**Native American Political Systems and the Evolution of Democracy** Bruce E.

Johansen, 1996-05-14 For more than a decade scholars have debated the question of whether American Indian confederacies primarily the Iroquois helped influence the formation of U S basic law The idea has sparked lively debate in the public arena as well with Canadian diplomat Durling Voyce Jones contending it shows a paradigm shift in our thinking Patrick Buchanan calling it idiocy and George Will saying it s fiction For the first time this bibliography brings together some 450 citations on the debate The work describes the debate in the words of one of its major participants Bruce E Johansen author of three other books on the subject The bibliography also takes the reader back to suggestions of the idea long before the

contemporary debate Lakota author Charles Eastman brought up the subject in 1919 Mohawk teacher Ray Fadden developed it in the 1940s and John F Kennedy touched on it in 1960 Bringing the debate to its full flower in the present day the bibliography illustrates both fervent support and equally emphatic denial in the academy and the public press The book is both a scholarly tool and a lively exploration of issues bearing on the study of history and multiculturalism **The Publishers Weekly** ,1904 **Reference Encyclopedia of the American Indian** Barry T. Klein,1998 *Theories of Empire, 1450-1800* David Armitage,2016-12-14 *Theories of Empire 1450 1800* draws upon published and unpublished work by leading scholars in the history of European expansion and the history of political thought It covers the whole span of imperial theories from ancient Rome to the American founding and includes a series of essays which address the theoretical underpinnings of the Spanish Portuguese French British and Dutch empires in both the Americas and in Asia The volume is unprecedented in its attention to the wider intellectual contexts within which those empires were situated particularly the discourses of universal monarchy millenarianism mercantalism and federalism and in its mapping of the shift from Roman conceptions of imperium to the modern idea of imperialism **American Indian Nonfiction** Bernd Peyer,2007 A survey of two centuries of Indian political writings **Oriskany : a Place of Great Sadness** Joy Ann Bilharz,2009 **A Little Matter of Genocide** Ward Churchill,1997 Ward Churchill has achieved an unparalleled reputation as a scholar activist and analyst of indigenous issues in North America Here he explores the history of holocaust and denial in this hemisphere beginning with the arrival of Columbus and continuing on into the present He frames the matter by examining both revisionist denial of the nazi perpetrated Holocaust and the opposing claim of its exclusive uniqueness using the full scope of what happened in Europe as a backdrop against which to demonstrate that genocide is precisely what has been and still is carried out against the American Indians Churchill lays bare the means by which many of these realities have remained hidden how public understanding of this most monstrous of crimes has been subverted not only by its perpetrators and their beneficiaries but by the institutions and individuals who perceive advantages in the confusion In particular he outlines the reasons underlying the United States s 40 year refusal to ratify the Genocide Convention as well as the implications of the attempt to exempt itself from compliance when it finally offered its endorsement In conclusion Churchill proposes a more adequate and coherent definition of the crime as a basis for identifying punishing and preventing genocidal practices wherever and whenever they occur Ward Churchill enrolled Keetoowah Cherokee is Professor of American Indian Studies with the Department of Ethnic Studies at the University of Colorado Boulder A member of the American Indian Movement since 1972 he has been a leader of the Colorado chapter for the past fifteen years Among his previous books have been *Fantasies of a Master Race* *Struggle for the Land* *Since Predator Came* and *From a Native Son*
