

EDITING YOUR NEWSLETTER

—JAMES H. HARRIS

When you edit a newsletter, you are not only editing the content, but you are also editing the design. The design of a newsletter is as important as the content. A well-designed newsletter is more likely to be read and shared than a poorly designed one. There are several key elements to consider when editing a newsletter: layout, typography, and graphics. The layout should be clean and uncluttered, with a clear hierarchy of information. Typography should be consistent and easy to read, with a mix of font sizes and weights. Graphics should be used sparingly and effectively to enhance the content. By paying attention to these details, you can create a newsletter that is both informative and visually appealing.
