or from the social chaos that bred a Hitler of Mussolini in Europe
