## **Education Employment Rural Development:**

**Research in Education** ,1974      **Employment and Training in Rural Areas** A. J. Errington,R. Bennett,B. Marshall,1989-01-01      *Resources in Education* ,2001-10      **Planning and Development in Education** J.C.S. Musaaazi,2010-11-26 This reissue first published in 1986 offers a comprehensive treatment of educational development in four countries in West and East Africa Nigeria Uganda Kenya and Tanzania The author focuses on the role of education in promoting or hindering national development the way the educational system varies in response to societal and dialectical forces the place of education in major theories of change and development and the contribution made by education to economic social and political development Clearly and concisely written the book will be of interest to teachers administrators educational planners and scholars in comparative education and the history of education      *World Population Trends* United States. Congress. Senate. Committee on Foreign Relations,1980      *Federal Register* ,1993-12      *Local Economic and Employment Development (LEED) Engaging Employers in Apprenticeship Opportunities Making It Happen Locally* OECD,International Labour Organization,2017-06-16 This joint OECD ILO publication provides guidance on how local and regional governments can foster business education partnerships in apprenticeship programmes and other types of work based learning drawing on case studies across nine countries      Education, Employment and Rural Development James R. Sheffield (Ed),1967      **A.I.D. Research and Development Abstracts** United States. Agency for International Development,1976      *A.I.D. Research and Development Abstracts* ,1976      Emerging Trends in Digital Era Through Educational Technology Dr. Manichander T.,      *Rural Extension, Education and Training Abstracts* ,1982      **Foreign Assistance and Related Programs Appropriations for 1981** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Programs,1980      Unveiling Developmental Disparities in the Middle East Al Mokdad, Mohamad,2024-10-30 Unveiling developmental disparities in the Middle East is essential for understanding the complex socio economic landscape of the region often containing critical inequalities and varied economic growth Despite being rich in resources and cultural heritage many countries in the Middle East face significant challenges including political instability economic volatility and social unrest which hinder equitable development Examining these factors contributing to inequality may help scholars and government officials better address the barriers to sustainable development Understanding present disparities in the region is crucial for policymakers international organizations and communities aiming to promote inclusive growth and improved quality of life Unveiling Developmental Disparities in the Middle East examines the role of international relations and domestic policies in shaping Middle Eastern economic outcomes with a particular focus on how governance and institutional development have diverged across these regions By examining the influence of oil wealth geopolitical dynamics and historical legacies the book offers a comprehensive understanding of why these nations have evolved so differently despite geographical proximity and cultural ties This book covers topics such

as sustainability gender studies and political governance and is a useful resource for government officials policymakers gender scientists healthcare professionals environmental scientists academicians and researchers      **Educational Documentation and Information** ,1972      Smallholders and family farms in the Republic of Moldova Food and Agriculture Organization of the United Nations ,2020-09-01 The background for conducting country studies on the challenges needs and constraints of smallholders and family farms in seven countries has been a wish to further strengthen the Regional Initiative and develop the initiative towards a stronger programmatic approach at both the regional and country levels To provide support to smallholders and family farms there has been a need to develop a better understanding and knowledge platform of the main challenges needs and constraints of smallholders and family farms in the specific country context Even though many of the challenges are the same throughout the region there are still significant variations among the countries it is important to recognize and understand these variations when designing support to smallholders and family farms in each specific country It has been the objectives of the country studies first to analyze the development trend and current state of smallholders and family farms in the specific country second to study the current political priorities and policies affecting smallholders and family farms and finally based on the conclusions made to provide recommendations mainly at the policy level on how to further support the development of commercial family farms and at the same time ensure in general inclusive growth improved rural livelihood for women and men and the reduction of rural poverty for all It is hoped that each country study will not only be relevant for FAO but also for governments donors and other international organizations when formulating policy and preparing programmes      *SRS Research Information System: Index; Volume II; Facilities Through Young Adults* United States. Social and Rehabilitation Service,1974      **OECD Economic Surveys: Indonesia 2024** OECD,2024-11-26 Indonesia s economy has rebounded from the COVID 19 recession and inflation has declined considerably but exposure to global uncertainty remains high Monetary policy must remain prudent forward looking and data dependent Fiscal policy needs to ensure the budget deficit remains below the mandated ceiling Government spending and revenue are low in international comparison and future spending pressures require an increase in tax revenues over the medium term Indonesia has scope to boost productivity and long term growth prospects though encouraging women s employment alongside continued improvement to educational attainment and improvement to the business environment Greater efforts in combatting corruption would help foster a more competitive and productive business sector Indonesia has further scope to harness digitalisation Geographic gender and age related gaps in individuals access to and adoption of the Internet and related tools need to be closed Indonesia is vulnerable to the impacts of global warming The country s goal of reaching net zero greenhouse gas emissions by 2060 is challenging in the context of economic convergence and the country s reliance on coal SPECIAL FEATURES SOCIO ECONOMIC CONVERGENCE DIGITALISATION GREEN TRANSITION      Otto E.
