Superfine, 2013-03-11 Educational equality has long been a vital concept in US law and policy Since Brown v Board of Education the concept of educational equality has remained markedly durable and animated major school reform efforts including desegregation school finance reform the education of students with disabilities and English language learners charter schools voucher policies the various iterations of the Elementary and Secondary Education Act including No Child Left Behind and the Stimulus Despite such attention students educational opportunities have remained persistently unequal as understandings of the goals underlying schooling fundamental changes in educational governance and the definition of an equal education have continually shifted Drawing from law education policy history and political science this book examines how the concept of equality in education law and policy has transformed from Brown through the Stimulus the major factors

influencing this transformation and the significant problems that school reforms accordingly continue to face *Canadian Education Law and Global Comparative Studies for Teachers and Administrators* Li, Xiaobin, 2023-08-01 This book provides an overview of the important elements of education law in Ontario Canada as education is under provincial jurisdiction in the country It also briefly describes similar education law contents in California the United States as in the US education is mainly under the control of states and California is the most populous state In addition the book delineates corresponding contents in Chinese education law as China has the largest education system in the world **Special Education Law and Practice** Deborah N. Archer, Richard Marsico, 2017-10-23 Special Education Law and Practice is an experientially focused casebook that also serves as a reference for attorneys who practice special education law and anyone interested in learning about the special education process The casebook covers substantive special education rights racial disparities in special education discipline procedural protections federal court litigation remedies and attorneys fees Each chapter begins with a problem rich in facts and law that places the student in the position of an attorney trying to resolve a problem for a client using that chapter's materials Comprehensive notes expand the areas covered by featured cases **Disproportionality and Social Justice in Education** Nicholas Gage, Luke J. Rapa, Denise K. Whitford, Antonis Katsiyannis, 2022-10-25 This book examines disproportionality in education focusing on issues of social justice for diverse and marginalized students It addresses disproportionality as an indicator of biased practices and uses social justice as the frame for conceptualizing disproportionality historically and as a means to improve educational practice Chapters explore the historical issue of disproportionality in education outcomes experienced by racially and ethnically diverse students and students with disabilities including discipline bullying and academic achievement and ways in which social justice can inform policy and practice to make a positive impact reducing disproportionality in education Key areas of coverage include Methodological and statistical concerns in disproportionality research in education Reviews research and data on disproportionality in education e g disciplinary exclusion bullying seclusion and restraint corporal punishment school based arrests and academic achievement Social justice as a theoretical and legal driver for change in policy and practice Educational assessment and intervention practices designed to address disproportionality in education Disproportionality and Social Justice in Education is a must have resource for researchers professors and graduate students as well as clinicians practitioners and policymakers across such disciplines as clinical child and school psychology educational psychology and teaching and teacher education social work and counselling pediatrics and school nursing educational policy and politics public health and all interrelated disciplines Teacher Preparation and Practice Patrick M. Jenlink, 2020-08-24 Teacher Preparation and Practice Reconsideration of Assessment for Learning introduces the reader to a collection of thoughtful research based works by authors that represent current thinking about assessment What we know is that assessments are designed and implemented in educational settings both university based teacher preparation and school based teacher practice in school classrooms that

serve to inform and guide teaching and learning We also know that there is a dichotomy between assessment of learning summative and assessment for learning formative that is recognized on a global level in teacher preparation Importantly the reported research examines assessment and the application of professional judgment guided by assessment for learning in contrast to the more normalizing assessment of learning that currently pervades the nature of assessment in teacher preparation and practice There is a need in the work of teaching for assessments that focus on cultural competence and relational sensitivity communication skills and the combination of rigor and imagination fundamental to the teaching and learning practices in classrooms Each chapter focuses on assessment and the preparation and practice of teachers who will enter classrooms to instruct the next generation of students Chapter One opens the book with a focus on assessment and its relationship to teaching and learning in the classroom providing the reader with an introduction to the book and an understanding of the role assessment plays in teacher preparation and practice The authors of Chapters Two Nine present field based research that examines assessment in teacher preparation and practice Each chapter offers the reader an examination of assessment in teacher preparation and practice based on formal research that provides the reader with insight into how the research study was conducted as well as equally important the findings and conclusions drawn with respect to assessment and teacher preparation and practice Finally Chapter Ten presents an epilogue that focuses on the future of assessment in teacher preparation and practice

Education, Law and Diversity Neville Harris, 2020-01-09 This new edition of Education Law and Diversity provides extensive updated analysis from a legal perspective of how the education system responds to social diversity and how the relevant social and cultural rights of individuals and groups are affected It spans wide ranging areas of school provision including types of school including faith schools the school curriculum choice of school out of school settings and duties towards children with special needs and disabilities It gives extensive coverage to children s rights in the context of education and includes considerable new material on issues including relationships and sex education exclusion from school home education equal access counter extremism and academisation The new edition also retains and updates areas of debate in the book such as those concerned with multiculturalism and the position of religion in schools It continues to focus on England but also makes reference to other jurisdictions within the UK and internationally It is essential reading for anyone interested in the legal and related policy issues surrounding children s education today
