Of Heroes and Villains D. Keith Campbell, 2013-08-05 Gripping stories whether modern or ancient always include heroes and villains The Synoptic Gospels chock full of villains religious leaders and others in pursuit of an emerging hero Jesus are no different Drawing first century Jews into their familiar past and beckoning modern readers to join in its appreciation these writers employ a literary tactic that intensifies this conflict they depict these characters as Old Testament heroes and villains To enter this fascinating intertextual character portrayal this book in building on eighty years of lament studies advances our understanding of the Synoptists s literary and rhetorical use of the Psalmic Lament in relation to other Old Testament motifs to characterize Jesus and his opponents Other contributions made along the way including insights into the Synoptists s literary appropriation of Isaiah s Servant are all geared toward helping us better understand how Matthew Mark and Luke characterize their hero and villains

The Death of the Messiah and the Birth of the New Covenant Michael J. Gorman, 2014-06-27 In this groundbreaking book Michael Gorman asks why there is no theory or model of the atonement called the new covenant model since this understanding of the atonement is likely the earliest in the Christian tradition going back to Jesus himself Gorman argues that most models of the atonement over emphasize the penultimate purposes of Jesus death and the mechanics of the atonement rather than its ultimate purpose to create a transformed Spirit filled people of God The New Testament s various atonement metaphors are part of a remarkably coherent picture of Jesus death as that which brings about the new covenant and thus the new community promised by the prophets which is also the covenant of peace Gorman therefore proposes a new model of the atonement that is really not new at all the new covenant model He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive integrated participatory communal and missional model than any of the major models in the tradition Life in this new covenant Gorman argues is a life of communal and individual participation in Jesus faithful loving peacemaking death Written for both academics and church leaders this book will challenge all who read it to re think and re articulate the meaning of Christ s death for us

concerning Luke's idea of the relationship between wealth and discipleship. Previous attempts have not succeeded in reconciling the ideas of wealth and poverty with the theme of discipleship in Luke's theology. This failure motivates Kim to investigate a new paradigm, namely stewardship. Reviewing the wide range of material regarding wealth and poverty in Luke Acts, he concludes that for Luke a proper way for Christians as stewards to use their wealth is almsgiving in the interests of the poor and needy inside and outside the community.

The Reign of God and Rome in Luke's Passion Narrative Yong-sung Ahn, 2006-03-01. Great Themes of Scripture: New Testament Richard Rohr, 2013-11-04. The New Testament is sometimes called the New Covenant, signifying a new relationship between humanity and God. From the viewpoint of salvation history, the New Testament is the completion and the culmination of the Old Testament. In terms of length, it is only a small portion of the entire Bible, and yet it is that portion which brings it all together. Richard Rohr and Joseph Martos look at the many ways salvation themes are proclaimed by the various authors and literary styles of the New Testament.

Interweaving Innocence Heather M. Gorman, 2016-12-29. In this study, Heather Gorman analyses Luke's portrayal of Jesus' death in light of the ancient rhetorical tradition, particularly the progymnasmata and the rhetorical handbooks. In addition to providing a detailed up-to-date exegetical study of Luke 22:66-23:49, she argues three things. First, through the strategic placement of rhetorical figures and the use of common topics associated with refutation and confirmation, Luke structures his passion narrative as a debate about Jesus' innocence, which suggests that one of Luke's primary concerns is to portray Jesus as politically innocent. Second, ancient examples of synkrisis suggest that part of the purpose of Luke's characterisation of Jesus in the passion narrative, especially when set in parallel to Paul and Stephen in Acts, was to set up Jesus as a model for his followers lest they face similar persecution or death. Finally, Luke's special material and his variations from Mark are explicable in terms of ancient compositional techniques, especially paraphrase and narration, and thus recourse to a special Passion Source is unnecessary.

Interpreting the New Testament Francis J. Moloney, Sherri Brown, 2019-10-03. A succinct and accessible text for teaching students how to interpret the New Testament. This new textbook effectively introduces students to the art and craft of biblical interpretation. New Testament scholars Sherri Brown and Francis Moloney begin by orienting students to the world of the Bible, exploring contemporary methods for interpreting the biblical literature and showing how the Old Testament is foundational to the formation of the New Testament. The book proceeds to lead

readers through the books of the New Testament by genre The Narratives Gospels and Acts Paul and His Letters Hebrews and the Catholic Epistles Apocalyptic Literature and the Book of Revelation Unlike book by book introductory textbooks that tend to overshadow the primary biblical text with lots of detailed information Brown and Moloney's *Interpreting the New Testament* actually facilitates the study of the New Testament itself Their concluding chapter reflects on the challenge of the New Testament to our present world *The five historical books* ,1899
