Edward Sophie A Royal Celebration:

Her Majesty Queen Elizabeth II Platinum Jubilee Celebration Brian Hoey, 2022-01-01 Her Majesty Queen Elizabeth II has carried out her role as Sovereign with flawless professionalism Her demeanour has been perfect and in the seventy years she has reigned she has epitomised all the hallmarks of an iconic sovereign beloved of her people As Heir Presumptive the young Princess Elizabeth received special tuition in law and constitutional history to prepare her for her future role as Sovereign When she succeeded her father King George VI on 6th February 1952 Elizabeth was only twenty five years old Married for just five years with two young children her life changed irrevocably The responsibilities of monarchy have taken precedence over all else and the public duties invariably have first call on the Queen s time and energy This book celebrates the highlights and challenges of the Queen s reign over the past seven decades Recalls Princess Elizabeth s childhood and the war years Includes accounts of the Accession and Coronation when she was still a young woman Details each decade of Queen Elizabeth II s reign focussing on both her working life and her family Describes in detail a typical working day for the sovereign A special focus on the enduring contribution Her Majesty has made to life in the UK and the Commonwealth as well as her enviable reputation worldwide A true celebration in honour of our Queen s Platinum Jubilee **The Queen**

Catherine Ryan, 2018-01-16 Her Royal Highness Queen Elizabeth II has reigned for 64 years longer than any British monarch in history During that time the Queen has endured the ups and downs that long life will bring She was a beacon of hope during and after the Second World War in difficult times when the world faced a precarious future and she has served as a role model for generations of men and women who continue to be in awe of her commitment to service sacrifice and the Commonwealth of nations over which she rules The abdication of her uncle Edward VIII in 1936 turned her family s world upside down When her father was crowned King George VI Elizabeth was thrust into the eye of the storm as a future queen A shy and reserved child she grew into a wise and insightful monarch who has dealt ably with nine British Prime Ministers during her long reign from Winston Churchill to Theresa May It was of course not always straightforward and the Queen has found herself in hot water several times most notably during the marriage of Prince Charles and Diana Princess of Wales When Diana was tragically killed in a car crash the standing of the Royal Family was probably at its lowest ebb It is unlikely that we will ever see a monarch reign so long or so effectively again holding together a disparate group of nations each with its own aspirations customs and traditions Catherine Ryan has written an intriguing biography of one of the most famous women of modern times who at 91 years old still seems fit and healthy and looks very unlikely to hand over the reins to her successors any time soon **SPECIAL EVENT POSTMARKS OF THE UNITED KINGDOM VOLUME 4** ALAN
