## **Good Neighbors Vol 5:**

**The Roosevelt Foreign-Policy Establishment and the "Good Neighbor"** Randall Bennett Woods, 2021-10-08 The Good Neighbor Policy was tested to the breaking point by Argentina U S relations during World War II In part its durability had depended both upon the willingness of all American republics to join with the United States in resisting attempts by extrahemispheric sources to intervene in New World affairs and upon continuity within the United States foreign policy establishment During World War II neither prerequisite was satisfied Argentina chose to pursue a neutralist course and the Latin American policy of the United States became the subject of a bitter bureaucratic struggle within the Roosevelt administration Consequently the principles of nonintervention and noninterference together with absolute respect for the sovereignty of all states ceased to be the guideposts of Washington s hemispheric policy In this study Randall Bennett Woods argues persuasively that Washington s response to Argentine neutrality was based more on internal differences individual rivalries and power struggles between competing bureaucratic empires than on external issues or economic motives He explains how bureaucratic infighting within the U S government entirely irrelevant to the issues involved shaped important national policy toward Argentina Using agency memoranda State Department records notes on conversations and interviews memoirs and personal archives of the participants Woods looks closely at the rivalries that swayed the course of Argentine American relations He describes the personal motives and goals of men such as Sumner Welles Cordell Hull Henry Morgenthau Harry Dexter White Henry A Wallace and Milo Perkins He delineates various cliques within the State Department including the contending groups of Welles Latin Americanists and Hull internationalists and describes the power struggles between the State Department the Treasury Department the Board of Economic Warfare the Caribbean Defense Command and other agencies Of special interest to students of contemporary history will be Woods s discussion of the careers and views of Juan Peron and Nelson Rockefeller for American policy contributed in no small way to Peron s rise and Rockefeller was the man chiefly responsible for the U S rapprochement with Argentina in 1944 45 Woods also gives special attention to the impact of the Wilsonian tradition especially its contradictions on policy formation The last chapter dealing with Argentina s admission to the U N sheds some light on the origins of the Cold War Wood s investigation of the Argentine problem makes a significant contribution toward the understanding of U S Latin American relations in the era of the Good Neighbor Policy and provides new insights into the evolution of hemispheric policy as a whole during World War II It reflects the growing emphasis on bureaucratic politics as a principal determinant of U S diplomacy

**The Last Good Neighbor** Eric Zolov, 2020-05-08 In The Last Good Neighbor Eric Zolov presents a revisionist account of Mexican domestic politics and international relations during the long 1960s tracing how Mexico emerged from the shadow of FDR s Good Neighbor policy to become a geopolitical player in its own right during the Cold War Zolov shows how President Adolfo Lopez Mateos 1958 1964 leveraged Mexico s historical ties with the United States while harnessing the left s passionate calls for solidarity with

developing nations in a bold attempt to alter the course of global politics During this period Mexico forged relationships with the Soviet Bloc took positions at odds with US interests and entered the scene of Third World internationalism Drawing on archival research from Mexico the United States and Britain Zolov gives a broad perspective on the multitudinous transnational forces that shaped Mexican political culture in ways that challenge standard histories of the period *This is the U.S.A.* United States. Office of War Information,1944

**Becoming a Good Neighbor among Dictators** Jorrit van den Berk,2017-12-28 Very few works of history if any delve into the daily interactions of U S Foreign Service members in Latin America during the era of Roosevelt s Good Neighbor Policy But as Jorrit van den Berk argues the encounters between these rank and file diplomats and local officials reveal the complexities procedures intrigues and shifting alliances that characterized the precarious balance of U S foreign relations with right wing dictatorial regimes Using accounts from twenty two ministers and ambassadors *Becoming a Good Neighbor among Dictators* is a careful sophisticated account of how the U S Foreign Service implemented ever changing State Department directives from the 1930s through the Second World War and early Cold War and in so doing transformed the U S Central American relationship How did Foreign Service officers translate broad policy guidelines into local realities Could the U S fight dictatorships in Europe while simultaneously collaborating with dictators in Guatemala El Salvador and Honduras What role did diplomats play in the standoff between democratic and authoritarian forces In investigating these questions Van den Berk draws new conclusions about the political culture of the Foreign Service its position between Washington policymakers and local actors and the consequences of foreign intervention *Wisconsin Reading Circles* ,1928

*The Dismantling of the Good Neighbor Policy* Bryce Wood,2010-07-22 The Good Neighbor Policy was unique a great power obligated itself not to use force in its dealings with twenty smaller powers and not to interfere in their domestic politics It was a policy that lasted with some perturbations for twenty years instituted by President Roosevelt in 1933 and carried out effectively from 1933 to 1943 by word and action maintained during the Second World War largely as a result of British concern for continuance of Argentine beef exports codified in the Charter of the Organization of American States in 1948 and reasserted by Truman and Acheson in 1950 51 it was covertly repudiated in Guatemala in 1954 by Eisenhower and the Dulles brothers and not so secretly by Kennedy in the disastrous Bay of Pigs invasion of 1961 Openly shattered in the Dominican Republic by Johnson in 1965 it has since been completely abandoned in favor of the usual relationships between large and small powers Working with documents from the Public Records Office in London and the National Archives with recently released materials from the U S Department of State and with secondary sources Bryce Wood describes the temptations laid before the leaders of one powerful state by its occasionally recalcitrant neighbors and the ways of reacting that were found Having told half the story in his *The Making of the Good Neighbor Policy* Wood now concludes it in the present volume One of the chief casualties is shown to be the Organization of American States which since 1954 has found itself badly crippled in its work to promote harmony and

continued cooperation among the member states

**Latin America During World War II** Thomas M. Leonard, John F. Bratzel, 2007 The first full length study of World War II from the Latin American perspective this unique volume offers an in depth analysis of the region during wartime Each country responded to World War II according to its own national interests which often conflicted with those of the Allies including the United States The contributors systematically consider how each country dealt with commonly shared problems the Axis threat to the national order the extent of military cooperation with the Allies and the war s impact on the national economy and domestic political and social structures Drawing on both U S and Latin American primary sources the book offers a rigorous comparison of the wartime experiences of Argentina Brazil Chile Central America Gran Colombia the Dominican Republic Mexico Panama and Puerto Rico

**Mexico and the United States in the Oil Controversy, 1917-1942** Lorenzo Meyer, 2014-11-06 From reviews of the Spanish edition Meyer s perceptive commentary on Mexican power politics presents new insights into the petroleum lobbies in Mexico City and Washington With unbiased empathy he shows the validity of Mexico s complaints about foreigners deriving an overabundance of profit from a nonrenewable natural resource He understands United States history and never abuses his license to criticize Hispanic American Historical Review This useful addition to the literature on twentieth century Mexican United States diplomatic relations is a scholarly work worthy of consideration by all students of the subject American Historical Review Mexico and the United States in the Oil Controversy 1917 1942 explores the relationship between the United States and Mexico during the first half of the twentieth century with special attention to the Mexican nationalization of the oil industry Relying on Mexican archival material never before analyzed the author presents a unique perspective on the period following the Mexican Revolution and Mexico s efforts to diminish its economic dependency on the United States This work not only describes the political and economic struggle between the Mexican government and the U S oil companies but also serves to illustrate in general the nature of dependency between Latin American countries and the United States It will be of interest not only to Mexican specialists but also to diplomatic and economic historians

**US Foreign Policy and Democracy Promotion** Michael Cox, Timothy J. Lynch, Nicolas Bouchet, 2013-04-17 The promotion of democracy by the United States became highly controversial during the presidency of George W Bush The wars in Iraq and Afghanistan were widely perceived as failed attempts at enforced democratization sufficient that Barack Obama has felt compelled to downplay the rhetoric of democracy and freedom in his foreign policy This collection seeks to establish whether a democracy promotion tradition exists or ever existed in US foreign policy and how far Obama and his predecessors conformed to or repudiated it For more than a century at least American presidents have been driven by deep historical and ideological forces to conceive US foreign policy in part through the lens of democracy promotion Debating how far democratic aspirations have been realized in actual foreign policies this book draws together concise studies from many of the leading academic experts in the field to evaluate whether or not these efforts were successful in promoting democratization abroad They clash over whether

democracy promotion is an appropriate goal of US foreign policy and whether America has gained anything from it Offering an important contribution to the field this work is essential reading for all students and scholars of US foreign policy American politics and international relations The American West Transformed Gerald D. Nash,1990-01-01 The industrialization of the American West during World War II brought about rapid and far reaching social cultural and economic changes Gerald D Nash shows that the effect of the war on that region was nothing less than explosive **Health Training in Schools** Theresa Dansdill,1924 **The United States and Cuba** Jules Robert Benjamin,1977-11-15 From its independence from Spain in 1898 until the 1960s Cuba was dominated by the political and economic presence of the United States Benjamin studies this unequal relationship through 1934 by examining U S trade investment and capital lending Cuban institutions and social movements and U S foreign policy Benjamin convincingly argues that U S hegemony shaped Cuban internal politics by exploiting the island s economy dividing the nationalist movement co opting Cuban moderates and robbing post 1933 leadership of its legitimacy Public Papers of the Presidents of the United States United States. President,1971 Containing the public messages speeches and statements of the President 1956 1992 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States. Internal Revenue Service,1994 **Interpersonal Diagnosis and Treatment of Personality Disorders** Lorna Smith Benjamin,2002-12-18 The interpersonal dimensions of each DSM IV personality disorder are discussed in depth and and innovative procedures for assessment and diagnosis described *Synopsis: An Annual Index of Greek Studies, 1993, 3* Andrew D. Dimarogonas,1998-10-28 Presents 12 860 entries listing scholarly publications on Greek studies Research and review journals books and monographs are indexed in the areas of classical Hellenistic Biblical Byzantine Medieval and modern Greek studies but no annotations are included After the general listings entries are also indexed by journal text name geography and subject The CD ROM contains an electronic version of the book Annotation copyrighted by Book News Inc Portland OR The Churchman ,1922 **The Rise and Decline of the American Century** William O. Walker III,2018-10-15 In 1941 the magazine publishing titan Henry R Luce urged the nation s leaders to create an American Century But in the post World War II era proponents of the American Century faced a daunting task Even so Luce had articulated an animating idea that as William O Walker III skillfully shows in *The Rise and Decline of the American Century* would guide United States foreign policy through the years of hot and cold war The American Century was Walker argues the counter balance to defensive war during World War II and the containment of communism during the Cold War American policymakers pursued an aggressive agenda to extend U S influence around the globe through control of economic markets reliance on nation building and where necessary provision of arms to allied forces This positive program for the expansion of American power Walker deftly demonstrates came in for widespread criticism by the late 1950s A changing world epitomized by the nonaligned movement challenged U S leadership and denigrated the market democracy at the heart of the ideal of the

American Century Walker analyzes the international crises and monetary troubles that further curtailed the reach of the American Century in the early 1960s and brought it to a halt by the end of that decade By 1968 it seemed that all the United States had to offer to allies and non hostile nations was convenient military might nuclear deterrence and the uncertainty of détente Once the dust had fallen on Lyndon B Johnson's presidency and Richard M Nixon had taken office what remained was The Rise and Decline of the American Century shows an adulterated strategically based version of Luce's American Century

Syllabus Series University of California (System), 1927 *Crossroads Of Decision* Howard Jablon, 2021-10-21 In this provocative interpretation of New Deal diplomacy Howard Jablon challenges the view that the State Department was wiser and more expert at international maneuver than was President Franklin D Roosevelt in the early years of his presidency These were years of growing world tension with the preliminary shots of World War II being fired as Japan took over Manchuria Italy made Ethiopia an extension of its new Roman Empire and all the European great powers tried out their new weaponry in Spain The author argues that the department's advice in this period actually led to unfortunate decisions which later had a considerable impact on events leading to World War II Former Secretary of State Cordell Hull wrote in his memoirs that the United States was at the oriental crossroads of decision in 1934 Hull and his colleagues in the State Department did not suggest blocking the Japanese Instead they recommended continuing the ineffective nonrecognition policy Consequently the roads taken by American diplomacy at this and other junctures were equally unfortunate To date no one has criticized the influence of the State Department on New Deal diplomacy *Crossroads of Decision* represents a timely and important contribution to our understanding of both the State Department and foreign policy in this interwar period of rapid change when diplomatic courses were set that allowed for no turning back

The Enthralling Realm of E-book Books: A Thorough Guide Revealing the Pros of Kindle Books: A World of Ease and Flexibility Kindle books, with their inherent portability and simplicity of availability, have liberated readers from the constraints of physical books. ## **Good Neighbors Vol 5 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Good Neighbors Vol 5 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Good Neighbors Vol 5 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Good Neighbors Vol 5 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Good Neighbors Vol 5. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Good Neighbors Vol 5 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Good Neighbors Vol 5 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works.
